The Base Prospectus referred to below (as completed by these Final Terms) has been prepared on the basis that any offer of Notes in any Member State of the European Economic Area which has implemented the Prospectus Directive (each, a **Relevant Member State**) will be made pursuant to an exemption under the Prospectus Directive, as implemented in that Relevant Member State, from the requirement to publish a prospectus for offers of the Notes. Accordingly any person making or intending to make an offer in that Relevant Member State of Notes may only do so in circumstances in which no obligation arises for the Issuer or any Dealer to publish a prospectus pursuant to article 3 of the Prospectus Directive or supplement a prospectus pursuant to article 16 of the Prospectus Directive, in each case, in relation to such offer. Neither the Issuer nor any Manager has authorised, nor do they authorise, the making of any offer of Notes in any other circumstances.

PART A – CONTRACTUAL TERMS

Terms used herein shall be deemed to be defined as such for the purposes of the Conditions set forth in the Base Prospectus dated 9 March 2009 and the supplement to the Base Prospectus dated 8 January 2010 (together, the **Base Prospectus**) which together constitute a base prospectus for the purposes of Directive 2003/71/EC of 4 November 2003 on the prospectus to be published when securities are offered to the public or admitted to trading (the **Prospectus Directive**).

This document constitutes the Final Terms of the Notes described herein for the purposes of article 5.4 of the Prospectus Directive and must be read in conjunction with such Base Prospectus as supplemented. Full information on the Issuer and the offer of the Notes is only available on the basis of the combination of these Final Terms and the Base Prospectus as supplemented. ATTESTATION DU CONTROLEUR SPECIFIQUE

RELATIVE À UNE ÉMISSION OBLIGATAIRE D'UN MONTANT DE 1 000 000 000 D'EUROS EN DATE DE RÈGLEMENT DU 26 FEVRIER 2010

EN APPLICATION DE L'ARTICLE L.515-30 ET R.515-13-IV DU CODE MONETAIRE ET FINANCIER

Mesdames et Messieurs les membres du conseil d'administration,

En notre qualité de contrôleur spécifique de votre société et en exécution des dispositions prévues par l'article L.515-30 et R.515-13-IV du Code monétaire et financier, nous vous présentons notre attestation portant sur le respect de la règle prévue à l'article L.515-20 du Code monétaire et financier dans le cadre de toute émission d'obligations foncières d'une valeur unitaire au moins égale à 500 millions d'euros.

Par décision en date du 22 décembre 2009, le directeur général délégué de BNP Paribas Public Sector SCF a fixé le plafond maximal du programme d'émissions de ressources bénéficiant du privilège institué par l'article L.515-19 du Code monétaire et financier à 2 milliards d'euros, pour la période allant du 1er janvier au 31 mars 2010.

Dans le cadre de ce programme trimestriel d'émissions et en vertu des pouvoirs qui lui ont été conférés le 21 septembre 2009 par une délibération du Conseil d'Administration, le Directeur Général Délégué de BNP Paribas Public Sector SCF a décidé le 18 février 2010 de procéder à une émission de ressources bénéficiant du privilège institué par l'article L.515-19 du Code monétaire et financier, pour un montant de 1 milliard d'euros.

L'article L.515-20 du Code monétaire et financier précise que le montant total des éléments d'actif des sociétés de crédit foncier doit être supérieur au montant des éléments de passif bénéficiant du privilège mentionné à l'article L.515-19 de ce Code. Il nous appartient d'attester du respect de cette règle au titre de la présente opération.

Le respect de cette règle, après prise en compte de l'émission visée ci-dessus, a été vérifié sur la base d'informations financières estimées, au titre de la période courue, et prévisionnelles, au titre de la période à venir, établies sous la responsabilité de votre conseil d'administration. Les informations financières prévisionnelles ont été établies à partir des hypothèses traduisant la situation future que vous avez estimée la plus probable à la date de leur établissement.

Nous avons effectué nos travaux selon les diligences estimées nécessaires au regard de la doctrine professionnelle de la Compagnie nationale des commissaires aux comptes relatives à la mission du Contrôleur spécifique dans les sociétés de crédit foncier. Cette doctrine professionnelle requiert la mise en œuvre de diligences destinées à vérifier, sur la base des informations financières établies et du programme

d'émissions sus-visé, le respect de la règle prévue par l'article L.515-20 du code monétaire et financier et les modalités de calcul du ratio de couverture prévues par les dispositions du règlement du comité de la réglementation bancaire et financière n°99-10 du 9 juillet 1999 modifié relatif aux sociétés de crédit foncier.

