COVERED BOND PROGRAMME

Under the Covered Bond Programme described in this Base Prospectus (the "**Programme**"), BNP Paribas Home Loan Covered Bonds (the "**Issuer**"), subject to compliance with all relevant laws, regulations and directives, may from time to time issue covered bonds (the "**Covered Bonds**").

The aggregate nominal amount of Covered Bonds outstanding will not at any time exceed € 25,000,000,000 (or its equivalent in other currencies) at the date of issue.

Application has been made to the *Commission de surveillance du secteur financier* (the "**CSSF**") for approval of this Base Prospectus in its capacity as competent authority in Luxembourg under the *loi relative aux prospectus pour valeurs mobilières* dated 10 July 2005 which implements the Directive 2003/71/EC of 4 November 2003 in Luxembourg. Application may be made to the Luxembourg Stock Exchange during a period of twelve (12) months after the date of this Base Prospectus for Covered Bonds issued under the Programme to be listed on the Official List of the Luxembourg Stock Exchange and admitted to trading on the regulated market of the Luxembourg Stock Exchange. The regulated market of the Luxembourg Stock Exchange is a regulated market for the purposes of the Directive 2004/39/EC of 21 April 2004 (each such market being a "**Regulated Market**"). Covered Bonds issued under the Programme may also be unlisted or listed and admitted to trading on any other market, including any other Regulated Market in any Member State of the European Economic Area ("**EEA**"). The relevant final terms (a form of which is contained herein) in respect of the issue of any Covered Bonds (the "**Final Terms**") will specify whether or not such Covered Bonds will be listed and admitted to trading on any market and, if so, the relevant market.

Covered Bonds may be issued either in dematerialised form ("**Dematerialised Covered Bonds**") or in materialised form ("**Materialised Covered Bonds**") as more fully described herein.

Dematerialised Covered Bonds will at all times be in book entry form in compliance with articles L. 211-3 *et seq.* of the French Monetary and Financial Code (*Code monétaire et financier*). No physical documents of title will be issued in respect of the Dematerialised Covered Bonds.

Dematerialised Covered Bonds may, at the option of the Issuer, be (i) in bearer form (*au porteur*) inscribed as from the issue date in the books of Euroclear France (acting as central depository) which shall credit the accounts of the Account Holders (as defined in "Terms and Conditions of the Covered Bonds - Form, Denomination, Title and Redenomination") including Euroclear Bank S.A./N.V. ("**Euroclear**") and the depository bank for Clearstream Banking, *société anonyme* ("**Clearstream, Luxembourg**"), or (ii) in registered form (*au nominatif*) and, in such latter case, at the option of the relevant Bondholder (as defined in "Terms and Conditions of the Covered Bonds - Form, Denomination, Title and Redenomination"), in either fully registered form (*au nominatif pur*), in which case they will be inscribed in an account maintained by the Issuer or by a registration agent (appointed in the relevant Final Terms) for the Issuer, or in administered registered form (*au nominatif administré*) in which case they will be inscribed in the accounts of the Account Holders designated by the relevant Bondholder.

Materialised Covered Bonds will be in bearer materialised form only and may only be issued outside France. A temporary global certificate in bearer form without interest coupons attached (a "**Temporary Global Certificate**") will initially be issued in relation to Materialised Covered Bonds. Such Temporary Global Certificate will subsequently be exchanged for definitive Materialised Covered Bonds with, where applicable, coupons for interest or talons attached (the "**Definitive Materialised Covered Bonds**"), on or after a date expected to be on or about the fortieth (40th) day after the issue date of the Covered Bonds (subject to postponement as described in "Temporary Global Certificate in respect of Materialised Covered Bonds") upon certification as to non-US beneficial ownership as more fully described herein. Temporary Global Certificates will (a) in the case of a Tranche (as defined in "Terms and Conditions of the Covered Bonds") intended to be cleared through Euroclear and/or Clearstream, Luxembourg, be deposited on the issue date with a common depository for Euroclear and Clearstream, Luxembourg, and (b) in the case of a Tranche intended to be cleared through a clearing system other than or in addition to Euroclear and/or Clearstream, Luxembourg or delivered outside a clearing system, be deposited as agreed between the Issuer and the Relevant Dealer(s) (as defined below). In the case of a Tranche which is not intended to be cleared through Euroclear and/or Clearstream, Luxembourg, the Covered Bonds of such Tranche cannot be listed on the Official List of the Luxembourg Stock Exchange and traded on the Regulated Market of the Luxembourg Stock Exchange.

Covered Bonds issued under the Programme are expected on issue to be rated Aaa by Moody's Investors Service, AAA by Standard & Poor's Ratings Services and AAA by Fitch Ratings. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change or withdrawal at any time by the assigning rating agency.

However, there is no assurance that the Stabilising Manager(s) (or persons acting on behalf of a Stabilising Manager) will undertake stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the final terms of the offer of the relevant Tranche is made and, if begun, may be ended at any time, but it must end no later than the earlier of thirty (30) days after the issue date of the relevant Tranche and sixty (60) days after the date of the allotment of the relevant Tranche. Any stabilisation action or over-allotment shall be conducted in accordance with all applicable laws and rules.

None of the Dealer or the Issuer makes any representation to any prospective investor on the Covered Bonds regarding the legality of its investment under any applicable laws. Any prospective investor in the Covered Bonds should be able to bear the economic risk of an investment in the Covered Bonds for an indefinite period of time.

2. THE BORROWER FACILITY AGREEMENT AND THE BORROWER COLLATERAL SECURITY

- The Borrower facility Agreement:** The proceeds from the issuance of the Covered Bonds under the Programme will be used by BNP Paribas Home Loan Covered Bonds, as lender (in such capacity, the "**Lender**") to fund advances (each a "**Borrower Advance**") to be made available to BNP Paribas, as borrower (in such capacity, the "**Borrower**") under a multicurrency term facility agreement (the "**Borrower Facility**").
- The Borrower Facility shall be made available to the Borrower in an aggregate maximum amount equal to € 25,000,000,000 for the purpose of financing the general financial needs of the Borrower and, in particular, any Affiliate Advance (as described in "**The Affiliates, the Affiliate Facility Agreements and the Affiliate Collateral Security**") under any Affiliate Facility Agreement (as described in "**The Affiliates, the Affiliate Facility Agreements and the Affiliate Collateral Security**").
- The terms and conditions regarding the calculation and the payment of principal and interest under a Borrower Advance shall mirror the equivalent terms and conditions of the corresponding Final Terms of Covered Bonds, it being provided that, as a principle, the interest to be paid by the Borrower under a Borrower Advance shall be the financing costs of the Lender under the Covered Bonds funding such Borrower Advance. Any amounts repaid or prepaid under any Borrower Advance shall not be re-borrowed.
- Upon the occurrence of a Borrower Event of Default (as defined in section "The Borrower and the Borrower Facility Agreement" – "The Borrower Facility Agreement"), the Administrator shall, by written notice

(such notice to constitute a *mise en demeure*) to the Borrower (with a copy to the Rating Agencies), (i) declare that no more Borrower Advances shall be made under the Borrower Facility, (ii) declare that the Borrower Facility shall be cancelled, and (iii) declare that the Borrower Advances shall immediately become due and payable and enforce its rights under the Security Documents (a "**Borrower Enforcement Notice**").

Under the Borrower Facility Agreement and subject to customary legal limitation under French law, the Borrower, as guarantor (in such capacity, the "**Guarantor**") irrevocably and unconditionally, (i) jointly and severally guarantees (*caution solidaire*) to the Lender the due and punctual observance and performance of the terms, conditions and covenants under each Affiliate Facility Agreement (as described in "**The Affiliates, the Affiliate Facility Agreements and the Affiliate Collateral Security**") on the part of each relevant Affiliate (as described in "**The Affiliates, the Affiliate Facility Agreements and the Affiliate Collateral Security**") of each and any Affiliate under each and any Affiliate Facility Agreement (the "**Guaranteed Liabilities**"), and agrees to pay from time to time on demand of the Administrator any and every sum or sums of money which is at any time payable to the Lender in respect of the Guaranteed Liabilities, and (ii) agrees as a primary obligation to indemnify the Lender from time to time on demand of the Administrator from and against any loss incurred by the Lender as a result of any of the obligations of any Affiliate under or pursuant to the Programme Documents being or becoming void, voidable, unenforceable or ineffective as against such Affiliate for any reason whatsoever, whether or not known to the Lender or any other person, the amount of such loss being the amount which the Lender would otherwise have been entitled to recover from such Affiliate.

(see section "The Borrower and the Borrower Facility Agreement" – "The Borrower Facility Agreement").

The Borrower Collateral Security Agreement:

The Borrower Collateral Security Agreement sets forth the terms and conditions upon which the Borrower shall grant "**Eligible Assets**" as collateral security (*garantie financière*) (the "**Borrower Collateral Security**") for the benefit of the Lender in order to secure, as they become due and payable, the payments of all and any amounts owed by the Borrower under the Borrower Facility, whether present or future and whether in its capacity as "Borrower" or "Guarantor" (the "**Borrower Secured Liabilities**").

For the purposes of the Borrower Collateral Security Agreement, an "Eligible Asset" means any Home Loan Receivable that complies with the "Home Loan Eligibility Criteria", any Substitution Asset and any Affiliate Facility Receivable which is existing and has not been repaid in full (each as further described in "**The Borrower Collateral Security Agreement**").

The Borrower Collateral Security shall be created in accordance with articles L.211-36 *et seq.* (formerly article L.431-7 *et seq.*) of the French Monetary and Financial Code (*Code monétaire et financier*). The Borrower Collateral Security shall not entail any transfer of title with respect to the relevant Eligible Assets until enforcement.

The Borrower shall perform the servicing of the Borrower Collateral Security Assets (as defined in "The Borrower Collateral Security Agreement") in accordance with applicable laws and its customary servicing procedures (the "**Servicing Procedures**"), using the degree of skill, care and attention as for the servicing of its assets for its own account, without interfering with the Issuer's material rights under the

Borrower Collateral Security Agreement.

(see section "The Borrower Collateral Security" – "The Borrower Collateral Security Agreement").

The Cash Collateral Agreement:

The Cash Collateral Agreement sets forth the terms and conditions upon which BNP Paribas, as Cash Collateral Provider, shall fund certain amounts as cash collateral (*gage espèces*) (each, a "**Cash Collateral**") into a Cash Collateral Account so as to secure as they become due and payable the payments of all and any amounts owed by the Borrower under the Borrower Facility, whether present or future and whether in its capacity as "Borrower" or "Guarantor" (the "**Borrower Secured Liabilities**").

The Cash Collateral Provider shall be requested to fund the Cash Collateral Account with the relevant Cash Collateral and up to the required amount upon non compliance by the Borrower of certain pre-maturity ratings levels following the occurrence date of such non-compliance and during a certain pre-maturity test period (as further described in "**Asset Monitoring – The Pre-Maturity Test**").

Failure by the Cash Collateral Provider to fund the Cash Collateral Account with the relevant Cash Collateral and up to the required amount within the required period following any non-compliance with the relevant pre-maturity ratings levels and on any relevant test date following such non-compliance shall constitute a "**Breach of Pre-Maturity Test**" under the Cash Collateral Agreement. This breach shall in turn result in the occurrence of a "**Borrower Event of Default**" under the Borrower Facility Agreement.

(see section "The Borrower Collateral Security" – "The Cash Collateral Agreement").

3. THE AFFILIATES, THE AFFILIATE FACILITY AGREEMENTS AND THE AFFILIATE COLLATERAL SECURITY

The Affiliates:

Any Affiliate of the Borrower may access the Programme subject to the satisfaction of the conditions described in section "**The Affiliates, the Affiliate Facility Agreements and the Affiliate Collateral Security**".

The Affiliate Facility Agreements:

Prior to its accession to the Programme, each relevant Affiliate enters into an Affiliate Facility agreement (each, an "**Affiliate Facility Agreement**") with BNP Paribas, as "Affiliate Lender" (the "**Affiliate Lender**") in order to determine the terms and conditions according to which the Affiliate Lender shall grant such Affiliate with advances under an Affiliate Facility (each, an "**Affiliate Advance**").

The Affiliate Lender will fund each Affiliate advance to be made available to the relevant Affiliate with the proceeds of a corresponding Borrower Advance made available under the Borrower Facility.

The terms and conditions of an Affiliate Advance may not mirror those of the Borrower Advance funding such Affiliate Advance. Any amounts repaid or prepaid under any Affiliate Advance shall not be re-borrowed.

Upon the occurrence of an Affiliate Event of Default (as defined in section "The Affiliates, the Affiliate Facility Agreements and the Affiliate Collateral Security" – "The Affiliate Facility Agreements"), the

Affiliate Lender may, by written notice (such notice to constitute a *mise en demeure*) to the relevant Affiliate, (i) declare that no more Affiliate Advances shall be made under the relevant Affiliate Facility, (ii) declare that the relevant Affiliate Facility shall be cancelled, and (iii) declare that the relevant Affiliate Advances shall immediately become due and payable and enforce its rights under the relevant Affiliate Collateral Security Agreement (an "**Affiliate Enforcement Notice**").

Any Affiliate Facility will be accelerated upon the occurrence of a Borrower Event of Default.

Under each Affiliate Facility Agreement, subject to customary legal limitations under French law and up to the maximum amount that may be owed by each Affiliate under the relevant Affiliate Facility Agreement, each Affiliate, as guarantor (in such capacity, the "**Affiliate Guarantor**") irrevocably and unconditionally and jointly and severally:

- (i) guarantees to the Lender the due and punctual observance and performance of the terms, conditions and covenants under the Borrower Facility Agreement (as described in "The Borrower and the Borrower Facility Agreement") on the part of the Borrower under the Borrower Facility Agreement (as defined herein), including the payment of all present and future payment obligations (whether actual or contingent and whether owed jointly or severally or in any other capacity whatsoever), and agrees to pay from time to time on demand of the Administrator any and every sum or sums of money which is at any time payable to the Lender in respect of the Borrower Facility Agreement; and
- (ii) agrees as a primary obligation to indemnify the Lender from time to time on demand of the Administrator from and against any loss incurred by the Lender as a result of any of the obligations of the Borrower under or pursuant to the Programme Documents being or becoming void, voidable, unenforceable or ineffective as against the Borrower for any reason whatsoever, whether or not known to the Lender or any other person, the amount of such loss being the amount which the Lender would otherwise have been entitled to recover from the Borrower.

(see section "The Affiliates, the Affiliate Facility Agreements and the Affiliate Collateral Security" – "The Affiliate Facility Agreements").

Affiliates not incorporated in France:

Variations to the above described terms of any Affiliate Facility Agreement may be agreed between the Affiliate Lender and any Affiliate not incorporated in France if required under the law of the jurisdiction where the relevant Affiliate is incorporated or the law governing the Home Loans and/or the Affiliate Collateral Security. Other variations to the above described terms of any Affiliate Facility Agreement can only be agreed subject to prior Rating Affirmation.

The Affiliate Collateral Security Agreements:

Each Affiliate Collateral Security Agreement sets forth the terms and conditions upon which the relevant Affiliate shall grant "Eligible Assets" as collateral security (*garantie financière*) (the "**Affiliate Collateral Security**") for the benefit of the Affiliate Lender so as to secure as they become due and payable the payments of all and any amounts owed by the Affiliate under the relevant Affiliate Facility, whether present or future and whether in its capacity as "Affiliate" or "Affiliate Guarantor" (the "**Affiliate Secured Liabilities**").

For the purposes of each Affiliate Collateral Security Agreement, an "**Eligible Asset**" means any Home Loans receivables that comply to the "Home Loans Eligibility Criteria" and any Substitution Asset.

The creation and perfection of each Affiliate Collateral Security with respect to each Affiliate which is incorporated in France shall be created and perfected subject to the same requirements as that applicable to the creation and perfection of the Borrower Collateral Security.

Each Affiliate shall perform the servicing of the Affiliate Collateral Security Assets (as defined in section "The Affiliates, the Affiliate Facility Agreements and the Affiliate Collateral Security" – "The Affiliate Collateral Security Agreements") in accordance with applicable laws, its customary servicing procedures, using the degree of skill, care and attention as for the servicing of its assets for its own account.

(see section "The Affiliates, the Affiliate Facility Agreements and the Affiliate Collateral Security" – "The Affiliate Collateral Security Agreements").

4. **ASSET MONITORING**

Asset Cover Test:

Under the Borrower Collateral Security Agreement and for so long as no Borrower Event of Default has occurred and been enforced subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement, the Borrower shall monitor the Borrower Collateral Security Assets and cause each Affiliate to monitor the relevant Affiliate Collateral Security Assets so as to ensure compliance with an asset cover test (the "**Asset Cover Test**").

For so long as Covered Bonds remain outstanding, non compliance with the Asset Cover Test would result from the Asset Cover Test Ratio (as specified in section "**Asset Monitoring**" – "**The Asset Cover Test**"), being less than 1. A non compliance with the Asset Cover Test will not constitute an Issuer Event of Default or a Borrower Event of Default. However, it will prevent the Issuer from issuing any further Covered Bonds as long as it remains unremedied.

The failure by the Borrower to cure a non compliance with the Asset Cover Test occurred on any Asset Cover Test Date prior to the next following Asset Cover Test Date (as defined in section "Asset Monitoring" – "The Asset Cover Test") shall constitute a "**Breach of Asset Cover Test**" within the meaning of the Borrower Collateral Security Agreement.

A Breach of Asset Cover Test will result in a Borrower Event of Default within the meaning of, and subject to, the relevant terms of the Borrower Facility Agreement. A Breach of Asset Cover Test will not constitute an Issuer Event of Default but will prevent the Issuer from issuing any further Covered Bonds.

(see section "Asset Monitoring" – "The Asset Cover Test").

Pre-Maturity Test:

Under the Cash Collateral Agreement and for so long as no Borrower Event of Default has occurred and been enforced subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement, the Borrower shall fund the Cash Collateral Account up to an amount sufficient so as to ensure compliance with a pre-maturity test (the "**Pre-Maturity Test**").

For each Series of Covered Bonds and for so long as Covered Bonds of such Series remain outstanding, during the period starting from, and including, the one hundred and eightieth (180th) Business Day preceding the Final Maturity Date of such Series of Covered Bonds and ending on, and excluding, such Final Maturity Date, and upon the downgrading of the Borrower below any of the Pre-Maturity Ratings Required Levels (see section "Asset Monitoring" – "The Pre-Maturity Test"), the Cash Collateral Provider shall fund the Cash Collateral Account up to an amount determined in accordance with the relevant provisions of the Cash Collateral Agreement.

The failure by the Cash Collateral Provider to fund into the Cash Collateral Account the relevant amount shall constitute a "**Breach of Pre-Maturity Test**" within the meaning of the Cash Collateral Agreement.

A Breach of Pre-Maturity Test will result in a Borrower Event of Default within the meaning of, and subject to, the relevant terms of the Borrower Facility Agreement. A Breach of Pre-Maturity Test will not constitute an Issuer Event of Default.

(see section "Asset Monitoring" – "The Pre-Maturity Test").

Amortisation Test:

For so long as Covered Bonds remain outstanding and following the enforcement of a Borrower Event of Default subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement, the Issuer shall ensure compliance with an amortisation test (the "**Amortisation Test**").

For so long as Covered Bonds remain outstanding, non compliance with the Amortisation Test would result from the Amortisation Ratio (as specified in section "**Asset Monitoring**" – "**The Amortisation Test**") being less than 1.

A non compliance with the Amortisation Test will constitute an Issuer Event of Default.

(see section "Asset Monitoring" – "The Amortisation Test").

5. GENERAL INFORMATION

General Information:

Copies of this Base Prospectus and various other documents are available free of charge during usual business hours on any weekday (Saturdays, Sundays and public holidays excepted) from the registered office of the Issuer and at the specified office of the Paying Agent(s).

RISK FACTORS

The Issuer believes that the following factors may affect its ability to fulfil its obligations under Covered Bonds issued under the Programme. Most of these factors are contingencies which may or may not occur and the Issuer is not in a position to express a view on the likelihood of any such contingency occurring.

In addition, factors which are material for the purpose of assessing the market risks associated with Covered Bonds issued under the Programme are also described below.

