Disclaimer

This presentation contains forward-looking statements about BNP Paribas, Fortis Bank NV/SA and certain of their affiliates and the proposed tie-up that had been announced. Forward-looking statements include financial projections and estimates and their underlying assumptions and perspectives regarding plans, objectives and outcomes expected with respect to future events, operations, products and services, and assumptions regarding future performance and synergies. Many factors, a number of which are beyond BNP Paribas' control, could cause actual outcomes to differ significantly from expected outcomes. Among these factors are the securing of required regulatory authorisations, the approval of BNP Paribas shareholders, the development of the businesses of BNP Paribas or Fortis Bank NV/SA and their subsidiaries, banking and financial services and insurance industry trends, future capital expenditures and acquisitions, changes in the global economy or in BNP Paribas’ and Fortis Bank NV/SA’s key local markets, the competitiveness of the market and regulatory factors. The occurrence of these events is uncertain and their outcomes may differ from current expectations which may in turn significantly affect expected outcomes. Actual outcomes may differ materially from those expected or implied in forecasts. BNP Paribas undertakes no obligation to publicly revise or update any forecasts.

The information contained in this presentation, to the extent it relates to parties other than BNP Paribas or comes from external sources, has not been independently verified and no expressed or implied representations or warranties are made or given in relation thereto, and no certainty is given that information or opinions contained herein are true, correct, accurate or complete. Neither BNP Paribas nor its agents or representatives may be held any liability for any negligence or for any other reason in connection with any losses arising from any use of this presentation or its contents or otherwise arising from this presentation or any other materials or information to which it may make reference.