Nos diligences ont notamment consisté à examiner le processus d'élaboration des informations financières produites, afin d'en vérifier la cohérence dans la perspective de contrôler le respect de la règle prévue à l'article L.515-20 du Code monétaire et financier. En ce qui concerne les informations prévisionnelles, nous avons pris connaissance des hypothèses retenues et vérifié leur traduction chiffrée, étant rappelé que, s'agissant de prévisions présentant par nature un caractère incertain, les réalisations différeront parfois de manière significative des informations prévisionnelles établies.

Sur la base de nos travaux, nous n'avons pas d'observation à formuler sur le respect par la société BNP Paribas Public Sector SCF de l'article L.515-20 du Code monétaire et financier stipulant que le montant des éléments d'actifs doit être supérieur au montant des éléments de passif privilégiés, après prise en compte de l'émission visée ci-dessus.

ANNEX 2

SPECIFIC CONTROLLER'S CERTIFICATE RELATING TO AN ISSUE OF NOTES AMOUNTING TO €1,000,000,000 WITH A CLOSING DATE OF 26 FEBRUARY 2010

PURSUANT TO ARTICLES L.515-30 AND R.515-13-IV OF THE MONETARY AND FINANCIAL CODE

TRANSLATED FROM FRENCH FOR INFORMATION PURPOSES ONLY

To the Board Members,

In our capacity as Specific Controller of your company and pursuant to the provisions of articles L.515-30 and R.515-13-IV of the Monetary and Financial Code, we hereby set out our certification regarding compliance with the rule provided for in article L.515-20 of the Monetary and Financial Code in relation to any issue of covered bonds (*obligations foncières*) with a nominal aggregate amount of at least Euro 500 million.

In a decision dated 22 December 2009, the deputy chief executive officer (*Directeur général délégué*) of BNP Paribas Public Sector SCF set the maximum aggregate amount for the programme of borrowings that qualify for the privileged right laid down by article L.515-19 of the Monetary and Financial Code at Euro 2 billion, for the period from 1st January to 31 March 2010.

Within the scope of this quarterly issue programme and on the basis of the powers granted by the Board of directors on 21 September 2009, the deputy chief executive officer of BNP Paribas Public Sector SCF decided on 18 February 2010 an issue of funds qualifying for the preferential rights set forth in article L.515-19 of the Monetary and Financial Code, for an amount of Euro 1 billion.

Article L.515-20 of the Monetary and Financial Code states that the total amount of assets held by *sociétés de crédit foncier* (special purpose real estate credit institutions) must be greater than the amount of liabilities which qualify for the privileged right (*privilège*) mentioned in article L.515-19 of such Code. It is our responsibility to certify the compliance of this transaction with this rule.

Compliance with this rule, after taking into account the aforementioned debenture issue, was verified on the basis of estimated financial data in respect of the past period, and forecasted financial data in respect of the upcoming period, drawn up under the responsibility of your board of directors. The forecasted financial data were drawn up on the basis of assumptions which reflect the position that you deemed to be most probable as of their respective dates.

We performed our review in accordance with the diligences deemed necessary pursuant to standard procedures issued from the professional rules and practises of the *Compagnie Nationale des Commissaires aux Comptes* (National Association of Statutory Auditors) that are applicable to this type of assignment. These professional rules and practises require to carry out procedures, based on such financial information and the aforementioned issue, in order to verify compliance with the rule laid down by article L.515-20 of the Monetary and Financial Code and with the methods of calculating the hedge ratio provided for in Regulation no. 99-10, as amended, of the French Banking and Financial Regulations Committee (the **CRBF**) dated 9 July 1999 relating to *sociétés de crédit foncier* (special purpose real estate credit institutions).

Our work has also required that we plan and prepare our review leading to an assessment of the fair presentation of the drawn up financial data, with regard to its consistency, plausibility and relevance, with a view to checking compliance with the rule provided for in article L.515-20 of the Monetary and Financial

Code. Regarding the forecasted financial data, we have assessed the assumptions used and their statement in figures, considering that, as the forecasts are, by their nature, uncertain, the actual results could differ significantly from the forecasted data presented.

Based on our work, we have no comments to make as regards compliance by BNP Paribas Public Sector SCF with article L.515-20 of the Monetary and Financial Code, which states that the amount of assets must be greater than the amount of preferential liabilities, after taking into account the aforementioned issue.