The Issuer believes that the factors described below represent the principal risks inherent in investing in Covered Bonds issued under the Programme. However, the Issuer does not represent that the statements below regarding the risks of holding any Covered Bonds are exhaustive. Investors must be aware that the list of factors set out below is not intended to be exhaustive and that other risks and uncertainties which, on the date of this Base Prospectus, are not known of by the Issuer, or are considered non-relevant, may have a significant impact on the Issuer, its activity, its financial condition or the Covered Bonds. Prospective investors should also read the detailed information set out elsewhere in this Base Prospectus and make their own opinion about risk factors prior to making any investment decision. Investors should in particular conduct their own analysis and evaluation of risks relating to the Issuer, its financial condition and the issued Covered Bonds and consult their own financial or legal advisers about risks associated with investment in a particular Series of Covered Bonds and the suitability of investing in the Covered Bonds in light of their particular circumstances.

The Issuer considers that the Covered Bonds shall only be purchased by investors which are (or are advised by) financial institutions or other professional investors who have sufficient knowledge and experience necessary to appropriately evaluate the risks involved by the Covered Bonds.

Words and expressions defined elsewhere in this Base Prospectus shall have the same meaning in the below risk factors description.

Risks related to the Issuer

Issuer's sole liability under the Covered Bonds

The Issuer is the only entity which has obligations to pay principal and interest in respect of the Covered Bonds. The Covered Bonds will not be obligations or responsibilities of any other entity, including (but not limited to) BNP Paribas (in any capacity but in particular in its capacity as Borrower, Administrator, Issuer Calculation Agent or Cash Collateral Provider), the Dealers, the Representative, the Paying Agents, the Affiliates (if any), the Asset Monitor, the Issuer Security Agent, any participant to the Hedging Strategy (as applicable) or any company in the same group of companies as any of them, or the shareholders or directors or agents of any company in the same group of companies as any of them.

Upon enforcement of the rights of the Issuer under the Issuer Receivables Pledge Agreement following an Issuer Event of Default, direct payment to an account to be opened with the Issuer Security Agent, acting on behalf of the Bondholders, of sums due under the outstanding Borrower Debt will be requested from the Borrower (see "The Issuer Security – The Issuer receivables Pledge Agreement").

Reliance of the Issuer on third parties

The Issuer has entered into agreements with a number of third parties, which have agreed to perform services for the Issuer. In particular, but without limitation:

- the Administrator has been appointed in particular to provide the Issuer with all necessary advice and assistance and know-how, whether technical or other, including in connection with the day to day management and corporate administration of the Issuer and to ensure that the Issuer will exercise each of its rights and perform each of its obligations under the Programme Documents,
- the Issuer Calculation Agent has been appointed to make calculations as provided under the Programme Documents and in particular to make the calculations in relation to the Asset Cover Test, the Pre-Maturity Test and the Amortisation Test.

In the event that the Administrator, the Issuer Calculation Agent or any other relevant party providing services to the Issuer under the Programme Documents fails to perform its obligations under the relevant

agreement(s) to which it is a party, the ability of the Issuer to make payments under the Covered Bonds may be affected. For instance, if the Borrower has failed to adequately administer the Borrower Collateral Security Assets and/or the Borrower Collateral Security, this may lead to undermined value of the Borrower Collateral Security or any part thereof, and in turn, the ability of the Issuer to make payments under the Covered Bonds may be affected. Under the Hedging Strategy, the Issuer is also reliant on BNP Paribas (only until a Borrower Event of Default) and/or any relevant Eligible Hedging Provider(s) to provide it with the funds matching its obligations under the Covered Bonds (see the "Hedging Strategy").

However, the Programme Documents provide for the ability of the Issuer under certain circumstances to terminate the appointment of any relevant third party which would be defaulting in performing their obligations under the relevant Programme Documents.

Substitution risk

In the event of a downgrading of the short-term and/or long-term debt of one (1) or more parties to the Programme Documents (such as the Eligible Hedging Providers, the Issuer Calculation Agent, the Cash Collateral Provider, the Administrator or the Issuer Accounts Bank) or under certain circumstances described in the Programme Documents, leading to the substitution of one (1) or more of these parties pursuant to the terms of the Programme Documents, no assurance can be given that a substitute entity will be found.

In particular, if a downgrading of the long-term debt of the Administrator or another Administrator Termination Event occurs pursuant to the terms of the Administrative Agreement, then the Issuer will be entitled to terminate the appointment of the Administrator and appoint a new administrator in its place. There can be no assurance that a substitute administrator with sufficient experience would be found who would be willing and able to service the same on the terms of the Administrative Agreement. In particular, upon the occurrence of any Borrower Event of Default and the subsequent enforcement of the Borrower Collateral Security and the transfer to the Issuer of the Borrower Collateral Security Assets, there can be no assurance that a substitute administrator with sufficient experience of servicing such transferred Borrower Collateral Security Assets would be found who would be willing and able to service the same on the terms of the Administrative Agreement. The ability of a substitute Administrator to perform fully the required services would depend, amongst other things, on the information, software and records available at the time of the appointment. Any delay or inability to appoint a substitute Administrator may affect the realisable value of the Issuer Security or any part thereof, and/or the ability of the Issuer to make payments under the Covered Bonds. No Administrator has (nor will have, as applicable) any obligation itself to advance payments that the Borrower fails to make in a timely manner. Neither the Representative nor the Issuer Security Agent is obliged in any circumstances to act as an Administrator or to monitor the performance by any Administrator of its obligations.

Certain conflicts of interest

Conflicts of interest may arise during the life of the Programme as a result of various factors involving certain Transaction Parties. For example, such potential conflicts may arise because BNP Paribas acts in several capacities under the Programme Documents provided that its rights and obligations under the Programme Documents are not contractually conflicting and are independent from one another. Also during the course of their business activities, the Programme Parties and/or any respective affiliates may operate, service, acquire or sell properties, or finance loans secured by properties, which are in the same markets as the Home Loans. In such cases, the interest of any of those parties or their affiliates or the interest of other parties for whom they perform servicing functions may differ from, and compete with, the interest of the Issuer or of the holders of the Covered Bonds.

Insolvency and examinership laws in France could limit the ability of the Bondholders to enforce their rights under the Covered Bonds

As the Issuer is incorporated in France and, consequently, it will be subject to French laws and proceedings affecting creditors, including article 1244-1 of the French Civil Code (*Code civil*), conciliation proceeding (*procédure de conciliation*), safeguard proceeding (*procédure de sauvegarde*) and judicial reorganisation or liquidation proceeding (*redressement or liquidation judiciaire*). In general, French reorganisation or liquidation legislation favours the continuation of a business and protection of employment over the payment of creditors.

The French Monetary and Financial Code (*Code monétaire et financier*) contains specific provisions applicable in case of the opening of an insolvency proceeding of a credit institution (*établissement de crédit*). In particular, articles L. 613-25 *et seq.* of the French Monetary and Financial Code (*Code monétaire et financier*) specify the conditions of opening of an insolvency proceeding against a credit institution (*établissement de crédit*) (prior information and opinion of the banking authority (*Commission bancaire*), specific concept of suspension of payment (*cessation des paiements*), etc) and some specific rules of liquidation of a credit institution (*établissement de crédit*).

All such provisions apply to the Issuer but also to each party under the Programme that is regulated as a financial institution.

However, the Issuer is a special purpose entity, with exclusive and limited purpose and a credit institution (*établissement de crédit*) licensed as a "*société financière*" and is intended to be a ring-fenced entity that will be unaffected by the insolvency of the Group, in particular by including limited recourse and non-petition wording in the relevant Programme Documents.

Limited resources available to the Issuer

In the absence of any Borrower Event of Default, the Issuer's ability to meet its obligations under the Covered Bonds will depend on the amount of scheduled principal and interest paid by the Borrower and the timing thereof and/or, as applicable, the amounts received under any hedging agreement concluded in accordance with the Hedging Strategy and/or the revenue proceeds generated by Permitted Investments.

Pursuant to the Cash Collateral Agreement, the Issuer will also benefit from the Cash Collateral to be provided by the Cash Collateral Provider under some circumstances.

Upon the occurrence of a Borrower Event of Default which is continuing and enforcement of the Borrower Collateral Security granted by the Borrower, and without prejudice to any other unsecured recourse the Issuer may have against the Borrower under the Borrower Debt, the Issuer's ability to meet its obligations under all the Covered Bonds will depend on the revenue proceeds from the Borrower Collateral Security granted by the Borrower which would have been enforced in favour of the Issuer (meaning the amount of principal and interest paid directly to the Issuer by the relevant debtors under the Home Loans which would have been transferred to the Issuer upon enforcement of such Borrower Collateral Security or the price or value of such Home Loans and related Home Loan Security upon the sale or refinancing thereof by the Issuer) and/or, as applicable the amounts received under any hedging agreement concluded in accordance with the Hedging Strategy, and/or the revenue proceeds generated by Permitted Investments, and/or the amount of the Cash Collateral provided by the Cash Collateral Provider under the Cash Collateral Agreement, and/or the available amount under the Share Capital Proceeds Account.

The Issuer will not have any source of funds available to meet its obligations under the Covered Bonds other than the recourse the Issuer has against the Borrower under the Borrower Debt until such Borrower Debt is repaid in full.

The occurrence for whatever reason of an Issuer Event of Default will not automatically trigger the cross occurrence of a Borrower Event of Default, and the Issuer (or, upon enforcement of the Issuer Collateral Security, the holders of the Covered Bonds or the Issuer Security Agent acting on their behalf) will then not be able to accelerate amounts of principal and/or interest which would have accrued under the Issuer Security Assets or enforce the Borrower Collateral Security securing the repayment of such Issuer Security Assets in order to cure such Issuer Event of Default if no Borrower Event of Default as such has occurred and is continuing. Therefore, notwithstanding the occurrence of such an Issuer Event of Default while no Borrower Event of Default shall have occurred, the Issuer's ability to meet its obligations under the Covered Bonds will only and still depend on the amount of scheduled principal and interest paid by the Borrower under the Issuer Security Assets and the timing thereof and/or, as applicable, the amounts received under any hedging agreement concluded in accordance with the Hedging Strategy and/or the revenue proceeds generated by Permitted Investments and/or the Cash Collateral and/or the available amount under the Share Capital Proceeds Account.

If an Issuer Enforcement Notice is served following the occurrence of an Issuer Event of Default and the Issuer Security is enforced, the proceeds from such enforcement may not be sufficient to meet the claims of all the holders of the Covered Bonds. If, following enforcement of the Issuer Collateral Security, the holders of the Covered Bonds have not received the full amount due to them pursuant to the terms of the

Programme Documents, then they may still have an unsecured claim against the Issuer for the shortfall. There is no guarantee that the Issuer will have sufficient funds to pay that shortfall.

Holders of the Covered Bonds should note however that the credit enhancement features provided for under the Programme Documents (Cash Collateral, Asset Cover Test, etc.) have been structured to ensure that the risk of there ever being a shortfall be remote. However there is no assurance that there will not be a shortfall.

Restrictions on recourse and enforcement

Recourse against the Issuer is restricted by the then applicable Priority Payment Order and amounts payable by the Issuer shall be recoverable only from and to the extent of the amount of the Available Funds. No enforcement action under the Covered Bonds may be taken prior to the date which is eighteen (18) months and one (1) day after the earlier of (i) the Final Maturity Date of the last Series issued by the Issuer under the Programme, or (ii) the date of payment of any sums outstanding and owing under the latest outstanding Covered Bond.

Permitted Investments

Any available funds standing to the credit of the Issuer Accounts (prior to their allocation and distribution) shall be invested by the Administrator in Permitted Investments. The value of the Permitted Investments may fluctuate depending on the financial markets and the Issuer may be exposed to a credit risk in relation to the issuers of such Permitted Investments. None of the Arranger, the Issuer, the Administrator or any other party to the Programme Documents guarantees the market value of the Permitted Investments. None of them shall be liable if the market value of any of the Permitted Investments fluctuates and decreases.

Risks related to the Borrower

Borrower's ability to pay under the Borrower Debt

Neither the Issuer nor any other party to the Programme Documents (other than, upon certain circumstances, the Cash Collateral Provider and the Affiliates (if any)) does guarantee or warrant full and timely payment by the Borrower of any sums of principal or interest payable under the Borrower Debt, being part of the Issuer Security Assets.

In addition, should the Borrower be subjected to any applicable insolvency proceedings (including, the procedures of safeguard, moratorium, suspension of payments, controlled management, liquidation or similar insolvency proceedings), this would impair the ability of the Issuer to claim against such Borrower for obtaining timely payment of amounts of principal and interest due and payable under the Borrower Debt and the Issuer will not be entitled to accelerate the payment of such amounts.

However, the ability of the Issuer to use the funds made available to it by the Cash Collateral Provider under the relevant Cash Collateral or the ability of the Issuer (or of the Issuer Security Agent acting on its behalf) to enforce the Borrower Collateral Security granted by the Borrower (and then the ability of the Issuer to be transferred full title to (i) the Home Loans and the related Home Loan Security, (ii) the Affiliate Debt (together with the relevant Affiliate Collateral Security granted by the relevant Affiliate), and (iii) any Substitution Assets, granted as Borrower Collateral Security by such Borrower) will not be affected by the opening of an insolvency proceedings against the Borrower.

Risks related to the Affiliates

Affiliates' ability to pay under the Affiliate Debt

Neither the Issuer nor any other party to the Programme Documents (other than, upon certain circumstances, the Cash Collateral Provider, the Borrower and the other Affiliates (if any)) does guarantee or warrant full and timely payment by any Affiliate of any sums of principal or interest payable under the Affiliate Debt, being part of the Borrower Collateral Security Assets securing the Borrower Debt (itself being part of the Borrower Collateral Security Assets).

In addition, should an Affiliate be subjected to any applicable insolvency proceedings (including, the procedures of safeguard, moratorium, suspension of payments, controlled management, liquidation or

similar insolvency proceedings), this would suspend the ability of the Issuer to claim against such Affiliate for obtaining timely payment of amounts of principal and interest due and payable under the Affiliate Debt transferred to the Issuer upon enforcement of the Borrower Collateral Security, and the Issuer will not be entitled to accelerate the payment of such amounts.

However, the ability of the Issuer to use the funds made available to it by the Cash Collateral Provider under the relevant Cash Collateral or the ability of the Issuer (or of the Issuer Security Agent acting on its behalf) to enforce the Affiliate Collateral Security granted by any Affiliate (and then the ability of the Issuer to be transferred full title to the Home Loans and the related Home Loan Security) will not be affected by the opening of an insolvency proceedings against such Affiliate.

Accession of new entities of the Group as Affiliates

New entities may accede to the Programme as Affiliates by concluding with the Borrower an Affiliate Facility Agreement and an Affiliate Collateral Security Agreement, and hence generally increase the risks of the holders of the Covered Bonds under the Programme.

However, this would only be permitted if such entities are within the Group, upon prior Rating Affirmation, and if the other conditions precedent relating to Affiliates acceding to the Programme are met in accordance with the Programme Documents.

Risks related to the Borrower Collateral Security and Affiliate Collateral Security

No interpretation by French courts of rules applicable to Borrower Collateral Security and Affiliate Collateral Security

The Home Loans, related Home Loan Security and, if any, the Affiliate Debt which will be granted as Borrower Collateral Security in favour of the Issuer for the repayment of the Borrower Debt extended by the Issuer and the Home Loans and related Home Loan Security which will be granted as Affiliate Collateral Security in favour of the Borrower for the repayment of the Affiliate Debt extended by the Issuer will be granted in accordance with the recent applicable rules of French law implementing the Directive 2002/47/EC of the European Parliament and of the Council of 6 June 2002 on financial collateral arrangements.

Although such rules of French law are in full force and effect as of the date of this Base Prospectus, holders of the Covered Bonds should note that French courts have not yet had the opportunity to interpret such rules.

No prior notification to debtors under the Home Loans granted as Borrower Collateral Security or as Affiliate Collateral Security

Each Affiliate Collateral Security Agreement (in any) and the Borrower Collateral Security Agreement will provide that the relevant Home Loans and Home Loan Security will be granted as collateral security without notification or information of the underlying debtors of such Home Loans. Such debtors will only be notified if and when the relevant collateral security is enforced following a Borrower Event of Default which is continuing and then title to the relevant Home Loans and related Home Loan Security has been transferred to the Issuer. Notification of such debtors will only be effected once following such Borrower Event of Default, the relevant collateral security has been enforced. As long as no such notification has taken place, any payments made by any debtor under the relevant Home Loans will continue to be validly made by such debtors to the relevant Affiliate or to the Borrower, as applicable, even though title to such Home Loans would have been validly transferred to the Issuer upon enforcement of the relevant collateral security.

There is no guarantee that the notification to the debtors under the relevant Home Loans will be made at the times required and there can be no guarantee or assurance as to the ability of the Issuer to obtain effective direct payment from the debtors under the relevant Home Loans in a sufficient timely manner, which may affect payments under the Covered Bonds. In this situation, a shortfall in distributions of interest to Bondholders may result. However, the Hedging Agreement concluded in accordance with the Hedging Strategy is designed to cover limited amounts of interest on the related series of Covered Bonds for a limited period of time in this situation.

Until notification to the debtors has been made and provided that, at such time, insolvency proceedings have been opened against the Borrower, a statutory stay of execution under mandatory rules of French insolvency law will prevent the Issuer from taking recourse against the Borrower for repayment of collections received by the Borrower under the relevant Home Loans which are commingled with other funds of the Borrower.

However, this commingling risk is mitigated by the obligation of the Borrower to grant cash as Borrower Collateral Security to cover such risk upon downgrading of the Borrower credit rating below A-1 (short term) by S&P or F-1 (Fitch) or P-1 (Moody's) (or any other credit rating trigger which may be agreed with the Rating Agencies after the date hereof) (see "The Borrower Collateral Security – The Borrower Collateral Security Agreement – Collection Loss Trigger Event").

Set-off by debtors

Notwithstanding the transfer to the Issuer of the relevant Home Loans and related Home Loan Security upon the occurrence of a Borrower Event of Default which is continuing, the debtors under the relevant Home Loans may be entitled, under restrictive conditions, to set off the relevant Home Loans receivable against a claim they may have vis-à-vis the relevant Borrower or Affiliate (if any). In the absence of contractual arrangements providing for statutory set-off possibilities under the Home Loans (see "The Borrower Collateral Security – The Borrower Collateral Security Agreement – Home Loan Eligibility Criteria") or judicial ordered set-off, only mutuality of claims (*connexité*) may allow a set off by a debtor under a Home Loan. A set off between inter-related debts (*dettes connexes*) is available as of right. Inter-related debts (*dettes connexes*) mainly result from economic inter-relationship. In this latter case, mutuality of claims will be determined on a case by case basis, depending on the factual circumstances then existing. The most likely circumstances where set off would have to be considered are when counterclaims resulting from a current account relationship will allow a debtor to set off such counterclaims against sums due under a Home Loan. In this situation however, French case law stated that there was no mutuality of claims, notwithstanding that the instalment under the home loan was to be paid by way of direct debit from the funds standing to the credit of the relevant current account since the parties did not intend to inter relate their current account relationship and the lending transaction on an economical standpoint.

Maintenance of value of the Borrower Collateral Security or of the Affiliate Collateral Security prior to or following enforcement thereof

If the collateral value of the Home Loans and related Home Loan Security granted as Borrower Collateral Security in favour of the Issuer pursuant to the Borrower Collateral Security Agreement or as Affiliate Collateral Security in favour of the Borrower pursuant to any Affiliate Collateral Security Agreement has not been maintained in accordance with the terms of the Asset Cover Test or the Amortisation Test or the other provisions of the Programme Documents, then that may affect the value of the relevant collateral security or any part thereof (both before and after the occurrence of a Borrower Event of Default) or the price or value of such Home Loans and related Home Loan Security upon the sale or refinancing thereof by the Issuer.

