BNP Paribas
Growing Profitably

Baudouin PROT
Chief Executive Officer

London, 4 October 2005
All growth rates and comparisons indicated in this presentation are on a comparable accounting standard basis, except where expressly provided otherwise. These figures come from a comparison of Q2 and H1 2005 results calculated on the basis of IFRS accounting standards as adopted by the European Union for 2005 and a simulated restatement of Q2 2004 and H1 2004 results on the basis of these same accounting standards. The corresponding simulated figures have not been audited.