Sale or refinancing of Home Loans and related Home Loan Security by the Issuer following enforcement of the Borrower Collateral Security or of the Affiliate Collateral Security

After title to Home Loans and related Home Loan Security and Substitution Assets has been transferred to the Issuer upon enforcement of the Borrower Collateral Security and of the Affiliate Collateral Security following the occurrence of a Borrower Event of Default which is continuing (the "**Transferred Assets**"), the Administrator (or the Substitute Administrator) acting on behalf of the Issuer has undertaken to sell or refinance such Home Loans, related Home Loan Security and Substitution Assets in order for the Issuer to receive sufficient Available Funds to make payments when due under the relevant Series of Covered Bonds (after taking into account all payments to be made in priority thereto according to the relevant Priority Payment Order and the relevant payment dates and Final Maturity Date under each relevant Series of Covered Bonds).

The Administrator (or the Substitute Administrator) acting on behalf of the Issuer will be obliged to sell or refinance Home Loans, related Home Loan Security and Substitution Assets in accordance with the Administrative Agreement (see "The Issuer – The Administrative Agreement").

The Administrative Agreement provides that the Administrator (or the Substitute Administrator) acting on behalf of the Issuer shall ensure that the Home Loans, related Home Loan Security and Substitution Assets which are proposed for sale or refinancing (the "**Selected Assets**") at any relevant date (the "**SARA Relevant Date**") will be selected on a random basis, provided that (i) no more Selected Assets will be selected than are necessary for the estimated sale or refinancing proceeds to equal the Adjusted Required Redemption Amount, and (ii) the aggregate outstanding principal amount or value (and interest accrued thereon) of such Selected Assets shall not exceed the "**Selected Assets Required Amount (SARA)**", which is calculated as follows:

$$\text{SARA} = \text{Adjusted Required Redemption Amount} * \text{A/B}$$

where:

"**Adjusted Required Redemption Amount**" means an amount equal to the euro equivalent of the outstanding principal amount (together with Interest Amount accrued thereon) of the first Series of Covered Bonds maturing after the SARA Relevant Date less amounts standing to the credit of the Issuer Accounts (excluding all amounts to be applied on the first Payment Date following the SARA Relevant Date to repay higher ranking amounts in the relevant Priority Payment Order and those amounts that are required to repay any Series which mature prior to or on the same date as the relevant Series);

"**A**" means the euro equivalent of the aggregate of the outstanding principal amount or value (together with interest accrued thereon) of all Transferred Assets; and

"**B**" means the euro equivalent of the outstanding principal amount (together with Interest Amount accrued thereon) in respect of all Series of Covered Bonds then outstanding.

The Administrator (or the Substitute Administrator) acting on behalf of the Issuer will offer the Selected Assets for sale to potential buyers for the best price reasonably available but in any event for an amount not less than the Adjusted Required Redemption Amount.

If the Selected Assets have not been sold or refinanced (in whole or in part) in an amount equal to the Adjusted Required Redemption Amount by the date which is six (6) months prior to the Final Maturity Date of the Series of Covered Bonds maturing after the SARA Relevant Date (after taking into account all payments, provisions and credits to be made in priority thereto), then the Administrator (or the Substitute Administrator) acting on behalf of the Issuer will (i) offer the Selected Assets for sale for the best price reasonably available or (ii) seek to refinance the Selected Assets on the best terms reasonably available, notwithstanding that such amount may be less than the Adjusted Required Redemption Amount.

For the purpose hereof, the Administrator (or the Substitute Administrator) acting on behalf of the Issuer may through a tender process appoint a portfolio manager of recognised standing on a basis intended to incite the portfolio manager to achieve the best price for the sale or refinancing of the relevant Home Loans, related Home Loan Security and the relevant Substitution Assets (if such terms are commercially available in the market) and to advise it in relation to the sale or refinancing of the same to potential buyers.

In respect of any sale or refinancing of the Selected Assets, the Administrator or (the Substitute Administrator) acting on behalf of the Issuer shall use all reasonable endeavours to procure that the same are sold as quickly as reasonably practicable (in accordance, as the case may be, with the recommendations of the portfolio manager) taking into account the market conditions at that time.

There is no guarantee that a buyer will be found to acquire Home Loans, related Home Loan Security or Substitution Assets at the times required and there can be no guarantee or assurance as to the price which may be able to be obtained, which may affect the ability of the Issuer to make payments when due under the Covered Bonds.

In addition, in respect of any sale or refinancing of Home Loans, related Home Loan Security and Substitution Assets to third parties, the Issuer will not be permitted to give warranties or indemnities in respect of those assets. There is no assurance that representations or warranties previously given by the Borrower or by the relevant Affiliates in respect of such assets pursuant to the terms of the Borrower Collateral Security Agreement and of the relevant Affiliate Collateral Security Agreement may benefit to third party purchaser of such assets upon sale or refinancing thereof by the Issuer. Accordingly, there is a risk that the price or value of such assets upon the sale or refinancing thereof by the Issuer be adversely affected by the lack of representations and warranties which in turn could adversely affect the ability of the Issuer to make payments when due under the relevant Series of Covered Bonds.

Risk related to the Home Loans and related Home Loan Security

Debtors' ability to pay under the Home Loans

The debtors under the Home Loans are individuals having borrowed under the Home Loans in order to finance the acquisition of real estate property.

If following enforcement of the Collateral Security, the Issuer does not receive the full amount due from the debtors in respect of such Home Loans, this may affect the ability of the Issuer to make payments under the Covered Bonds.

The Issuer may therefore be exposed to the occurrence of credit risk in relation to the debtors under the Home Loans.

None of the Borrower, the Affiliates, the Issuer or any other party to the Programme Documents does guarantee or warrant full and timely payment by the debtors under the Home Loans of any sums payable under such Home Loans.

The ability of a debtor under the Home Loans to make timely payment of amounts due under such Home Loans will mainly depend on his assets and his liabilities as well as his ability to generate sufficient income to make payments under the relevant Home Loans. His ability to generate income may be adversely affected by a large number of factors, some of which (i) relate specifically to the debtor himself (including but not limited to his age and health, employment situation, family situation, creditworthiness or expropriation) or (ii) are more general in nature (such as changes in governmental regulations, fiscal policy, etc.).

Furthermore, the debtors under the Home Loans may benefit from the favourable legal and statutory provisions of the French Consumer Code (*Code de la consommation*), pursuant to which any individual may, under certain circumstances, and subject to certain conditions, request and obtain from the competent court a grace period, a reduction of the amount of all and any of its indebtedness and any interest relating thereto and, as the case may be, (pursuant to (i) law no.98-657 dated 29 July 1998, as amended, and (ii) law no.2003-710 dated 1st August 2003) a full or partial extinguishment of its indebtedness against a credit institution.

No independent investigation – representations and warranties

None of the Issuer, the Arranger, the Administrator or any other party to any Programme Document has undertaken or will undertake any investigations, searches or other due diligence regarding the Home Loans, the related Home Loan Security or as to the status and/or the creditworthiness of the debtors under the Home Loans. Each of them has relied solely on the representations and warranties given by the Borrower under the Borrower Collateral Security Agreement and by the relevant Affiliate under the relevant Affiliate Collateral Security Agreement.

If any breach of eligibility criteria relating to any Home Loan is material and (if capable of remedy) is not remedied, the Borrower shall be required under the Borrower Collateral Security Agreement to provide sufficient eligible Homes Loans or Substitution Assets in order to maintain compliance with the Asset Cover Test.

Limited description of the Home Loans

The holders of the Covered Bonds will not receive detailed statistics or information in relation to the Home Loans or to the Borrower Collateral Security Assets, because it is expected that the constitution of the security over the Borrower Collateral Security Assets may constantly change due to, for instance, the Borrower and/or the Affiliates (if any) granting security over additional and/or new Borrower Collateral Security Assets and/or Affiliate Collateral Security Assets or Affiliates acceding to the Programme. However, each Eligible Home Loan and Substitution Asset will be required to meet the applicable eligibility criteria.

Prepayment

The rate of prepayment of Homes Loans is influenced by a wide variety of economic, social and other factors, including prevailing market interest rates, changes in tax laws (including but not limited to amendments to mortgage interest tax deductibility), local and regional economic conditions and changes in

debtor's behaviour (including but not limited to home-owner mobility). No guarantee can be given as to the level of prepayment that the Home Loans may experience, and variation in the rate of prepayments of principal on the Home Loans may affect the ability of the Issuer to realise sufficient funds to make payments under the Covered Bonds upon the service of a Borrower Enforcement Notice and then transfer of title to the Home Loans and Home Loan Security in favour of the Issuer.

Changes to the lending criteria of the Borrower and of the Affiliates

Each of the Home Loans originated by the Borrower or by an Affiliate (if any) will have been originated in accordance with its lending criteria at the time of origination. It is expected that each Borrower's or Affiliate's lending criteria will generally consider type of financed property, term of loan, age of applicant, the loan-to-value ratio, status of applicants and credit history. One (1) of the Home Loans Eligibility Criteria requires that, prior to the date upon which the Home Loan has been made available to the borrower thereof, all scoring, lending criteria and preconditions as applied by the originator of the Home Loan pursuant to its customary lending procedures were satisfied. Each of the Borrower or the relevant Affiliate (if any) retains the right to revise its lending criteria from time to time. If the lending criteria change in a manner that affects the creditworthiness of the Home Loans, that may lead to increased defaults by borrowers thereof and may affect the realisable value of the Borrower Collateral Security Assets, or of the Affiliate Collateral Security Assets, or part thereof, and the ability of the Issuer to make payments under the Covered Bonds upon the service of a Borrower Enforcement Notice and then transfer of title to the Home Loans and Home Loan Security in favour of the Issuer.

Foreclosing on real property granted as security under French law governed Mortgages

The French legal procedures to be followed in relation to the enforcement of French law governed Mortgages and related expenses may affect the Issuer's ability to liquidate the properties secured under such Mortgages efficiently and in a timely manner. An outline of these procedures is set out below. (Specific rules are provided for lender's privileges and mortgages to be registered in the departments of Haut-Rhin, Bas-Rhin and Moselle. However, these specific rules do not substantially change the outline of these procedures set out below.)

Foreclosure on property situated in France by secured creditors (*saisie immobilière*) may require the sale of the property at a public auction (*vente aux enchères*) if the sale cannot be made voluntarily by the debtor (*conversion en vente volontaire* or *à l'amiable*). The foreclosure procedure may take up to one (1) year and a half in normal circumstances. The beneficiary of a lender's privilege or a mortgage will thus rank in respect of the sale proceeds in the order of priority of registration of the privileges and mortgages (*droits de préférence*) encumbering such seized property (article 2458 of the French Civil Code (*Code civil*)). The first step in the foreclosure procedure consists of delivering a foreclosure notice to the debtor by a bailiff or *huissier* (a process server or *commandement de saisie immobilière*). This notice should be filed at the French Land and Charges Registry having jurisdiction in the district where the relevant real property is located. The next step is to instruct a local lawyer (*avocat*) to prepare the terms of the sale of the property at auction, including the reserve price of the relevant real property (such instruction is not mandatory in the departments of Haut-Rhin, Bas-Rhin and Moselle). Finally, a number of legal notices are required to be given prior to the sale. The debtor may file objections against such foreclosure (including the reserve price), the validity of which will be decided by a competent court. If no bid is made at the public auction, and provided there is only one (1) foreclosing creditor, such foreclosing creditor is declared the highest bidder and is thus obliged to purchase the property at a reserve price specified in the terms of the sale. Rules applicable to the *saisie immobilière* procedure have been recently modified by an act (*ordonnance n° 2006-461 réformant la saisie immobilière*) dated 21 April 2006. This new legislation (articles 2190 *et seq.* of the French Civil Code (*Code civil*)) has come into force on 1 January 2007. The purpose of the legislation is to simplify the foreclosure process by encouraging voluntary sales (*ventes à l'amiable*) and to reduce the duration and complexity of the process.

In accordance with article 2461 of the French Civil Code (*Code civil*), secured creditors will continue to benefit from the lender's privilege or mortgage, even if the property is transferred, by the debtor to a third party without the Lenders' consent. This right is known as *droit de suite*. If the secured creditor wishes to exercise this right, an order to pay is required to be served on the debtor by a bailiff and notice is required to be served on the third party to whom the relevant secured property was transferred (*tiers détenteur de l'immeuble hypothéqué*) with a view either to pay the debt secured over the property or to surrender such property at an auction.

The exercise of such *droit de suite* is often paralysed due to an "advanced clearing" of the privileges and mortgages granted over the relevant property (*purge des privilèges et hypothèques*). If the debtor and all secured creditors agree, in accordance with article 2475 of the French Civil Code (*Code civil*), for the sale proceeds to be allocated (*affecté*) to them, the secured creditors exercise their preferential rights (*droits de préférence*) over the sale proceeds, the payment of which will discharge all privileges and mortgages granted over the property (*purge amiable*). And if no agreement is reached (for instance if the sale price of the property is substantially below the amount of the secured debt), the third party will still be entitled to offer to pay the sale price to the secured creditors in order to clear all privileges and mortgages granted over the relevant property (*purge judiciaire*, articles 2478 *et seq.* of the French Civil Code (*Code civil*)). Secured creditors may refuse this offer if they consider that the sale price has been underestimated by the debtor and the third party. In this case, an auction will be ordered with a minimum bid which is the price offered by the relevant third party being made to the secured creditor, plus ten per cent (10%).

Enforcement of Home Loan Guarantees

If following enforcement of the Borrower Collateral Security and of the Affiliate Collateral Security and then transfer of title to the Home Loans and Home Loan Security in favour of the Issuer and then notification of the debtors under such Home Loans and then enforcement of its rights by the Issuer under the relevant Home Loan Guarantees against the guarantor thereunder, such guarantor does not pay in whole or in part any amounts due under the relevant Home Loan Guarantees for whatever reason or does not pay such amounts in a timely manner, this may affect the ability of the Issuer to make payments under the Covered Bonds.

Risks relating to swaps and options derivatives

Interest and currency risks

Each Borrower Advance granted by the Issuer to the benefit of the Borrower under the Borrower Facility Agreement shall be made available in the same Specified Currency and according to the same interest conditions to those applicable to the Covered Bonds funding such Borrower Advance. As a consequence, as long as a Borrower Event of Default has not occurred, the Issuer shall not be exposed to any currency and interest risk regarding the Borrower Debt and the Covered Bonds.

There is no assurance that the Loans being part of the Borrower Collateral Security and of the Affiliate Collateral Security (if any) bear interest in the same conditions as those of the Covered Bonds and are denominated in the same currency as those of the Covered Bonds. Upon the occurrence of a Borrower Event of Default and the enforcement of the Borrower Collateral Security and the Affiliate Collateral Security (if any), Home Loans and related Home Loans Security will be transferred to the Issuer. In this case, in order to hedge the potential mismatch of the interest rates applicable to the Covered Bonds and to the Home Loans and the potential mismatch of currencies, the Issuer shall apply the Hedging Strategy as from the occurrence of the Hedging Rating Trigger Event. However, there can be no assurance that the Hedging Strategy will adequately address such hedging risks.

Hedging strategy

Upon the occurrence of the Hedging Rating Trigger Event, no assurance can be given that the hedging documentation agreed under the Hedging Strategy will be concluded, and in particular, that all the relevant Eligible Hedging Provider(s) will be found and will accept to conclude the hedging documentation agreed under the Hedging Strategy. Upon the occurrence of a Hedging Rating Trigger Event, a failure by the Issuer (or the Administrator on its behalf) to enter into any Issuer Hedging Agreement with any relevant Eligible Hedging Provider or into any Borrower Hedging Agreement with BNP Paribas within thirty (30) calendar days from the occurrence date of such Hedging Rating Trigger Event, as described under the Hedging Strategy, will constitute an Issuer Event of Default and a Borrower Event of Default. Moreover, in certain circumstances, the hedging documentation contemplated under the Hedging Strategy may be terminated and as a result the Issuer may be unhedged if replacement interest rate and/or currency derivative transactions are not entered into.

Risks related to the Issuer Security

The Issuer Security in case of insolvency of the Issuer

The validity of the Issuer Security granted by the Issuer in the Issuer Security Assets could be challenged in the event that insolvency proceedings were commenced in respect of the Issuer during the eighteen (18) month period following the date on which such security interest is granted.

Article L. 632-1-6° of the French Commercial Code (*Code de commerce*) provides that any security interest granted after the date on which the underlying debt it secures was incurred (*dettes antérieurement contractées*) and which was determined to have been granted during the hardening period, is null and void. The hardening period (*période suspecte*) is a period of time the duration of which is determined by the bankruptcy judge upon the judgment recognising that the cessation of payments of the insolvent company has occurred. The hardening period commences on the date of such judgment and extends for up to eighteen (18) months previous to the date of such judgment. The same consequences will apply to any security granted after the Programme Date in certain circumstances and which secures a debt existing prior to the taking of the security. In particular, in the event of new issuances of Covered Bonds or in case the Issuer Accounts are transferred into the books of a new Issuer Accounts Bank (following the occurrence of the Issuer Accounts Bank Rating Trigger Event), the Issuer Security will be released and retaken in favour of any and all Covered Bonds.

Furthermore, article L. 632-2, 1st paragraph, of the French Commercial Code (*Code de commerce*) provides that the bankruptcy court may declare void any agreement involving a consideration (*acte à titre onéreux*) entered into during the hardening period if the bankrupt debtor's contracting party knew that such debtor was insolvent (*cessation des paiements*).

However, the risk that the Issuer is insolvent (*cessation des paiements*) at the time the Issuer Security is retaken is limited since (i) the Issuer is a special purpose entity, with exclusive and limited purpose and a financial institution license and is intended to be a ring-fenced entity that will be unaffected by the insolvency of the Group, in particular by including limited recourse and non-petition wording in the relevant Programme Documents, and (ii) the Issuer shall not issue further Covered Bonds (and, as a consequence, shall not be in a position to retake the Issuer Security) in case an Issuer Enforcement Notice or a Borrower Enforcement Notice has been served, a Non Compliance Notice has been served regarding the Pre-Maturity Test and is not withdrawn, a Non Compliance with Amortisation Test or a Non Compliance with Asset Cover Test has been served (see "Terms and Conditions of the Covered Bond" – Conditions (j)).

Bondholders may be required to pay a "soulte" in the event they decide to enforce the Issuer Security over the Issuer Securities Accounts by attribution of the securities rather than by a sale of the securities in a public auction

Under French law, a pledge over securities may be enforced at the option of the secured creditor either by a sale of the pledged securities in a public auction (the proceeds of the sale being paid to the secured creditors) or by "attribution" of the securities to the secured creditor, following which the secured creditor is the legal owner of the securities inscribed in the relevant Issuer Securities Accounts. In a proceeding for attribution, a court appointed expert will determine the value of the collateral (in this case, the securities inscribed in the relevant Issuer Securities Accounts) and, if the value of the collateral exceeds the amount of the secured debt, the secured creditors may be required to pay the obligor a balance in cash amount (*soulte*), equal to the difference between the value of the securities as asserted by such expert and the amount of the secured debt. This is true regardless of the actual amount of proceeds ultimately received by the secured creditors from a subsequent sale of the collateral.

Enforcement of the Issuer Security upon insolvency of the Issuer

The Issuer is subject to the provisions of French insolvency legislation. Although the Issuer has been incorporated as single purpose vehicle and ring fenced entity, it may, nonetheless, become insolvent or subject to moratorium proceedings under French law. The rights of creditors of insolvent French companies are limited by law; self-help remedies, for example appointing a receiver in respect of the Borrower Collateral Security Assets and controlling the manner and timing of the enforcement of the Issuer Security, are also generally prohibited by mandatory provisions of French law.

Risks related to Covered Bonds generally

The Covered Bonds may not be a suitable investment for all investors

Each potential investor in the Covered Bonds must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (a) have sufficient knowledge and experience to make a meaningful evaluation of the Covered Bonds, the merits and risks of investing in the relevant Covered Bonds and the information contained in this Base Prospectus or any applicable supplement to this Base Prospectus;
- (b) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the relevant Covered Bonds and the impact the relevant Covered Bonds will have on its overall investment portfolio;
- (c) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Covered Bonds, including Covered Bonds with principal or interest payable in one (1) or more currencies, or where the currency for principal or interest payments is different from the potential investor's currency;
- (d) understand thoroughly the terms of the relevant Covered Bonds and be familiar with the behaviour of any relevant indices and financial markets; and
- (e) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Covered Bonds are complex financial instruments and such instruments may be purchased as a way to reduce risk or enhance yield with an understood, measured, appropriate addition of risk to their overall portfolios. A potential investor should not invest in Covered Bonds which are complex financial instruments unless it has the expertise (either alone or with a financial adviser) to evaluate how the Covered Bonds will perform under changing conditions, the resulting effects on the value of such Covered Bonds and the impact this investment will have on the potential investor's overall investment portfolio.

Modification of the Conditions

The Bondholders will, in respect of all Tranches in any Series, be grouped automatically for the defence of their common interest in a *masse*, as defined in Condition 12, and a General Meeting can be held. The Terms and Conditions permit in certain cases defined majorities to bind all Bondholders including Bondholders who did not attend and vote at the relevant General Meeting and Bondholders who voted in a manner contrary to the majority. The General Meeting may deliberate on any proposal relating to the modification of the Conditions including any proposal, whether for arbitration or settlement, relating to rights in controversy or which were the subject of judicial decisions, as more fully described in Condition 12.

Change of law

The Terms and Conditions of the Covered Bonds are based on French law in effect as at the date of this Base Prospectus. No assurance can be given as to the impact of any possible judicial decision or change to French law or administrative practice after the date of this Base Prospectus.

Risks related to the structure of a particular issue of Covered Bonds

Covered Bonds issued under the Programme will either be fungible with an existing Series or have different terms to an existing Series (in which case they will constitute a new Series). All Covered Bonds issued from time to time will rank *pari passu* with each other in all respects and will share equally in the Security under the Security Documents.

A wide range of Covered Bonds may be issued under the Programme. A number of these Covered Bonds may have features which contain particular risks for potential investors. Set out below is a description of the most common such features:

Covered Bonds subject to optional redemption by the Issuer

An optional redemption feature of Covered Bonds is likely to limit their market value. During any period when the Issuer may elect to redeem Covered Bonds, the market value of such Covered Bonds generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

The Issuer may be expected to redeem Covered Bonds when its cost of borrowing is lower than the interest rate on the Covered Bonds. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Covered Bonds being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

Fixed Rate Covered Bonds

Investment in Covered Bonds which bear interest at a fixed rate involves the risk that subsequent changes in market interest rates may adversely affect the value of the relevant Tranche of Covered Bonds.

Floating Rate Covered Bonds

Investment in Covered Bonds which bear interest at a floating rate comprises (i) a reference rate and (ii) a margin to be added or subtracted, as the case may be, from such base rate. Typically, the relevant margin will not change throughout the life of the Covered Bonds but there will be a periodic adjustment (as specified in the relevant Final Terms) of the reference rate (e.g., every three months or six months) which itself will change in accordance with general market conditions. Accordingly, the market value of floating rate Covered Bonds may be volatile if changes, particularly short term changes, to market interest rates evidenced by the relevant reference rate can only be reflected in the interest rate of these Covered Bonds upon the next periodic adjustment of the relevant reference rate.

Index Linked Covered Bonds and Dual Currency Covered Bonds

Subject to prior Rating Affirmation, the Issuer may issue Covered Bonds with principal or interest determined by reference to an index or formula, to changes in the prices of securities or commodities, to movements in currency exchange rates or other factors (each, a "**Relevant Factor**"). In addition, the Issuer may issue Covered Bonds with principal or interest payable in one (1) or more currencies which may be different from the currency in which the Bonds are denominated. Potential investors should be aware that:

- (a) the market price of such Covered Bonds may be volatile;
- (b) they may receive no interest;
- (c) payment of principal or interest may occur at a different time or in a different currency than expected;
- (d) the amount of principal payable at redemption may be less than the nominal amount of such Covered Bonds or even zero;
- (e) a Relevant Factor may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices;
- (f) if a Relevant Factor is applied to Covered Bonds in conjunction with a multiplier greater than one (1) or contains some other leverage factor, the effect of changes in the Relevant Factor on principal or interest payable likely will be magnified; and
- (g) the timing of changes in a Relevant Factor may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the Relevant Factor, the greater the effect on yield.

Partly-paid Covered Bonds

The Issuer may issue Covered Bonds where the issue price is payable in more than one (1) instalment. Failure to pay any subsequent instalment could result in an investor losing some or all of his investment.

Variable rate Covered Bonds with a multiplier or other leverage factor

Covered Bonds with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features or other similar related features, their market values may be even more volatile than those for securities that do not include those features.

Inverse Floating Rate Covered Bonds

Inverse Floating Rate Covered Bonds have an interest rate equal to a fixed rate minus a rate based upon a reference rate. The market values of such Covered Bonds typically are more volatile than market values of other conventional floating rate debt securities based on the same reference rate (and with otherwise comparable terms). Inverse Floating Rate Covered Bonds are more volatile because an increase in the reference rate not only decreases the interest rate of the Covered Bonds, but may also reflect an increase in prevailing interest rates, which further adversely affects the market value of these Covered Bonds.

Fixed/Floating Rate Covered Bonds

Fixed/Floating Rate Covered Bonds may bear interest at a rate that the Issuer may elect to convert from a fixed rate to a floating rate, or from a floating rate to a fixed rate. The Issuer's ability to convert the interest rate will affect the secondary market and the market value of such Covered Bonds since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the Issuer converts from a fixed rate to a floating rate, the spread on the Fixed/Floating Rate Covered Bonds may be less favourable than then prevailing spreads on comparable Floating Rate Covered Bonds tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Covered Bonds. If the Issuer converts from a floating rate to a fixed rate, the fixed rate may be lower than then prevailing rates on its Covered Bonds.

Covered Bonds issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

Certain decisions of holders of Covered Bonds taken at Programme level

Any resolution to direct the Representative to serve an Issuer Enforcement Notice, and any direction to the Representative to take any action as provided under this Base Prospectus must be passed at a single meeting of the holders of the Covered Bonds of a single Series then outstanding and can not be decided upon at a meeting of the holders of the Covered Bonds of all Series. Any resolution to direct the Representative to serve an Issuer Enforcement Notice will be effective for all the holders of the Covered Bonds, including the holders of the Covered Bonds who did not attend and vote at the relevant meeting and the holders of the Covered Bonds who voted in a manner contrary.

Ratings of the Covered Bonds and Rating Affirmation

The ratings assigned to the Covered Bonds by the Rating Agencies are based on the Collateral Assets, the Collateral Security, the Home Loans and Home Loan Security, the Cash Collateral and the other relevant structural and credit enhancement features provided for under the Programme Documents, including, among other things, the short-term and/or long-term unsecured, unguaranteed and unsubordinated debt ratings of the parties to the Programme Documents, and reflect only the views of the Rating Agencies. The ratings address the likelihood of full and timely receipt by any of the relevant Bondholders of interest on

the Covered Bonds and the likelihood of receipt by any relevant Bondholder of principal of the Covered Bonds by the relevant Final Maturity Date. There is no assurance that any such ratings will continue for any period of time or that they will not be reviewed, revised, suspended or withdrawn entirely by any of the Rating Agencies as a result of changes in or unavailability of information or if, in the judgement of the Rating Agencies, circumstances so warrant. A qualification, downgrade or withdrawal of any of the ratings mentioned above may impact upon both the value of the Covered Bonds or their marketability in secondary market transactions.

The Rating Agencies will be notified of the exercise of certain discretions exercised by or on behalf of the Issuer under the Programme Documents. However, the Rating Agencies are under no obligation to revert to the Issuer (or any of its agents) regarding the impact of the exercise of such discretion on the ratings of the Covered Bonds and any decision as to whether or not to confirm, downgrade, withdraw or qualify the ratings of all classes or any class of Covered Bonds based on such notification may be made at the sole discretion of the Rating Agencies at any time, including after the relevant action has been taken.

Where, after the Programme Date, a particular matter such as that referred to in the preceding paragraph or any other matter involves the Rating Agencies being requested a prior Rating Affirmation, the Rating Agencies, at their sole discretion, may or may not give such affirmation. It should be noted that, depending on the timing of delivery of the request and any information needed to be provided as part of any such request, it may be the case that the Rating Agencies cannot provide the relevant affirmation in the time available or at all and they will not be held responsible for the consequences thereof. Any affirmation received from the Rating Agencies, if given, will be given on the basis of the facts and circumstances prevailing at the relevant time and in the context of cumulative changes to the transaction of which the Covered Bonds form part since the Programme Date. Furthermore, in the event that the Rating Agencies gives a Rating Affirmation, this will be on the basis of full and timely receipt by the relevant Bondholders of interest on the Covered Bonds and the likelihood of receipt of principal of the Covered Bonds by the relevant Final Maturity Date. There is no assurance that after any such affirmation, the then current ratings of the Covered Bonds will continue for any period of time or that they will not be reviewed, revised, suspended or withdrawn entirely by one (1) or more of the Rating Agencies for any of the reasons specified above in relation to the original ratings of the Covered Bonds. As such an affirmation of the ratings of the Covered Bonds by the Rating Agencies is not a representation or warranty that, as a result of a particular matter, the interest and principal due under the Covered Bonds will be paid or repaid in full and when due.

Agencies other than the Rating Agencies could seek to rate the Covered Bonds and if such unsolicited ratings are lower than the comparable ratings assigned to the Covered Bonds by the Rating Agencies, those unsolicited ratings could have an adverse effect on the value and the marketability of the Covered Bonds. For the avoidance of doubt and unless the context otherwise requires, any references to "ratings" or "rating" in this Base Prospectus are to ratings assigned by the specified Rating Agencies only.

Implementation of Basel II Risk-Weighted Asset Framework

In June 1999, the Basel Committee on Banking Supervision (the "**Basel Committee**") issued proposals for the reform of the 1988 Basel Capital Accord and proposed a new capital adequacy framework which would place enhanced emphasis on risk sensitivity and market discipline. On 26 June 2004, the Basel Committee published a new Capital Accord under the title "Basel II International Convergence of Capital Measurement and Capital Standards: a Revised Framework" ("**Basel II**"), an updated version of which was published in November 2005. Basel II has been implemented into the EU legislation through the directives no. 2006/48 and no. 2006/49 (the "**Capital Requirements Directives**") both dated 14 June 2006. In France, the provisions of the Capital Requirements Directives providing for a new solvency ratio have been implemented through the *arrêtés* dated 20 February 2007 and the *ordonnance* dated 19 April 2007.

This implementation has brought about many substantial changes to the current system of capital requirements, prudential oversight and risk-management systems, including those of the Issuer. The direction and the magnitude of the impact of Basel II obviously depends on the particular asset structure of each bank and its precise impact on the Issuer cannot be quantified with certainty at this time. The Issuer may operate its business in ways that may be less profitable than its present operation in complying with the new guidelines resulting from the transposition of the Capital Requirements Directives.

In addition, the implementation of Basel II could affect the risk weighting of the Covered Bonds in respect of certain investors if those investors are subject to the new guidelines resulting from the implementation of the Capital Requirements Directives. Accordingly, recipients of this Base Prospectus should consult their

own advisers as to the consequences and effects the implementation of the Capital Requirements Directives could have on them.

Forecasts and estimates

Estimates of the weighted average lives of the Covered Bonds contained in this Base Prospectus, together with any other projections, forecasts and estimates in this Base Prospectus are forward-looking statements. Such projections are speculative in nature and it can be expected that some or all of the assumptions underlying the projections will not prove to be wholly correct or will vary from actual results. Consequently, the actual results might differ from the projections and such differences might be significant.

Risks related to the market generally

The secondary market generally

Covered Bonds may have no established trading market when issued, and one may never develop. If a market does develop, it may not be liquid. Therefore, investors may not be able to sell their Covered Bonds easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Covered Bonds that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investors. These types of Covered Bonds generally would have a more limited secondary market and more price volatility than conventional debt securities. Illiquidity may have an adverse effect on the market value of Covered Bonds.

Exchange rate risks and exchange controls

The Issuer will pay principal and interest on the Covered Bonds in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the "**Investor's Currency**") other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (1) the Investor's Currency-equivalent yield on the Covered Bonds, (2) the Investor's Currency-equivalent value of the principal payable on the Covered Bonds and (3) the Investor's Currency-equivalent market value of the Covered Bonds.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

Interest rate risks

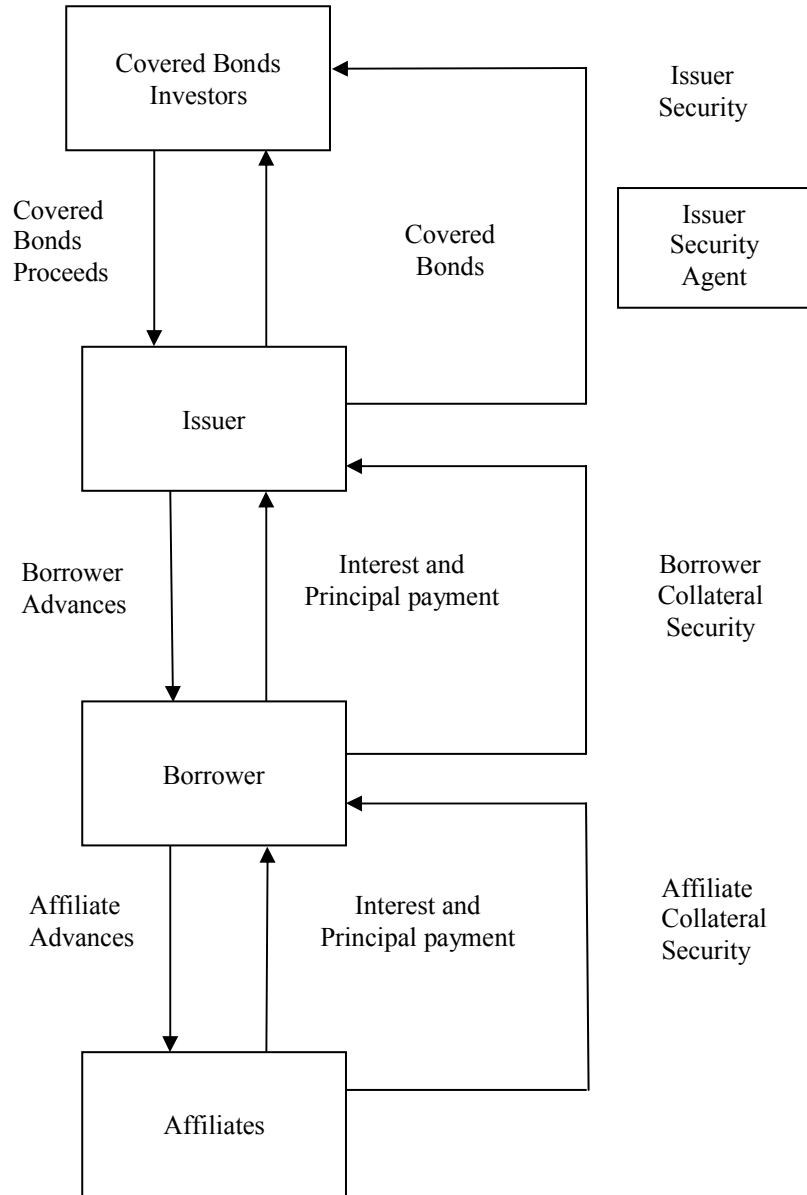

Investment in Fixed Rate Covered Bonds involves the risk that subsequent changes in market interest rates may adversely affect the value of the Fixed Rate Covered Bonds.

Legal investment considerations may restrict certain investments

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (1) Covered Bonds are legal investments for it, (2) Covered Bonds can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of any Covered Bonds. Financial institutions should consult their legal advisors or the appropriate regulators to determine the appropriate treatment of Covered Bonds under any applicable risk-based capital or similar rules.

SUPPLEMENT TO THE BASE PROSPECTUS

In connection with Covered Bonds admitted to trading on a Regulated Market, if at any time during the duration of the Programme there is a significant change affecting any matter contained in this base prospectus (the "**Base Prospectus**"), including any modification of the terms and conditions or generally any significant new factor, material mistake or inaccuracy relating to information, included in this Base Prospectus which is capable of affecting the assessment of any Covered Bonds, which inclusion would reasonably be required by investors, and would reasonably be expected by them to be found in this Base Prospectus, for the purpose of making an informed assessment of the assets and liabilities, financial position, profits and losses and prospects of the Issuer and the rights attaching to the Covered Bonds, the Issuer shall prepare a supplement to the Base Prospectus in accordance with article 16 of the Prospectus Directive for use in connection with any subsequent offering of the Covered Bonds, submit such supplement to the Base Prospectus to the *Commission de Surveillance du Secteur Financier* in Luxembourg for approval and supply each Dealer, the Luxembourg Stock Exchange and the *Commission de Surveillance du Secteur Financier* in Luxembourg with such number of copies of such supplement to the Base Prospectus as may reasonably be requested.

TERMS AND CONDITIONS OF THE COVERED BONDS

The following is the text of the terms and conditions that, as supplemented in accordance with the provisions of the relevant Final Terms, shall be applicable to the Covered Bonds. In the case of Dematerialised Covered Bonds, the text of the terms and conditions will not be endorsed on physical documents of title but will be constituted by the following text as supplemented by the relevant Final Terms. In the case of Materialised Covered Bonds, either (i) the full text of these terms and conditions together with the relevant provisions of the Final Terms (and subject to simplification by the deletion of non-applicable provisions) or (ii) these terms and conditions as so supplemented shall be endorsed on Definitive Materialised Covered Bonds. All capitalised terms that are not defined in these Conditions will have the meanings given to them in the relevant Final Terms. References in the Conditions to "Covered Bonds" are to the Covered Bonds of one (1) Series only, not to all Covered Bonds that may be issued under the Programme.

The Covered Bonds are issued outside France by BNP Paribas Home Loan Covered Bonds (the "**Issuer**") in series (each a "**Series**") having one (1) or more issue dates and on terms otherwise identical (or identical save as to the first payment of interest), the Covered Bonds of each Series being intended to be interchangeable with all other Covered Bonds of that Series. Each Series may be issued in tranches (each a "**Tranche**") on the same or different issue dates. The specific terms of each Tranche (including, without limitation, the aggregate nominal amount, issue price, redemption price thereof, and interest, if any, payable thereunder and supplemented, where necessary, with supplemental terms and conditions which, save in respect of the issue date, issue price, first payment of interest and nominal amount of the Tranche, will be identical to the terms of other Tranches of the same Series) will be determined by the Issuer and the relevant Dealer(s) at the time of the issue and will be set out in the final terms of such Tranche (the "**Final Terms**").

The Covered Bonds are issued with the benefit of an amended and restated agency agreement dated 16 July 2008 (the "**Agency Agreement**") entered into between the Issuer, BNP Paribas Securities Services as fiscal agent and principal paying agent and the other agents named therein. The fiscal agent, the paying agents and the calculation agent(s) for the time being (if any) are referred to below respectively as the "**Fiscal Agent**", the "**Paying Agents**" (which expression shall include the Fiscal Agent) and the "**Calculation Agent(s)**". The holders of the interest coupons (the "**Coupons**") relating to interest bearing Materialised Covered Bonds and, where applicable in the case of such Covered Bonds, talons (the "**Talons**") for further Coupons and the holders of the receipts for the payment of instalments of principal (the "**Receipts**") relating to Materialised Covered Bonds of which the principal is redeemable in instalments are respectively referred to below as the "**Couponholders**" and the "**Receiptholders**".

References below to "**Conditions**" are, unless the context requires otherwise, to the numbered paragraphs below.

Covered Bonds may be issued either in dematerialised form ("**Dematerialised Covered Bonds**") or in materialised form ("**Materialised Covered Bonds**"), as specified in the relevant Final Terms.

- (i) Title to Dematerialised Covered Bonds will be evidenced in accordance with articles L. 211-3 *et seq.* of the French Monetary and Financial Code (*Code monétaire et financier*) by book entries (*inscriptions en compte*). No physical document of title (including *certificats représentatifs* pursuant to article R. 211-7 of the French Monetary and Financial Code (*Code monétaire et financier*)) will be issued in respect of the Dematerialised Covered Bonds.

Dematerialised Covered Bonds are issued, at the option of the Issuer, in either bearer form (*au porteur*), which will be inscribed in the books of Euroclear France (acting as central depository) which shall credit the accounts of the Account Holders, or in registered form (*au nominatif*) and, in such latter case, at the option of the relevant holder in either administered registered form (*nominatif administré*) inscribed in the books of an Account Holder designated by the relevant holder of Covered Bonds or in fully registered form (*au nominatif pur*) inscribed in an account maintained by the Issuer or a registration agent (designated in the relevant Final Terms) acting on behalf of the Issuer (the "**Registration Agent**").

(d) Redenomination

The Issuer may (if so specified in the relevant Final Terms), on any date, without the consent of the holder of any Covered Bond, Coupon, Receipt or Talon, by giving at least thirty (30) days' notice in accordance with Condition 17 and on or after the date on which the European Member State in whose national currency the Covered Bonds are denominated has become a participating Member State in the single currency of the European Economic and Monetary Union (as provided in the Treaty establishing the European Community (the "**EC**"), as amended from time to time (the "**Treaty**")) or events have occurred which have substantially the same effects (in either case, "**EMU**"), redenominate all, but not some only, of the Covered Bonds of any Series into Euro and adjust the aggregate principal amount and the Specified Denomination(s) set out in the relevant Final Terms accordingly, as more fully described in the relevant Final Terms.

- (iii) Dematerialised Covered Bonds issued in fully registered form (*au nominatif pur*) may, at the option of the holder of such Covered Bonds, be converted into Covered Bonds in administered registered form (*au nominatif administré*), and vice versa. The exercise of any such option by such holder shall be made in accordance with article R. 211-4 of the French Monetary and Financial Code (*Code monétaire et financier*). Any such conversion shall be effected at the cost of such holder.

4. Status

The Covered Bonds, and, where applicable, any relative Coupons and Receipts are direct, unconditional, unsubordinated and secured (in accordance with the provisions of Condition 5(b)) obligations of the Issuer and rank and will rank *pari passu* without any preference among themselves and (subject to such exceptions as are from time to time mandatory under French law and to the provisions of Condition 5(b)) at least *pari passu* with all other present or future unsubordinated obligations of the Issuer.

5. Covenants

So long as any of the Covered Bonds or, if applicable, any Receipts or Coupons relating to them, is Outstanding:

(a) Negative Pledge

Except in accordance with Condition 5(b), the Issuer will not create or permit to subsist any mortgage, charge, pledge or other form of security interest (*sûreté réelle*) upon any of its assets or revenues, present or future, to secure any Relevant Undertaking (as defined below) of, or guaranteed by, the Issuer unless, at the same time or prior thereto, the Issuer's obligations under the Covered Bonds, and, if applicable, Receipts or Coupons relating to them, are equally and rateably secured therewith;

where "**Relevant Undertaking**" means any present or future (i) indebtedness for borrowed money and (ii) undertaking in relation to interest or currency swap transactions.

(b) Security

The Bondholders shall benefit from the following security (the "**Issuer Security**"):

- (i) the pledge of the Issuer Accounts granted pursuant to an accounts pledge agreement dated 5 December 2006 and made between the Issuer in its capacity as pledgor and BNP Paribas Securities Services acting in the name and on behalf of the Bondholders in their capacity as beneficiaries under the pledge (the "**Issuer Accounts Pledge Agreement**"), and
- (ii) the pledge of the Borrower Facility Receivables granted pursuant to a receivables pledge agreement dated 5 December 2006 and made between the Issuer in its capacity as pledgor and BNP Paribas Securities Services acting in the name and on behalf of the Bondholders in their capacity as beneficiaries under the pledge (the "**Receivables Pledge Agreement**") and, together with the Issuer Accounts Pledge Agreement, the "**Issuer Security Agreements**").

Bondholders are deemed to have notice of the provisions of the Issuer Security Agreements. Certain statements in the Conditions and under sections "**Borrower Collateral Security – The Issuer Accounts Pledge Agreement**" and "**Borrower Collateral Security – The Issuer Receivables Pledge Agreement**" of the Base Prospectus are summaries of the detailed provisions of the Issuer Security Agreements, copies of which are available for inspection at the specified office of the Paying Agents.

As more fully described in the Issuer Security Agreements, upon the issue of further Series of Covered Bonds on each issue date, the existing Issuer Security securing the repayment of all and any amount owed in respect of the then outstanding Covered Bonds will be (a) released by the Issuer Security Agent and (b) re-taken by the Issuer Security Agent, as security for the repayment of all and any amount owed in respect of the then outstanding Covered Bonds and the new Series of Covered Bonds issued on such subsequent issue date.

As more fully described in the Issuer Security Agreements, the subscription or purchase of Covered Bonds results by force of law in the (i) acceptance that all the Bondholders of any Series, present or future, will benefit *pari passu* from the Issuer Security provided under the Issuer Security Agreements and any Issuer Accounts Pledge Agreement Deed of Retake or any Receivables Pledge Agreement

Deed of Retake (as such terms are defined in the Issuer Security Agreements) and (ii) appointment of the Issuer Security Agent as agent in order to manage the Issuer Security in their name and on their behalf.

(a) Definitions

In these Conditions, unless the context otherwise requires, the following defined terms shall have the meanings set out below:

"Benchmark" means the reference rate as set out in the relevant Final Terms.

"Business Day" means:

- (i) in the case of Euro, a day on which the Trans European Automated Real Time Gross Settlement Express Transfer (TARGET2) or any successor thereto (the **"TARGET System"**) is operating (a **"TARGET Business Day"**), and/or
- (ii) in the case of a Specified Currency other than Euro, a day (other than a Saturday or Sunday) on which commercial banks and foreign exchange markets settle payments in the principal financial centre for that currency, and/or
- (iii) in the case of a Specified Currency and/or one (1) or more additional business centre(s) specified in the relevant Final Terms (the **"Business Centre(s)"**), a day (other than a Saturday or a Sunday) on which commercial banks and foreign exchange markets settle payments in such currency in the Business Centre(s) or, if no currency is indicated, generally in each of the Business Centres so specified.

"Day Count Fraction" means, in respect of the calculation of an amount of interest on any Covered Bond for any period of time (from and including the first day of such period to but excluding the last) (whether or not constituting an Interest Period, the **"Calculation Period"**):

- (i) if **"Actual/365"**, **"Actual/365-FBF"** or **"Actual/Actual-ISDA"** is specified in the relevant Final Terms, the actual number of days in the Calculation Period divided by three hundred and sixty-five (365) (or, if any portion of that Calculation Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Calculation Period falling in a leap year divided by three hundred and sixty-six (366) and (B) the actual number of days in that portion of the Calculation Period falling in a non-leap year divided by three hundred and sixty-five (365)).
- (ii) if **"Actual/Actual-ICMA"** is specified in the relevant Final Terms:
 - (A) if the Calculation Period is equal to or shorter than the Determination Period during which it falls, the number of days in the Calculation Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Periods normally ending in any year; and

 - (x) the number of days in such Calculation Period falling in the Determination Period in which it begins divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Periods normally ending in any year; and
 - (y) the number of days in such Calculation Period falling in the next Determination Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Periods normally ending in any year,

- (vii) if "**30/360-FBF**" or "**Actual 30A/360 (American Bond Basis)**" is specified in the relevant Final Terms, in respect of each Calculation Period, the fraction whose denominator is three hundred and sixty (360) and whose numerator is the number of days calculated as for 30E/360-FBF, subject to the following exception: where the last day of the Calculation Period is the thirty-first (31st) and the first day is neither the thirtieth (30th) nor the thirty-first (31st), the last month of the Calculation Period shall be deemed to be a month of thirty-one (31) days.

Using the same abbreviations as for 30E/360-FBF the fraction is:

If $dd2 = 31$ and $dd1 \neq (30,31)$

then :

$$\frac{1}{360} \times [(yy2 - yy1) \times 360 + (mm2 - mm1) \times 30 + (dd2 - dd1)]$$

or

$$\frac{1}{360} \times [(yy2 - yy1) \times 360 + (mm2 - mm1) \times 30 + \text{Min}(dd2, 30) - \text{Min}(dd1, 30)].$$

- (viii) if "**30E/360**" or "**Eurobond Basis**" is specified in the relevant Final Terms, the number of days in the Calculation Period divided by three hundred and sixty (360) calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{1}{360} \times [[360 \times (Y2 - Y1)] + [30 \times (M2 - M1)] + (D2 - D1)]$$

where:

"Y1" is the year, expressed as a number, in which the first day of the Calculation Period falls;

"M1" is the calendar month, expressed as a number, in which the first day of the Calculation Period falls;

"M2" is the calendar month, expressed as a number, in which the day immediately following the last day included the Calculation Period falls;

"D1" is the first calendar day, expressed as a number, of the Calculation Period, unless such number would be 31, in which case D1 will be 30; and

"D2" is the calendar day, expressed as a number, immediately following the last day included the Calculation Period, unless such number would be 31, in which case D2 will be 30.

- (ix) if "**30E/360-FBF**" is specified in the relevant Final Terms, in respect of each Calculation Period, the fraction whose denominator is three hundred and sixty (360) and whose numerator is the number of days elapsed during such period, calculated on the basis of a year comprising twelve (12) months of thirty (30) days, subject to the following the exception: if the last day of the Calculation Period is the last day of the month of February, the number of days elapsed during such month shall be the actual number of days.

Where:

D1 (dd1, mm1, yy1) is the date of the beginning of the period

D2 (dd2, mm2, yy2) is the date of the end of the period

The fraction is :

$$\frac{1}{360} \times [(yy2 - yy1) \times 360 + (mm2 - mm1) \times 30 + \text{Min}(dd2, 30) - \text{Min}(dd1, 30)].$$

(b) Interest on Fixed Rate Covered Bonds

Each Fixed Rate Covered Bond bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date except as otherwise provided in the relevant Final Terms.

If a fixed amount of interest ("**Fixed Coupon Amount**") or a broken amount of interest ("**Broken Amount**") is specified in the relevant Final Terms, the amount of interest payable on each Interest Payment Date will amount to the Fixed Coupon Amount or, if applicable, the Broken Amount so specified and in the case of the Broken Amount will be payable on the particular Interest Payment Date(s) specified in the relevant Final Terms.

(c) Interest on Floating Rate Covered Bonds and Index Linked Covered Bonds

(i) *Interest Payment Dates:* Each Floating Rate Covered Bond and Index Linked Interest Covered Bond bears interest on its outstanding nominal amount from the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrears on each Interest Payment Date. Such Interest Payment Date(s) is/are either shown in the relevant Final Terms as Specified Interest Payment Dates or, if no Specified Interest Payment Date(s) is/are shown in the relevant Final Terms, Interest Payment Date shall mean each date which falls the number of months or other period shown in the relevant Final Terms as the Specified Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

(ii) *Business Day Convention:* If any date referred to in these Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day, then, if the Business Day Convention specified is (A) the Floating Rate Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event (x) such date shall be brought forward to the immediately preceding Business Day and (y) each subsequent such date shall be the last Business Day of the month in which such date would have fallen had it not been subject to adjustment, (B) the Following Business Day Convention, such date shall be postponed to the next day that is a Business Day, (C) the Modified Following Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day or (D) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Business Day. Notwithstanding the foregoing, where the applicable Final Terms specify that the relevant Business Day Convention is to be applied on an "unadjusted" basis, the Interest Amount payable on any date shall not be affected by the application of that Business Day Convention.

(iii) *Rate of Interest for Floating Rate Covered Bonds:* The Rate of Interest in respect of Floating Rate Covered Bonds for each Interest Accrual Period shall be determined in the manner specified in (i) the relevant Final Terms and/or (ii) the provisions below relating to either FBF Determination or Screen Rate Determination, depending upon which is specified in the relevant Final Terms.

(A) FBF Determination for Floating Rate Covered Bonds:

Where FBF Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Agent as a rate equal to the relevant FBF Rate plus or minus (as indicated in the relevant Final Terms) the Margin (if any). For the purposes of this sub-paragraph (A), "**FBF Rate**" for an Interest Accrual Period means a rate equal to the Floating Rate that would be

determined by the Agent under a notional interest rate swap transaction (*Echange*) in the relevant Specified Currency governed by the 2001 FBF Master Agreement (*convention cadre FBF*) relating to transactions on forward financial instruments (formerly 1994 AFB Master Agreement for Foreign Exchange and Derivatives Transactions), as supplemented by the then applicable Interest and Currency incorporating the FBF Definitions and under which:

- (1) the Floating Rate is as specified in the relevant Final Terms; and
- (2) the Floating Rate Determination Date is as specified in the relevant Final Terms.

For the purposes of this sub-paragraph (A), "**Floating Rate**", "**Agent**" and "**Floating Rate Determination Date**" are translations of the French terms "*Taux Variable*", "*Agent*" and "*Date de Détermination du Taux Variable*", respectively, which have the meanings given to those terms in the FBF Definitions.

(B) Screen Rate Determination for Floating Rate Covered Bonds:

Where Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent at or about the Relevant Time on the Interest Determination Date in respect of such Interest Accrual Period in accordance with the following:

- (1) if the Primary Source for Floating Rate is a Page, subject as provided below, the Rate of Interest shall be:
 - (I) the Relevant Rate (where such Relevant Rate on such Page is a composite quotation or is customarily supplied by one (1) entity); or
 - (II) the arithmetic mean of the Relevant Rates of the persons whose Relevant Rates appear on that Page, in each case appearing on such Page at the Relevant Time on the Interest Determination Date as disclosed in the relevant Final Terms, plus or minus (as indicated in the relevant Final Terms) the Margin (if any); and
- (2) if the Primary Source for the Floating Rate is Reference Banks or if sub-paragraph (1)(I) applies and no Relevant Rate appears on the Page at the Relevant Time on the Interest Determination Date or if sub-paragraph (1)(II) applies and fewer than two (2) Relevant Rates appear on the Page at the Relevant Time on the Interest Determination Date, subject as provided below, the Rate of Interest shall be the arithmetic mean of the Relevant Rates that each of the Reference Banks is quoting to leading banks in the Relevant Financial Centre at the Relevant Time on the Interest Determination Date, as determined by the Calculation Agent, plus or minus (as indicated in the relevant Final Terms) the Margin (if any), and
- (3) if paragraph (2) above applies and the Calculation Agent determines that fewer than two (2) Reference Banks are so quoting Relevant Rates, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) that the Calculation Agent determines to be the rates (being the nearest equivalent to the Benchmark) in respect of a Representative Amount of the Specified Currency that at least two (2) out of five (5) leading banks selected by the Calculation Agent in the principal financial centre of the country of the Specified Currency or, if the Specified Currency is Euro, in the Euro-zone as selected by the Calculation Agent (the "**Principal Financial Centre**") are quoting at or about the Relevant Time on the date on which such banks would customarily quote such rates for a period commencing on the Effective Date for a period equivalent to the Specified Duration (I) to leading banks carrying on business in Europe, or (if the Calculation Agent determines that fewer than two (2) of such

banks are so quoting to leading banks in Europe) (II) to leading banks carrying on business in the Principal Financial Centre; except that, if fewer than two (2) of such banks are so quoting to leading banks in the Principal Financial Centre, the Rate of Interest shall be the Rate of Interest determined on the previous Interest Determination Date (after readjustment for any difference between any Margin, Rate Multiplier or Maximum or Minimum Rate of Interest applicable to the preceding Interest Accrual Period and to the relevant Interest Accrual Period).

- (iv) *Rate of Interest for Index Linked Covered Bonds:* The Rate of Interest in respect of Index Linked Covered Bonds for each Interest Accrual Period shall be determined in the manner specified in the relevant Final Terms and interest will accrue by reference to an Index or Formula as specified in the relevant Final Terms.

(d) Zero Coupon Covered Bonds

Where a Covered Bond the Interest Basis of which is specified to be Zero Coupon is repayable prior to the Final Maturity Date pursuant to an Issuer's Option or, if so specified in the relevant Final Terms, pursuant to Condition 7(e) or otherwise and is not paid when due, the amount due and payable prior to the Final Maturity Date shall, unless otherwise provided in the relevant Final Terms, be the Early Redemption Amount. As from the Final Maturity Date, the Rate of Interest for any overdue principal of such a Covered Bond shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 7(e)(i)).

(e) Dual Currency Covered Bonds

In the case of Dual Currency Covered Bonds, if the rate or amount of interest falls to be determined by reference to a Rate of Exchange or a method of calculating a Rate of Exchange, the rate or amount of interest payable shall be determined in the manner specified in the relevant Final Terms.

(f) Partly Paid Covered Bonds

In the case of Partly Paid Covered Bonds (other than Partly Paid Covered Bonds which are Zero Coupon Covered Bonds), interest will accrue as aforesaid on the paid-up nominal amount of such Covered Bonds and otherwise as specified in the relevant Final Terms.

(g) Accrual of Interest

Interest shall cease to accrue on each Covered Bond on the due date for redemption unless (i) in the case of Dematerialised Covered Bonds, on such due date or (ii) in the case of Materialised Covered Bonds, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (as well after as before judgement) at the Rate of Interest in the manner provided in this Condition 6 to the Relevant Date.

(h) Margin, Maximum/Minimum Rates of Interest, Instalment Amounts and Redemption Amounts and Rounding:

- (i) If any Margin is specified in the relevant Final Terms (either (x) generally, or (y) in relation to one (1) or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with (c) above by adding (if a positive number) or subtracting (if a negative number) the absolute value of such Margin, subject always to the next paragraph.
- (ii) If any Maximum or Minimum Rate of Interest, Instalment Amount or Redemption Amount is specified in the relevant Final Terms, then any Rate of Interest, Instalment Amount or Redemption Amount shall be subject to such maximum or minimum, as the case may be.
- (iii) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (w) if FBF Determination is specified in the relevant Final Terms, all percentages resulting from such calculations shall be rounded, if necessary, to the nearest ten-thousandth of a percentage point (with halves being rounded up), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest fifth decimal (with halves being rounded up), (y) all figures shall be rounded to seven (7) figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the

case of yen, which shall be rounded down to the nearest yen. For these purposes "unit" means the lowest amount of such currency that is available as legal tender in the country of such currency.

(i) Calculations

The amount of interest payable in respect of any Covered Bond for any period shall be calculated by multiplying the product of the Rate of Interest and the outstanding nominal amount of such Covered Bond by the Day Count Fraction, unless an Interest Amount (or a formula for its calculation) is specified in respect of such period, in which case the amount of interest payable in respect of such Covered Bond for such period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two (2) or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period shall be the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.

(j) Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts and Instalment Amounts

The Calculation Agent shall, as soon as practicable on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, determine such rate and calculate the Interest Amounts in respect of each Specified Denomination of the Covered Bonds for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or Instalment Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or any Instalment Amount to be notified to the Fiscal Agent, the Issuer, each of the Paying Agents, the holders of Covered Bonds, any other Calculation Agent appointed in respect of the Covered Bonds that is to make a further calculation upon receipt of such information and, if the Covered Bonds are admitted to trading on a Regulated Market and the rules of such Regulated Market so require, such Regulated Market as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such Regulated Market of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth (4th) Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 6(c)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

(k) Calculation Agent and Reference Banks

The Issuer shall procure that there shall at all times be four (4) Reference Banks (or such other number as may be required) with offices in the Relevant Financial Centre and one (1) or more Calculation Agents if provision is made for them in the relevant Final Terms and for so long as any Covered Bond is Outstanding. If any Reference Bank (acting through its relevant office) is unable or unwilling to continue to act as a Reference Bank, then the Issuer shall appoint another Reference Bank with an office in the Relevant Financial Centre to act as such in its place. Where more than one (1) Calculation Agent is appointed in respect of the Covered Bonds, references in these Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Period or Interest Accrual Period or to calculate any Interest Amount, Instalment Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, or to comply with any other requirement, the Issuer shall appoint a leading bank or investment banking firm engaged in the interbank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal Paris or Luxembourg office, as appropriate, or any other office actively involved in such market) to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid.

7. Redemption, Purchase and Options

(a) Final Redemption

Unless previously redeemed, purchased and cancelled as provided below or its maturity is extended pursuant to any Issuer's or Bondholders' option in accordance with Condition 7(c) or 7(d), each Covered Bond shall be finally redeemed on the Final Maturity Date specified in the relevant Final Terms at its Final Redemption Amount (which, unless otherwise provided, is its nominal amount) or, in the case of a Covered Bond falling within Condition 7(b) below, its final Instalment Amount.

(b) Redemption by Instalments

Unless previously redeemed, purchased and cancelled as provided in this Condition 7, or the relevant Instalment Date (being one (1) of the dates so specified in the relevant Final Terms) is extended pursuant to any Issuer's or Bondholders' option in accordance with Conditions 7(c) or 7(d), each Covered Bond that provides for Instalment Dates and Instalment Amounts shall be partially redeemed on each Instalment Date at the related Instalment Amount specified in the relevant Final Terms. The outstanding nominal amount of each such Covered Bond shall be reduced by the Instalment Amount (or, if such Instalment Amount is calculated by reference to a proportion of the nominal amount of such Covered Bond, such proportion) for all purposes with effect from the related Instalment Date, unless payment of the Instalment Amount is improperly withheld or refused (i) in the case of Dematerialised Covered Bonds, on the due date for such payment or (ii) in the case of Materialised Covered Bonds, on presentation of the related Receipt, in which case, such amount shall remain outstanding until the Relevant Date relating to such Instalment Amount.

(c) Redemption at the Option of the Issuer, Exercise of Issuer's Options and Partial Redemption

If a Call Option or any other Issuer's option (as may be described in the relevant Final Terms) is specified in the relevant Final Terms, the Issuer may, subject to compliance by the Issuer of all the relevant laws, regulations and directives and on giving not less than fifteen (15) nor more than thirty (30) days' irrevocable notice in accordance with Condition 17 to the holders of Covered Bonds (or such other notice period as may be specified in the relevant Final Terms) redeem, or exercise any other option in relation to all or, if so provided, some, of the Covered Bonds on any Optional Redemption Date or Option Exercise Date, as the case may be. Any such redemption of Covered Bonds shall be at their Optional Redemption Amount together with interest accrued to the date fixed for redemption, if any. Any such redemption must relate to Covered Bonds of a nominal amount at least equal to the Minimum Redemption Amount to be redeemed as specified in the relevant Final Terms and no greater than the Maximum Redemption Amount to be redeemed as specified in the relevant Final Terms.

All Covered Bonds in respect of which any such notice is given shall be redeemed, or the Issuer's Option shall be exercised, on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption or a partial exercise of an Issuer's Option in respect of Materialised Covered Bonds, the notice to holders of such Materialised Covered Bonds shall also contain the numbers of the Definitive Materialised Covered Bonds to be redeemed, which shall have been drawn in such place and in such manner as may be fair and reasonable in the circumstances, taking account of prevailing market practices, subject to compliance with any applicable laws and Regulated Market requirements.

In the case of a partial redemption or a partial exercise of an Issuer's Option in respect of Dematerialised Covered Bonds, the redemption may be effected, at the option of the Issuer, either (i) by reducing the nominal amount of all such Dematerialised Covered Bonds in a Series in proportion to the aggregate nominal amount redeemed or (ii) by redeeming in full some only of such Dematerialised Covered Bonds and, in such latter case, the choice between those Dematerialised Covered Bonds that will be fully redeemed and those Dematerialised Covered Bonds of any Series that will not be redeemed shall be made in accordance with article R. 213-16 of the French Monetary and Financial Code (*Code monétaire et financier*) and the provisions of the relevant Final Terms, subject to compliance with any other applicable laws and Regulated Market requirements.

So long as the Covered Bonds are listed on the Official List of the Luxembourg Stock Exchange and admitted to trading on the Regulated Market of the Luxembourg Stock Exchange and the rules thereof so require, the Issuer shall, once in each year in which there has been a partial redemption of the Covered Bonds, cause to be published either on the website of the Luxembourg Stock Exchange (www.bourse.lu) or in a leading newspaper of general circulation in Luxembourg a notice specifying

the aggregate nominal amount of Covered Bonds outstanding and, in the case of Materialised Covered Bonds a list of any Materialised Covered Bonds, drawn for redemption but not surrendered.

(d) Redemption at the Option of Bondholders and Exercise of Bondholders' Options

If a Put Option is specified in the relevant Final Terms, the Issuer shall, at the option of the Bondholder, upon the Bondholder giving not less than fifteen (15) nor more than thirty (30) days' notice to the Issuer (or such other notice period as may be specified in the relevant Final Terms) redeem such Covered Bond on the Optional Redemption Date(s) at its Optional Redemption Amount together with interest accrued to the date fixed for redemption.

To exercise such option or any other Bondholders' Option as may be set out in the relevant Final Terms (which must be exercised on an Option Exercise Date) the Bondholder must deposit with a Paying Agent at its specified office a duly completed option exercise notice (the "**Exercise Notice**") in the form obtained during normal business hours from any Paying Agent or the Registration Agent, as the case may be, within the notice period. In the case of Materialised Covered Bonds, the Exercise Notice shall have attached to it the relevant Covered Bonds (together with all unmatured Receipts and Coupons and unexchanged Talons). In the case of Dematerialised Covered Bonds, the Bondholder shall transfer, or cause to be transferred, the Dematerialised Covered Bonds to be redeemed to the account of the Paying Agent with a specified office in Paris, as specified in the Exercise Notice. No option so exercised and, where applicable, no Covered Bond so deposited or transferred, may be withdrawn without the prior consent of the Issuer.

(e) Early Redemption

(i) *Zero Coupon Covered Bonds*

(A) The Early Redemption Amount payable in respect of any Zero Coupon Covered Bond, the amount of which is not linked to an index and/or a formula, upon redemption of such Covered Bond pursuant to Condition 7(f) or (g) or upon it becoming due and payable as provided in Condition 10 shall be the Amortised Nominal Amount (calculated as provided below) of such Covered Bond unless otherwise specified in the relevant Final Terms.

(B) Subject to the provisions of sub-paragraph (C) below, the amortised nominal amount of any such Covered Bond (the "**Amortised Nominal Amount**") shall be the scheduled Final Redemption Amount of such Covered Bond on the Final Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the amortisation yield (which, if none is shown in the relevant Final Terms, shall be such rate as would produce an Amortised Nominal Amount equal to the issue price of the Covered Bonds if they were discounted back to their issue price on the Issue Date) (the "**Amortisation Yield**") compounded annually.

(C) If the Early Redemption Amount payable in respect of any such Covered Bond upon its redemption pursuant to Condition 7(f) or (g) or upon it becoming due and payable as provided in Condition 10 is not paid when due, the Early Redemption Amount due and payable in respect of such Covered Bond shall be the Amortised Nominal Amount of such Covered Bond as defined in sub-paragraph (B) above, except that such sub-paragraph shall have effect as though the date on which the Covered Bond becomes due and payable was the Relevant Date. The calculation of the Amortised Nominal Amount in accordance with this sub-paragraph shall continue to be made (both before and after judgement) until the Relevant Date, unless the Relevant Date falls on or after the Final Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Covered Bond on the Final Maturity Date together with any interest that may accrue in accordance with Condition 6(d).

Where such calculation is to be made for a period of less than one (1) year, it shall be made on the basis of the Day Count Fraction as provided in the relevant Final Terms.

(ii) *Other Covered Bonds*

The Early Redemption Amount payable in respect of any Covered Bond (other than Covered Bonds described in (i) above), upon redemption of such Covered Bond pursuant to Condition (f) or (g) or upon it becoming due and payable as provided in Condition 10 shall be the Final Redemption Amount together with interest accrued to the date fixed for redemption unless otherwise specified in the relevant Final Terms.

(f) Redemption for taxation reasons

- (i) If, by reason of any change in French law, or any change in the official application or interpretation of such law, becoming effective after the Issue Date, the Issuer would on the occasion of the next payment of principal or interest due in respect of the Covered Bonds, not be able to make such payment without having to pay additional amounts as specified under Condition 9(b) below, the Issuer may, at its option, on any Interest Payment Date or, if so specified in the relevant Final Terms, at any time, subject to having given not more than forty-five (45) nor less than thirty (30) days' notice to the Bondholders (which notice shall be irrevocable), in accordance with Condition 17, redeem all, but not some only, of the Covered Bonds at their Early Redemption Amount together with, unless otherwise specified in the Final Terms, any interest accrued to the date set for redemption provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable date on which the Issuer could make payment of principal and interest without withholding for French taxes.
- (ii) If the Issuer would, on the next payment of principal or interest in respect of the Covered Bonds, be prevented by French law from making payment to the Bondholders or, if applicable, Couponholders of the full amounts then due and payable, notwithstanding the undertaking to pay additional amounts contained in Condition 9(b) below, then the Issuer shall forthwith give notice of such fact to the Fiscal Agent and the Issuer shall upon giving not less than seven (7) days' prior notice to the Bondholders in accordance with Condition 17, redeem all, but not some only, of the Covered Bonds then outstanding at their Early Redemption Amount together with, unless otherwise specified in the Final Terms, any interest accrued to the date set for redemption on (A) the latest practicable Interest Payment Date on which the Issuer could make payment of the full amount then due and payable in respect of the Covered Bonds, provided that if such notice would expire after such Interest Payment Date the date for redemption pursuant to such notice of Bondholders shall be the later of (i) the latest practicable date on which the Issuer could make payment of the full amount then due and payable in respect of the Covered Bonds and (ii) fourteen (14) days after giving notice to the Fiscal Agent as aforesaid or (B) if so specified in the relevant Final Terms, at any time, provided that the due date for redemption of which notice hereunder shall be given shall be the latest practicable date at which the Issuer could make payment of the full amount payable in respect of the Covered Bonds, or, if applicable, Receipts or Coupons or, if that date is passed, as soon as practicable thereafter.

(g) Redemption due to illegality

The Covered Bonds of all Series shall be redeemed at the option of the Issuer, subject to compliance by the Issuer of all the relevant laws, regulations and directives, in whole, but not in part, at any time, on giving not less than thirty (30) nor more than sixty (60) days' irrevocable notice in accordance with Condition 17 to the holders of Covered Bonds (or such other notice period as may be specified in the relevant Final Terms), if the Issuer satisfies the Fiscal Agent immediately before the giving of such notice that it has, or will, before the next Interest Payment Date of any Covered Bonds of any Series, become unlawful for the Issuer to make, fund or allow to remain outstanding any Collateral Assets made by it to an Originator or to comply with any other of its obligations under the Covered Bonds of that Series, as a result of any change in, or amendment to, the applicable laws or regulations or any change in the application or official interpretation of such laws or regulations, which change or amendment has become or will become effective before the next such Interest Payment Date.

Prior to the publication of any notice of redemption pursuant to this Condition, the Issuer shall deliver to the Fiscal Agent a certificate signed by two (2) members of the Executive Board (*directoire*) of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred and the Fiscal Agent shall be entitled to accept the certificate as sufficient evidence of the satisfaction of the conditions precedent set out above, in which event it shall be conclusive and binding on all Bondholders, Receiptholders and Couponholders.

Covered Bonds redeemed pursuant to this Condition 7(g) will be redeemed at their Early Redemption Amount referred to in paragraph 7(e) above together (if appropriate) with interest accrued to the date fixed for redemption, if any.

(h) Partly Paid Covered Bonds

Partly Paid Covered Bonds will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition 7 and the provisions specified in the relevant Final Terms.

(i) Purchases

The Issuer shall have the right at all times to purchase Covered Bonds (provided that, in the case of Materialised Covered Bonds, all unmatured Receipts and Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise (including by tender offer) at any price.

(j) Cancellation

All Covered Bonds purchased by or on behalf of the Issuer must be cancelled, in the case of Dematerialised Covered Bonds, by transfer to an account in accordance with the rules and procedures of Euroclear France and, in the case of Materialised Covered Bonds, by surrendering the relevant Temporary Global Certificate or the Definitive Materialised Covered Bonds in question, together with all unmatured Receipts and Coupons and all unexchanged Talons, if applicable, to the Fiscal Agent and, in each case, if so transferred or surrendered, shall, together with all Covered Bonds redeemed by the Issuer, be cancelled forthwith (together with, in the case of Dematerialised Covered Bonds, all rights relating to payment of interest and other amounts relating to such Dematerialised Covered Bonds and, in the case of Definitive Materialised Covered Bonds, all unmatured Receipts and Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Covered Bonds so cancelled or, where applicable, transferred or surrendered for cancellation may not be reissued or resold and the obligations of the Issuer in respect of any such Covered Bonds shall be discharged.

8. Payments and Talons**(a) Dematerialised Covered Bonds**

Payments of principal and interest in respect of Dematerialised Covered Bonds shall (i) in the case of Dematerialised Covered Bonds in bearer dematerialised form or administered registered form, be made by transfer to the account denominated in the relevant currency of the relevant Account Holders for the benefit of the holders of Covered Bonds and, (ii) in the case of Dematerialised Covered Bonds in fully registered form, to an account denominated in the relevant currency with a Bank designated by the relevant holder of Covered Bonds. All payments validly made to such Account Holders or Bank will be an effective discharge of the Issuer in respect of such payments.

(b) Definitive Materialised Covered Bonds**(i) Method of payment**

Subject as provided below, payments in a Specified Currency will be made by credit or transfer to an account denominated in the relevant Specified Currency, or to which the Specified Currency may be credited or transferred (which, in the case of a payment in Japanese yen to a non-resident of Japan, shall be a non-resident account) maintained by the payee with, or, at the option of the payee, by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Euro, shall be any country in the Euro-zone, and, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Sydney or Auckland, respectively).

(ii) Presentation and surrender of Definitive Materialised Covered Bonds, Receipts and Coupons

Payments of principal in respect of Definitive Materialised Covered Bonds will (subject as provided below) be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of partial payment of any sum due, annotation) of such Covered Bonds, and payments of interest in respect of Definitive Materialised Covered Bonds will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, annotation) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)).

Payments of instalments of principal (if any) in respect of Definitive Materialised Covered Bonds, other than the final instalment, will (subject as provided below) be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, annotation) of the relevant Receipt in accordance with the preceding paragraph. Payment of the final instalment will be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, annotation) of the relevant Covered Bond in accordance with the preceding paragraph. Each Receipt must be presented for payment of the relevant instalment together with the Definitive Materialised Covered Bond to which it appertains. Receipts presented without the Definitive Materialised Covered Bond to which they appertain do not constitute valid obligations of the Issuer.

Upon the date upon which any Definitive Materialised Covered Bond becomes due and payable, unmatured Receipts (if any) relating thereto (whether or not attached) shall become void and no payment will be made in respect thereof.

Fixed Rate Covered Bonds in definitive form (other than Dual Currency Covered Bonds or Index Linked Covered Bonds) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of ten (10) years after the Relevant Date in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 11) or, if later, five (5) years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Covered Bond in definitive form becoming due and repayable prior to its Final Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Covered Bond, Dual Currency Covered Bond, Index Linked Covered Bond in definitive form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof.

If the due date for redemption of any Definitive Materialised Covered Bond is not an Interest Payment Date, interest (if any) accrued in respect of such Covered Bond from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against presentation and surrender (if appropriate) of the relevant Definitive Materialised Covered Bond.

(c) Payments in the United States

Notwithstanding the foregoing, if any Materialised Covered Bonds are denominated in U.S. dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Covered Bonds in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.

(d) Payments subject to Fiscal Laws

All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives but without prejudice to Condition 9. No commission or expenses shall be charged to the holders of Covered Bonds or Couponholders in respect of such payments.

(e) Appointment of Agents

The Fiscal Agent, the Paying Agents and the Calculation Agent initially appointed by the Issuer and their respective specified offices are listed at the end of the Base Prospectus relating to the Programme

of the Covered Bonds of the Issuer. The Fiscal Agent, the Paying Agents and the Registration Agent act solely as agents of the Issuer and the Calculation Agent(s) act(s) as independent experts(s) and, in each case such, do not assume any obligation or relationship of agency for any Bondholder or Couponholder. The Issuer reserves the right at any time to vary or terminate the appointment of the Fiscal Agent, any other Paying Agent, Registration Agent or Calculation Agent and to appoint other Fiscal Agent, Paying Agent(s), Registration Agent(s) or Calculation Agent(s) or additional Paying Agent(s), Registration Agent(s) or Calculation Agent(s), provided that the Issuer shall at all times maintain (i) a Fiscal Agent, (ii) one (1) or more Calculation Agent(s) where the Conditions so require, (iii) Paying Agents having specified offices in at least two (2) major European cities (and ensuring the financial services of the Covered Bonds in Luxembourg so long as the Covered Bonds are listed on the Official List of the Luxembourg Stock Exchange and traded on the Regulated Market of the Luxembourg Stock Exchange and, so long as the Covered Bonds are admitted to trading on any other Regulated Market of the EEA, such other city where the Covered Bonds are admitted to trading) (iv) in the case of Materialised Covered Bonds, a Paying Agent having its specified office in a Member State of the EU that will not be obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC or any other EU Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to, such Directive (which may be any of the Paying Agents referred to in (iii) above), (v) in the case of Dematerialised Covered Bonds in fully registered form, a Registration Agent and (vi) such other agents as may be required by the rules of any other Regulated Market on which the Covered Bonds may be admitted to trading.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Materialised Covered Bonds denominated in U.S. dollars in the circumstances described in paragraph (c) above.

Notice of any such change or any change of any specified office shall promptly be given to the holders of Covered Bonds in accordance with Condition 17.

(f) Talons

On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Materialised Covered Bond, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 11).

(g) Business Days for Payment

If any date for payment in respect of any Covered Bond, Receipt or Coupon is not a business day, the holder shall not be entitled to payment until the next following business day unless otherwise specified in the relevant Final Terms, nor to any interest or other sum in respect of such postponed payment. In this paragraph, "**business day**" means a day (other than a Saturday or a Sunday) (A) (i) in the case of Dematerialised Covered Bonds, on which Euroclear France is open for business or (ii) in the case of Materialised Covered Bonds, on which banks and foreign exchange markets are open for business in the relevant place of presentation, (B) in such jurisdictions as shall be specified as "**Financial Centre(s)**" in the relevant Final Terms and (C) (i) in the case of a payment in a currency other than Euro, where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency or (ii) in the case of a payment in Euro, which is a TARGET Business Day.

(h) Bank

For the purpose of this Condition 8, "**Bank**" means a bank in the principal financial centre of the relevant currency or, in the case of Euro, in a city in which banks have access to the TARGET System.

9. Taxation

(a) Tax Exemption for Covered Bonds constituting obligations or debt instruments (*titres de créances*) assimilated thereto for French tax purposes

Pursuant to article 131 *quater* of the French General Tax Code (*Code général des impôts*), as construed by administrative circular no. 5 I-11-98 dated 30 September 1998 and rulings (*rescrits*) no.

The tax regime applicable to Covered Bonds which do not constitute *obligations* or debt instruments (*titres de créances*) assimilated thereto for French tax purposes will be set out in the relevant Final Terms.

(b) Additional Amounts

If French law should require that payments of principal or interest in respect of any Covered Bond, Receipt or Coupon be subject to deduction or withholding in respect of any present or future taxes or duties whatsoever, the Issuer will, to the fullest extent then permitted by law, pay such additional amounts as shall result in receipt by the Bondholders or, if applicable, the Receiptholders and the Couponholders, as the case may be, of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable in respect of any Covered Bond, Receipt or Coupon, as the case may be:

- (i) *Other connection*: to, or to a third party on behalf of, a Bondholder, Receiptholder or Couponholder who is liable to such taxes or duties by reason of his having some connection with the Republic of France other than the mere holding of the Covered Bond, Receipt or Coupon; or
 - (ii) *More than thirty (30) days after the Relevant Date*: in the case of Definitive Materialised Covered Bonds, more than thirty (30) days after the Relevant Date except to the extent that the Bondholder, Receiptholder or Couponholder would have been entitled to such additional amounts on presenting it for payment on the thirtieth (30th) such day; or
 - (iii) *Payment to individuals*: where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any other European Union Directive implementing the conclusions of the ECOFIN Council meeting of 26 and 27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive; or
 - (iv) *Payment by another Paying Agent*: in the case of Definitive Materialised Covered Bonds presented for payment by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting the relevant Covered Bond, Receipt or Coupon to another Paying Agent in a Member State of the European Union.

10. Events of Default

If an Issuer Event of Default occurs in respect of any Series, the Representative may, at its discretion, and shall, if so directed by the Majority Bondholders or if such Issuer Event of Default is a Covered Bonds Cross Acceleration Event, upon written notice (an "**Issuer Enforcement Notice**") to the Fiscal Agent (with copy to the Issuer, to the Issuer Security Agent and to the Rating Agencies) given before all defaults shall have been cured, cause the principal amount of all Covered Bonds of such Series to become due and payable (but subject to the relevant Payment Priority Order), together with any accrued interest thereon, as of the date on which such notice for payment is received by the Fiscal

Agent and, as provided under the Issuer Security Documents, enforce the rights of the Bondholders under the Issuer Security Documents.

11. Prescription

Claims against the Issuer for payment in respect of any amount due under the Covered Bonds, Receipts and Coupons (which for this purpose shall not include Talons) shall be prescribed and become void unless made within ten (10) years (in the case of principal) or five (5) years (in the case of interest) from the appropriate Relevant Date in respect of them.

12. Representation of Bondholders

Holders of Covered Bonds will, in respect of all Tranches in any Series, be grouped automatically for the defence of their common interests in a *masse* (in each case, the "**Masse**").

The Masse will be governed by the provisions of the French Commercial Code (*Code de commerce*) (the "**Code**") with the exception of articles L. 228-48, L. 228-59, L. 228-71, L. 228-80, R.228-63, R.228-67, R.228-69 and R.228-83, subject to the following provisions:

(a) Legal Personality

The Masse will be a separate legal entity and will act in part through a representative (the "**Representative**") and in part through a general meeting of the holders of Covered Bonds (the "**General Meeting**").

The Masse alone, to the exclusion of all individual holders of Covered Bonds, shall exercise the common rights, actions and benefits which now or in the future may accrue respectively with respect to the Covered Bonds.

(b) Representative

The office of Representative may be conferred on a person of any nationality. However, the following persons may not be chosen as Representatives:

- (i) the Issuer, the members of its Executive Board (*directoire*) and of its Supervisory Board (*conseil de surveillance*), its general managers (*directeurs généraux*), its statutory auditors, its employees and their ascendants, descendants and spouse; or
- (ii) companies guaranteeing all or part of the obligations of the Issuer, their respective managers (*gérants*), general managers (*directeurs généraux*), members of their board of directors, Executive Board or Supervisory Board, their statutory auditors, employees and their ascendants, descendants and spouse; or
- (iii) companies holding directly ten per cent. (10%) or more of the share capital of the Issuer or companies having ten per cent. (10%) or more of their share capital held by the Issuer; or
- (iv) persons to whom the practice of banker is forbidden or who have been deprived of the right of directing, administering or managing an enterprise in whatever capacity.

The Representative appointed in respect of the first Tranche of the first Series of Covered Bonds will be BNP Paribas Securities Services:

BNP Paribas Securities Services

Global Corporate Trust
Immeuble Tolbiac,
25 quai Panhard et Levassor
75013 Paris
France

represented by Mr. Pascal POMMIER, Head of Global Corporate Trust
department of BNP Paribas Securities Services.

The Representative appointed in respect of the first Tranche of any Series of Covered Bonds will be the Representative of the single Masse of all Tranches in such Series. The Representative appointed in respect of each Series of Covered Bonds will be the Representative in respect of the first Tranche of the first Series of Covered Bonds.

The alternative representative shall be Mr. Jean-Pierre PASQUIER, domiciled 25 avenue de Verdun, 94000 Créteil, France.

In the event of death, retirement or revocation of appointment of the Representative, such Representative will be replaced by the alternate representative. In the event of the death, retirement or revocation of appointment of the alternate representative, an alternate representative will be elected by the General Meeting.

The Issuer shall pay to the Representative an amount of Euro 1,000 per year so long as any of the Covered Bonds is Outstanding. The alternate representative will only become entitled to the annual remuneration of Euro 1,000 if it exercises the duties of Representative on a permanent basis; such remuneration will accrue from the day on which it assumes such duties.

All interested parties will at all times have the right to obtain the names and addresses of the Representative and the alternate representative at the head office of the Issuer and the specified offices of any of the Paying Agents.

(c) Powers of Representative

The Representative shall (in the absence of any decision to the contrary of the General Meeting) have the power to take all acts of management necessary in order to defend the common interests of the holders of Covered Bonds.

For the avoidance of doubt, the Issuer Security Agent shall have the power, upon the issue of each Series of Covered Bonds, to release and retake any existing security so that holders of Covered Bonds of all Series benefit *pari passu* from such security and to enforce the Issuer Security upon the service of an Issuer Enforcement Notice.

All legal proceedings against the Bondholders or initiated by them, must be brought by or against the Representative.

The Representative may not be involved in the management of the affairs of the Issuer.

(d) General Meeting

A General Meeting may be held at any time, on convocation either by the Issuer or by the Representative. One (1) or more Bondholders, holding together at least one-thirtieth (1/30) of the principal amount of the Covered Bonds outstanding, may address to the Issuer and the Representative a demand for convocation of the General Meeting. If such General Meeting has not been convened within two (2) months after such demand, the Bondholders may commission one (1) of their members to petition a competent court in Paris to appoint an agent (*mandataire*) who will call the General Meeting.

Notice of the date, hour, place and agenda of any General Meeting will be published as provided under Condition 17.

Each Bondholder has the right to participate in a General Meeting in person or by proxy. Each Covered Bond carries the right to one (1) vote or, in the case of Covered Bonds issued with more than one (1) Specified Denomination, one (1) vote in respect of each multiple of the lowest Specified Denomination comprised in the principal amount of the Specified Denomination of such Covered Bond.

(e) Powers of the General Meetings

The General Meeting is empowered to deliberate on the dismissal and replacement of the Representative and the alternate representative and also may act with respect to any other matter that relates to the common rights, actions and benefits which now or in the future may accrue with respect to the Covered Bonds, including authorising the Representative to act at law as plaintiff or defendant.

The General Meeting may further deliberate on any proposal relating to the modification of the Conditions including any proposal, whether for arbitration or settlement, relating to rights in controversy or which were the subject of judicial decisions, it being specified, however, that the General Meeting may not increase amounts payable by Bondholders, nor establish any unequal treatment between the Bondholders.

General Meetings may deliberate validly on first convocation only if Bondholders present or represented hold at least a fifth (1/5) of the principal amount of the Covered Bonds then outstanding. On second convocation, no quorum shall be required. Decisions at meetings shall be taken by a two-

third (2/3) majority of votes cast by Bondholders attending such General Meetings or represented thereat.

Decisions of General Meetings must be published in accordance with the provisions set forth in Condition 17.

(f) Information to Bondholders

Each Bondholder or Representative thereof will have the right, during the fifteen (15)-day period preceding the holding of each General Meeting, to consult or make a copy of the text of the resolutions which will be proposed and of the reports which will be presented at the General Meeting, all of which will be available for inspection by the relevant Bondholders at the registered office of the Issuer, at the specified offices of any of the Paying Agents and at any other place specified in the notice of the General Meeting.

(g) Expenses

The Issuer will pay all expenses relating to the operation of the Masse, including expenses relating to the calling and holding of General Meetings and, more generally, all administrative expenses resolved upon by the General Meeting, it being expressly stipulated that no expenses may be imputed against interest payable under the Covered Bonds.

(h) Single Masse

The holders of Covered Bonds of the same Series, and the holders of Covered Bonds of any other Series which have been assimilated with the Covered Bonds of such first mentioned Series in accordance with Condition 15, shall, for the defence of their respective common interests, be grouped in a single Masse. The Representative appointed in respect of the first Tranche or Series of Covered Bonds will be the Representative of the single Masse of all such Series.

13. Replacement of Definitive Materialised Covered Bonds, Receipts, Coupons and Talons

If, in the case of any Materialised Covered Bonds, a Definitive Materialised Covered Bond, Receipt, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and Regulated Market regulations, at the specified office of the Fiscal Agent or such other Paying Agent as may from time to time be designated by the Issuer for this purpose and notice of whose designation is given to Bondholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Definitive Materialised Covered Bond, Receipt, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Definitive Materialised Covered Bonds, Receipts, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Materialised Covered Bonds, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

14. Limited recourse, Non petition

Limited Recourse

By subscribing to any Covered Bond, each Bondholder will be automatically deemed to have agreed:

- (a) not to seek recourse under any obligation, covenant or agreement of the Issuer under the Covered Bonds and these Conditions against any shareholder, member of the Executive Board (*directoire*), member of the Supervisory Board (*conseil de surveillance*) or agent of the Issuer, by the enforcement of any assessment or by any proceeding, by virtue of any statute or otherwise; it being expressly agreed and understood that any obligation of the Issuer under the Covered Bonds and these Conditions is a corporate obligation of the Issuer, and that no personal liability shall attach to or be incurred by the shareholders, members of the Executive Board (*directoire*), members of the Supervisory Board (*conseil de surveillance*) or agents of the Issuer, as such, or any of them under or by reason of any of the obligations, covenants or agreements of the Issuer contained in these Conditions or implied therefrom and, as a condition of and in consideration for the issuing by the Issuer of any Covered Bond, to waive any and all personal liability of every such shareholder, member of the Executive Board (*directoire*), member of the

Supervisory Board (*conseil de surveillance*) or agent of the Issuer for breaches by the Issuer of any of its obligations, covenants or agreements under the Covered Bonds and these Conditions;

- (b) to limit its recourse against the Issuer under the Covered Bonds and these Conditions to amounts payable or expressed to be payable to it by the Issuer on, under or in respect of its obligations and liabilities under the Covered Bonds and these Conditions (and, for the avoidance of doubt, to the exclusion of any damage for breach of contract or other penalties not expressed as being payable by the Issuer under the Covered Bonds and these Conditions) and in accordance with the then applicable Priority Payment Order; and
- (c) that amounts payable or expressed to be payable by the Issuer on, under or in respect of its obligations and liabilities under the Covered Bonds and/or these Conditions shall be recoverable only from and to the extent of the amount of the Available Funds, as calculated on the relevant Interest Payment Date or (as applicable) on the relevant Final Maturity Date of each relevant Series of Covered Bonds (provided that, to the extent that no Available Funds exist at the relevant date, the Issuer shall not be liable to make payment of the aforementioned amounts and, provided further that, in the event that the Available Funds at the relevant date are insufficient to pay in full all amounts whatsoever due to it and all other claims ranking *pari passu* to its claims, then its claims against the Issuer shall be limited to its respective shares of such Available Funds (as determined in accordance with the then applicable Priority Payment Order) and, after payment to it of its respective share of such Available Funds, the obligations of the Issuer to it shall be discharged in full).

Non-Petition

By subscribing to any Covered Bond, each Bondholder will also be automatically deemed to have agreed that prior to the date which is eighteen (18) months and one (1) day after the earlier of (i) the Final Maturity Date of the last Series issued by the Issuer under the Programme, or (ii) the date of payment of any sums outstanding and owing under the latest outstanding Covered Bond:

- (a) it will not take any corporate action or other steps or legal proceedings for the winding-up, dissolution or organisation or for the appointment of a receiver, administrator, administrative receiver, trustee, liquidator, examiner, sequestrator or similar officer of the Issuer, of the Issuer or of any or all of the Issuer's revenues and assets; and
- (b) it will not have any right to take steps for the purpose of obtaining payment of any amounts payable to it under the Covered Bonds by the Issuer and shall not until such time take any step to recover any debts whatsoever owing to it by the Issuer otherwise than in accordance with, and subject to, the Conditions.

The above undertakings by each relevant Bondholder shall survive the payment of all sums owing under any Covered Bond and/or these Conditions.

15. Priority Payment Orders

As more fully described under section "**Cash Flow**" of the Base Prospectus, any and all sums due by the Issuer under the Programme (including principal and interest under the Covered Bonds) will be paid within the limit of the Available Funds of the Issuer at the time of such payment and according to the relevant Priority Payment Order described under section "**Cash Flow**" of the Base Prospectus. As a consequence, the payment of certain sums will be subordinated to the full payment of other sums. Bondholders are deemed to have notice of the provisions of the section "**Cash Flow**" of the Base Prospectus.

16. Further Issues and Consolidation

(a) Further Issues

Unless otherwise provided in the relevant Final Terms, the Issuer may from time to time without the consent of the Bondholders, Receiptholders or Couponholders create and issue further Covered Bonds to be assimilated (*assimilées*) with the Covered Bonds provided such Covered Bonds and the further Covered Bonds carry rights identical in all respects (or identical in all respects save as to the first payment of interest) and that the terms of such Covered Bonds provide for such assimilation, and references in these Conditions to "**Covered Bonds**" shall be construed accordingly.

(b) Consolidation

Unless otherwise provided in the relevant Final Terms, the Issuer, with the prior approval of the Fiscal Agent (which shall not be unreasonably withheld), may from time to time on any Interest Payment Date occurring on or after the Redenomination Date on giving not less than thirty (30) days' prior notice to the Bondholders in accordance with Condition 17, without the consent of the Bondholders, Receiptholders or Couponholders, consolidate the Covered Bonds of one (1) Series denominated in Euro with the Covered Bonds of one (1) or more other Series issued by it, whether or not originally issued in one (1) of the European national currencies or in Euro, provided such other Covered Bonds have been redenominated in Euro (if not originally denominated in Euro) and which otherwise have, in respect of all periods subsequent to such consolidation, the same terms and conditions as the Covered Bonds.

17. Notices

- (a) Notices to the holders of Dematerialised Covered Bonds in registered form (*au nominatif*) shall be valid if either, (i) they are mailed to them at their respective addresses, in which case they will be deemed to have been given on the fourth (4th) weekday (being a day other than a Saturday or a Sunday) after the mailing, or (ii) they are published in a leading daily newspaper of general circulation in Europe (which is expected to be the *Financial Times*) or, so long as such Covered Bonds are admitted to trading on any Regulated Market(s), in a leading daily newspaper with general circulation in the city/ies where the Regulated Market(s) on which such Covered Bonds is/are admitted to trading, which in the case of the Luxembourg Stock Exchange's Regulated Market is expected to be the *Luxemburger Wort*, or (iii) so long as such Covered Bonds are admitted to trading on the Official List of the Luxembourg Stock Exchange, they are published on the website of the Luxembourg Stock Exchange's Regulated Market (www.bourse.lu).
- (b) Notices to the holders of Materialised Covered Bonds and Dematerialised Covered Bonds in bearer form (*au porteur*) shall be valid if published in a leading daily newspaper of general circulation in Europe (which is expected to be the *Financial Times*) or, so long as such Covered Bonds are admitted to trading on any Regulated Market(s), in a leading daily newspaper with general circulation in the city/ies where the Regulated Market(s) on which such Covered Bonds is/are admitted to trading, which in the case of the Luxembourg Stock Exchange's Regulated Market is expected to be the *Luxemburger Wort* or, so long as such Covered Bonds are admitted to trading on the Official List of the Luxembourg Stock Exchange's, they are published on the website of the Luxembourg Stock Exchange (www.bourse.lu).
- (c) Notices required to be given to the holders of Dematerialised Covered Bonds (whether in registered or in bearer form) (*au porteur* or *au nominatif*) pursuant to these Conditions may be given by delivery of the relevant notice to Euroclear France, Euroclear, Clearstream, Luxembourg and any other clearing system through which the Covered Bonds are for the time being cleared in substitution for the mailing and publication as required by Conditions 17(a) and (b), above; provided that (i) so long as such Covered Bonds are admitted to trading on any Regulated Market(s) and the rules of that Regulated Market so require, notices shall also be published in a leading daily newspaper with general circulation in the city/ies where the Regulated Market(s) on which such Covered Bonds is/are admitted to trading, and (ii) so long as such Covered Bonds are admitted to trading on the Official List of the Luxembourg Stock Exchange, notices may also be published on the website of the Luxembourg Stock Exchange (www.bourse.lu).
- (d) Any notice given by publication shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the date of the first publication as provided above. Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Materialised Covered Bonds in accordance with this Condition.

18. Governing Law and Jurisdiction**(a) Governing Law**

The Covered Bonds, Receipts, Coupons and Talons are governed by, and shall be construed in accordance with, French law.

(b) Jurisdiction

Any claim against the Issuer in connection with any Covered Bonds, Receipts, Coupons or Talons may be brought before any competent court in Paris.

USE OF PROCEEDS

The net proceeds of the issue of Covered Bonds will be used to fund Borrower Advances under the Borrower Credit Facility to be made available by the Issuer to BNP Paribas.

In accordance with section "The Borrower and the Borrower Facility Agreement - The Borrower Facility Agreement - Principal and interest amounts" hereunder, the terms and conditions regarding the calculation and the payment of principal and interest under each Borrower Advance made by the Issuer with the net proceeds of the issue of Covered Bonds shall mirror the equivalent terms and conditions of the Corresponding Final Terms of Covered Bonds. As a consequence, the Borrower Advances have characteristics that demonstrate capacity to produce funds to service any payments due and payable on the Covered Bonds, as long as no Borrower Event of Default has occurred.

TEMPORARY GLOBAL CERTIFICATES IN RESPECT OF MATERIALIZED COVERED BONDS

Temporary Global Certificates

A Temporary Global Certificate without interest coupons (a "**Temporary Global Certificate**") will initially be issued in connection with each Tranche of Materialised Covered Bonds, which will be delivered on or prior to the issue date of the Tranche with a common depository (the "**Common Depository**") for Euroclear Bank S.A./N.V. ("**Euroclear**") and for Clearstream Banking, *société anonyme* ("**Clearstream, Luxembourg**"). Upon the delivery of such Temporary Global Certificate with a Common Depository, Euroclear and Clearstream, Luxembourg will credit each subscriber with a nominal amount of Covered Bonds equal to the nominal amount thereof for which it has subscribed and paid.

The Common Depository may also credit with a nominal amount of Covered Bonds the accounts of subscribers with (if indicated in the relevant Final Terms) other clearing systems through direct or indirect accounts with Euroclear and Clearstream, Luxembourg held by such other clearing systems. Conversely, a nominal amount of Covered Bonds that is initially deposited with any other clearing system may similarly be credited to the accounts of subscribers with Euroclear, Clearstream, Luxembourg, or other clearing systems.

Exchange

Each Temporary Global Certificate issued in respect of Materialised Covered Bonds will be exchangeable, free of charge to the holder, on or after its Exchange Date (as defined below):

- (i) if the relevant Final Terms indicates that such Temporary Global Certificate is issued in compliance with the C Rules or in a transaction to which TEFRA is not applicable (as to which, see "General Description of the Programme-Selling Restrictions"), in whole, but not in part, for Definitive Materialised Covered Bonds and
- (ii) otherwise, in whole but not in part, upon certification if required under US Treasury Regulation section 1.163-5 (c)(2)(i)(D)(3) as to non-U.S. beneficial ownership for Definitive Materialised Covered Bonds.

Delivery of Definitive Materialised Covered Bonds

On or after its Exchange Date, the holder of a Temporary Global Certificate may surrender such Temporary Global Certificate to, or to the order of, the Fiscal Agent. In exchange for any Temporary Global Certificate, the Issuer will deliver, or procure the delivery of, an equal aggregate nominal amount of duly executed and authenticated Definitive Materialised Covered Bonds. In this Base Prospectus, "**Definitive Materialised Covered Bonds**" means, in relation to any Temporary Global Certificate, the Definitive Materialised Covered Bonds for which such Temporary Global Certificate may be exchanged (if appropriate, having attached to them all Coupons and Receipts in respect of interest or Instalment Amounts that have not already been paid on the Temporary Global Certificate and a Talon). Definitive Materialised Covered Bonds will be security printed in accordance with any applicable legal and stock exchange requirement.

Exchange Date

"**Exchange Date**" means, in relation to a Temporary Global Certificate in respect of any Materialised Covered Bonds, the day falling after the expiry of forty (40) days after its issue date, provided that in the event any further Materialised Covered Bonds which are to be assimilated with such first mentioned Materialised Covered Bonds are issued prior to such day pursuant to Condition 15(a), the Exchange Date may, at the option of the Issuer, be postponed to the day falling after the expiry of forty (40) days after the issue date of such further Materialised Covered Bonds.

In the case of Materialised Notes with an initial maturity of more than 365 days (and that are not relying on the TEFRA C Rules), the Temporary Global Certificate shall bear the following legend:

ANY UNITED STATES PERSON WHO HOLDS THIS OBLIGATION WILL BE SUBJECT TO LIMITATIONS UNDER THE UNITED STATES FEDERAL INCOME TAX LAWS INCLUDING THE LIMITATION PROVIDED IN SECTIONS 165(j) AND 1287 (a) OF THE INTERNAL REVENUE CODE OF 1986, AS AMENDED.

Issuer's Activities

Special purpose entity and restrictions on object and powers

The Issuer is a recently established entity, with separate legal capacity and existence, licensed by the French banking regulator for the exclusive purpose of holding the Collateral Assets and issuing the Covered Bonds. The Issuer's objects and powers will to the extent possible be restricted to those activities necessary to carry out its obligations under the Programme Documents. The Issuer does not have and will not have any employees, nor will it own or lease any premises. The Issuer has undertaken pursuant to the Administrative Agreement and its articles of association not to engage in unrelated business activities or incur any material liabilities other than those contemplated in the Programme Documents.

Limitations on indebtedness

Pursuant to the Conditions, the Issuer will be restricted from incurring additional indebtedness (other than as contemplated by the Programme Documents) unless:

- (a) such indebtedness is fully subordinated to the outstanding indebtedness incurred in relation to the Covered Bonds, as the case may be; or
- (b) prior Rating Affirmation has been delivered in relation to such indebtedness.

Limited recourse

Each party to any Programme Document will agree:

- (a) not to seek recourse under any obligation, covenant or agreement of the Issuer contained in any Programme Document against any shareholder, member of the Executive Board (*directoire*), member of the Supervisory Board (*conseil de surveillance*) or agent of the Issuer, by the enforcement of any assessment or by any proceeding, by virtue of any statute or otherwise; it being expressly agreed and understood that any obligation of the Issuer under any Programme Document is a corporate obligation of the Issuer, and that no personal liability shall attach to or be incurred by the shareholders, members of the Executive Board (*directoire*), members of the Supervisory Board (*conseil de surveillance*) or agents of the Issuer, as such, or any of them under or by reason of any of the obligations, covenants or agreements of the Issuer contained in any Programme Document or implied therefrom and, as a condition of and in consideration for the execution by the Issuer of any Programme Document, to waive any and all personal liability of every such shareholder, member of the Executive Board (*directoire*), member of the Supervisory Board (*conseil de surveillance*) or agent of the Issuer for breaches by the Issuer of any of its obligations, covenants or agreements under any Programme Document;
- (b) to limit its recourse against the Issuer under any Programme Document to amounts payable or expressed to be payable to it by the Issuer in respect of its obligations and liabilities under any Programme Document (and, for the avoidance of doubt, to the exclusion of any damage for breach of contract or other penalties not expressed as being payable by the Issuer under any Programme Document) and in accordance with the then applicable Priority Payment Order; and
- (c) that amounts payable or expressed to be payable by the Issuer in respect of its obligations and liabilities under any Programme Document shall be recoverable only from and to the extent of the amount of the Available Funds, as calculated on the relevant Interest Payment Date or (as applicable) on the relevant Final Maturity Date of each relevant Series of Covered Bonds (provided that, to the extent that no Available Funds exist at the relevant date, the Issuer shall not be liable to make payment of the aforementioned amounts and provided further that in the event that the Available Funds at the relevant date are insufficient to pay in full all amounts whatsoever due to it and all other claims ranking *pari passu* to its claims, then its claims against the Issuer shall be limited to its respective shares of such Available Funds (as determined in accordance with the then applicable Priority Payment Order) and, after payment to it of its respective share of such Available Funds, the obligations of the Issuer to it shall be discharged in full).

Non-petition

Each party to any Programme Document will also agree that prior to the date which is eighteen (18) months and one (1) day after the earlier of (i) the Final Maturity Date of the last Series issued by the Issuer under the Programme, or (ii) the date of payment of any sums outstanding and owing under the latest outstanding Covered Bond:

- (a) it will not take any corporate action or other steps or legal proceedings for the winding-up, dissolution or organisation or for the appointment of a receiver, administrator, administrative receiver, trustee, liquidator, examiner, sequestrator or similar officer of the Issuer, or the Issuer or of any or all of the Issuer's revenues and assets; and
- (b) it will not have any right to take steps for the purpose of obtaining payment of any amounts payable to it under any Programme Document by the Issuer and shall not until such time take any step to recover any debts whatsoever owing to it by the Issuer otherwise than in accordance with, and subject to, the Conditions;

The above undertakings by each relevant party survive the termination of any Programme Document and the payment of all sums owing under any such Programme Document.

No risk of Issuer consolidation upon insolvency of the Group

The Issuer is intended to be a ring-fenced, bankruptcy remote entity that will be unaffected by the insolvency of the Group. Under French applicable law, the Issuer's assets may only be "consolidated" into the insolvency proceedings of any other member of the Group if either (i) there is commingling of its assets (*confusion de patrimoine*) with the assets of that member of the Group or (ii) the Issuer is a "fictitious" entity (*société fictive*).

Restrictions on mergers or reorganisations

The Issuer has undertaken in the Conditions not to enter into any merger, re-organisation or similar transaction without prior Representative Consent and Rating Affirmation.

Separateness covenants

The Issuer has undertaken in the Conditions to observe certain separateness covenants in order to maintain its independent existence and to avoid the risk of bringing it and its assets within the scope of any insolvency proceedings in relation to the Borrower and/or the Group (based on applicable general principles of French law such as "piercing the corporate veil", "alter ego", or "substantive consolidation" principles).

Issuer Risk Management

Pursuant to the terms of the Administrative Agreement and of the *Convention de mise à disposition de moyens*, as amended from time to time, the risk management of the Issuer is delegated to BNP Paribas.

Ongoing and periodic internal control system

The Issuer's internal control system is based on a three (3) level system and makes a clear distinction between its ongoing and its periodic internal controls in accordance with the *Règlement 97-02* of the French *Comité de la réglementation bancaire et financière* relating to the internal control of credit institutions and investment companies as amended on 14 January 2009.

Ongoing internal control system (contrôle permanent)

The Issuer has set up an internal control system which takes into account the Issuer's own legal form as a French limited company, with a Supervisory Board and an Executive Board (*société anonyme à directoire et conseil de surveillance*), and also its "lack of own means" status.

The Issuer is integrated into BNP Paribas's ongoing internal control system. BNP Paribas's overall ongoing control procedures are applied according to a Department's organisational structure within BNP Paribas.

These procedures rest in the first instance on Level 1 and Level 2 ongoing controls which are carried out by BNP Paribas Operations Teams: Front Office, Middle Office, and Back Office.

Level 2 controls comprise both hierarchic controls as performed by team leaders and management, as well as departmental controls. Other transversal departments, again internal to BNP Paribas, strengthen this mechanism (Group Risk Management, Finance, Compliance).

The ongoing internal control (*contrôle interne permanent*) of the Issuer is conducted by the internal control officer (*responsable du contrôle interne permanent*), currently Mr Joseph Ros, expressly mandated in this capacity by the Chairman of the Executive Board of the Issuer and of the investment services' compliance officer (*responsable de la conformité des services d'investissement*), currently Mr Fabrice Moly.

Periodic internal control system (contrôle périodique)

The Issuer's internal control system, Level 3, is under the supervision of independent control committees.

The Audit team of the Corporate and Investment Banking division of BNP Paribas (CIB) carries out the Issuer's audit. The Audit team reports since 1 January 2006 to the General Investigation Service of BNP Paribas (*Inspection Générale*).

The Issuer is included in CIB's audit remit and is audited according to the principles, norms and standards in force for the Group as a whole and more specifically for the activities and entities of CIB.

The internal audit charter of the Group is applicable to the Issuer. CIB Internal Audit norms as issued in September 2007 are specified in accordance with the Issuer's scope of activity in accordance with the Group's internal audit guidelines.

The Issuer is the subject of an annual risk assessment to determine the intrinsic risk of the activity. An audit plan is determined on the basis of the outcome of the risk assessment and results in audits performed with a frequency corresponding to the usual frequency of audits within the Group. Recommendations resulting from these audits are followed up on a bi-annual basis.

The Administrative Agreement determines the terms and conditions of the management of the control activities of the Issuer which will be carried out by the audit team of the CIB Paris Department.

Performance of internal control

The Level 1 ongoing internal controls are carried out by all of the agents and employees of BNP Paribas acting on behalf of the Issuer in the context of the performance of the accounting, administrative, regulatory and computing procedures and in accordance with the relevant terms of the Administrative Agreement and of the *Convention de mise à disposition de moyens*, as amended from time to time. These Level 1 ongoing internal controls can be carried out automatically once they are integrated in the computer system. In addition, they allow the provision of information to the system of internal control. The Level 1 ongoing internal controls and the responsibilities of the operating employees are provided for in the internal control procedures of BNP Paribas accessible in the form of a "procedure handbook". The control of the compliance of (i) the transactions, (ii) the level of risk actually involved and (iii) the compliance with the procedures is carried out by agents and employees of BNP Paribas acting on behalf of the Issuer.

System of the problems management

The internal control officer is responsible for the system of management and follow-up of the problems arising out from time to time. Given the size of the Issuer, the exercise of the function of compliance control is carried out by the investment services' compliance officer, currently Mr Fabrice Moly. This person is completely independent from the operational functions of the Issuer. The compliance control procedures are accessible in the form of a "procedure handbook" and, in particular, render compulsory in accordance with article 11 of the *Règlement 97-02* of the French *Comité de la réglementation bancaire et financière* relating to the internal control of credit institutions and investment companies, the prior approval of the officer in charge of the compliance of new terms and conditions for the entering into agreements relating to the provision of banking and investment services by the Issuer as well as the control procedures carried out.

Accounting

In the context of the Administrative Agreement and of the *Convention de mise à disposition de moyens*, as amended from time to time, the general accounting, the consolidation of periodical financial statements and regulatory statements are carried out by the service "*Reporting Filiales*" of the BNP Paribas department named *Finance Développement Groupe*.

IT systems

All of the procedures described below are carried out through the use of various programs. The general accounting and the provision of financial statements are carried out through the tool CCMX-FINANCE (accounting package) and CCMX-Plaquette (annex maker) of the CEQGID which *Finances Développement Groupe* uses for its numerous branches of BNP Paribas. The preparation and provision of regulatory and prudential statements are carried out through the tools EVOLAN REPORT by SOPRA. All of the accounting records are carried out in accordance with the standards of the Group and updated in the event of any modification of the applicable regulations. Finally, all of the preparation and electronic processing tasks relating to the accounting information systems of the Issuer are carried out by specialised teams of *Finances Développement Groupe* which have expertise in this domain and benefit from a backup site. The framework is based on general accounts managed by BNP Paribas – service "Reporting Filiales". The Advances made available by BNP Paribas Home Loan Covered Bonds, as Lender under the Borrower Facility Agreement and the issue of the Covered Bonds are followed up by the back offices of BNP Paribas which transmit the information (by way of a confirmation slip) to the service *FDG Reporting Filiales* in order to ensure the book entry and which initiate the cash flows. The entire process is validated on a monthly basis by the follow-up of the back accounts and inventories (balance sheet and financial review) which are edited by the back office tools of BNP Paribas.

Internal control reporting

In the context of the Administrative Agreement, each of the relevant department of BNP Paribas prepare, on a yearly basis, on behalf of the Issuer, a reporting relating to the conditions under which the periodic and ongoing internal control are performed. At least twice a year, the Supervisory Board shall review the activity and the results of the periodic and ongoing internal controls, and in particular, the latter shall verify the compliance control on the basis of information provided by both the Executive Board and the internal control officer.

Information procedures of the Supervisory Board

The Executive Board shall keep the Supervisory Board informed of the economic and financial situation of the Issuer and shall communicate any and all measures consisting of the system of the internal control as well as the main items and results which have been observed with respect to the risks to which the Issuer is exposed.

Procedures handbook

In the context of the Administrative Agreement, each of the relevant department of BNP Paribas is entrusted with the duties to update the procedures handbook relating to its activity. The procedures handbook notably sets out the conditions under which the recording, the management, the administration and the reporting of the information are performed as well as the accounting schemes and commitment procedures of the transactions.

Internal control documentation

In the context of the Administrative Agreement and of the *Convention de mise à disposition de moyens*, as amended from time to time, each of the relevant department of BNP Paribas is entrusted with the duties to update the documentation setting out the means which allow the performance of the periodical and ongoing internal controls. This documentation is structured in order to be provided upon request to the Executive Board, the Supervisory Board, the auditors or the general secretary of the French *Commission bancaire*.

Duty of care on money laundering transactions

Pursuant to the provisions of the French Monetary and Financial Code (*Code monétaire et financier*) relating to anti-money laundering, the Issuer shall exercise the utmost care with respect to its "know your customers" procedures and selection of clients and in any case clients which are companies or entities of the Group duly incorporated either in France or in European Economic Area. Pursuant to the provisions of the Administrative Agreement and of the *Convention de mise à disposition de moyens*, as amended from time to time, the Issuer shall benefit from the anti-money laundering procedures of the Group. The

Managing Director (*Directeur Général*), Mr. Alain DEFORGE, shall be the TRACFIN representative in charge of performing the above-mentioned tasks.

Issuer Financial Elements

The financial year of the Issuer runs from 1 January to 31 December. The annual results of the Issuer are the non consolidated accounts. The Issuer does not produce consolidated financial statements.

Prudential ratios

The Issuer's prudential ratios are assessed at the Group level.

As of 1 January 2008, upon BNP Paribas S.A.'s request, BNP Paribas Home Loan Covered Bonds has obtained from the French Banking Commission (*Commission Bancaire*) an exemption from prudential surveillance on an individual basis pursuant to article 4.1 of Regulation No. 2000-03 of the *Comité de la réglementation bancaire et financière*. Since then, BNP Paribas Home Loan Covered Bonds has been within the prudential consolidation perimeter of BNP Paribas.

Issuer Share capital, Subordinated Loans and Issuer Majority Shareholder's undertakings

Share capital

The Issuer's issued share capital is € 175 million, made up of 17,500,000 ordinary shares with a par value of € 10 each (the "**Issuer Share Capital**").

The share capital may be increased or decreased in accordance with legal provisions. New shares can be issued either at par value or at a premium.

A capital increase can only be approved by an extraordinary general meeting of shareholders, on the basis of a report by the Executive Board.

An extraordinary general meeting of shareholders can delegate the necessary powers to the Executive Board to increase the share capital on one (1) or more occasions, to establish the terms of the increase, to certify that such terms have been carried out and to amend the Issuer's articles of association accordingly.

A reduction in capital can be decided by an extraordinary general meeting of shareholders, which may delegate to the Executive Board all the necessary powers to carry out such a reduction.

Subordinated Loans

The Issuer also benefits from € 75,000,000 subordinated shareholder's loans granted by BNP Paribas (the "**Subordinated Loans**").

The Subordinated Loan agreements provide that all amounts to be paid by the Issuer under those Subordinated Loan agreements will be paid according to the relevant Priority Payment Order, as described in Condition 15 of the Terms and Conditions.

The Subordinated Loan agreements include "Limited Recourse" and "Non petition" provisions, as described in "**Issuer's Activities – Limited Recourse**" and "**Issuer's Activities - Non-Petition**".

No amendment, modification, alteration or supplement shall be made to the Subordinated Loan agreements without prior Rating Affirmation if the same materially and adversely affects the interest of the Issuer or the Bondholders.

For the avoidance of doubt, the Subordinated Loan agreements may be amended, modified, altered or supplemented without prior Rating Affirmation:

- (a) to cure any ambiguity, omission, defect or inconsistency;
- (b) to evidence or effect the transition of any party to the Subordinated Loan agreements to any successor;

- (c) to add to the undertakings and other obligations of BNP Paribas under the Subordinated Loan agreements; or
- (d) to comply with any mandatory requirements of applicable laws and regulations.

The Subordinated Loan agreements shall be governed by, and construed in accordance with, French law. The Issuer and BNP Paribas, as lender, have agreed to submit any dispute that may arise in connection with the Subordinated Loan agreements to the jurisdiction of the competent court of Paris.

Shareholder Letter of Undertaking

As the majority shareholder of the Issuer and pursuant to a letter of undertaking (the "**Shareholder Letter of Undertaking**"), BNP Paribas undertakes in favour of the Bondholders of Covered Bonds of all Series to be issued, represented by their respective Representative:

The Administrative Agreement

This section sets out the main material terms of the Administrative Agreement.

Background

The "**Administrative Agreement**" refers to the agreement dated on or prior to the Programme Date and entered into between BNP Paribas Home Loan Covered Bonds, as Issuer and BNP Paribas, as "Administrator" (the "**Administrator**").

Purpose

Under the Administrative Agreement, BNP Paribas Home Loan Covered Bonds, as Issuer, appoints BNP Paribas as its servicer for the rendering of administrative services to the Issuer (including all necessary advice, assistance and know-how, whether technical or not, day to day management and corporate administration services). The Administrator will always act in the best and exclusive interest of BNP Paribas Home Loan Covered Bonds.

Administrator's duties

Pursuant to the Administrative Agreement, the Administrator will *inter alia*:

- (a) advise and assist the Issuer in all accounting and tax matters;
- (b) advise and assist the Issuer in all legal and administrative matters;
- (c) ensure that the Issuer will exercise each of its rights and perform each of its obligations under the Programme Documents;
- (d) provide the Issuer with all necessary assistance and know-how, whether technical or other, to exercise and perform all of its rights and obligations under the Programme Documents;
- (e) assist the Issuer in operating its bank accounts, the management and investment of its available cash in Permitted Investments in accordance with the relevant Permitted Investments rules, and any other matters in relation to the management of its bank accounts and funds so as to ensure that the Issuer will at all times comply with the provisions of the Programme Documents;
- (f) act as custodian of any and all other documents that any corporate company similar to the Issuer shall keep on file under any applicable laws, until the Service Termination Date;
- (g) upon enforcement of the Borrower Collateral Security and of the Affiliate Collateral Security (if any) following the occurrence of a Borrower Event of Default which is continuing, take title to the Borrower Collateral Security Assets and the Affiliate Collateral Security Assets (if any) on behalf of the Issuer and hence causing the Borrower to deliver such assets to the Issuer;
- (h) upon enforcement of the Borrower Collateral Security and of the Affiliate Collateral Security (if any) following the occurrence of a Borrower Event of Default which is continuing and upon the Issuer taking title to the Borrower Collateral Security Assets and the Affiliate Collateral Security Assets (if any), ensure the servicing of such assets (if not transferred to a substitute servicer), and notify the debtors for the direct payment to the Issuer of the amounts due under the Home Loans.

Administrator's duties regarding the refinancing of the Transferred Assets

After title to Home Loans and related Home Loan Security and Substitution Assets has been transferred to the Issuer upon enforcement of the Borrower Collateral Security and of the Affiliate Collateral Security following the occurrence of a Borrower Event of Default which is continuing (the "**Transferred Assets**"), the Administrator (or the Substitute Administrator) acting on behalf of the Issuer will sell or refinance such Home Loans, related Home Loan Security and Substitution Assets in order for the Issuer to receive sufficient Available Funds to make payments when due under the relevant Series of Covered Bonds (after taking into account all payments to be made in priority thereto according to the relevant Priority Payment Order and the relevant payment dates and Final Maturity Date under each relevant Series of Covered Bonds).

The Administrator (or the Substitute Administrator) acting on behalf of the Issuer shall ensure that the Home Loans, related Home Loan Security and Substitution Assets which are proposed for sale or refinancing (the "**Selected Assets**") at any relevant date (the "**SARA Relevant Date**") will be selected on a random basis, provided that (i) no more Selected Assets will be selected than are necessary for the estimated sale or refinancing proceeds to equal the Adjusted Required Redemption Amount, and (ii) the aggregate outstanding principal amount or value (and interest accrued thereon) of such Selected Assets shall not exceed the "**Selected Assets Required Amount (SARA)**", which is calculated as follows:

$$\text{SARA} = \text{Adjusted Required Redemption Amount} * A/B$$

where:

"**Adjusted Required Redemption Amount**" means an amount equal to the euro equivalent of the outstanding principal amount (together with Interest Amount accrued thereon) of the first Series of Covered Bonds maturing after the SARA Relevant Date less amounts standing to the credit of the Issuer Accounts (excluding all amounts to be applied on the first Payment Date following the SARA Relevant Date to repay higher ranking amounts in the relevant Priority Payment Order and those amounts that are required to repay any Series which mature prior to or on the same date as the relevant Series);

"A" means the euro equivalent of the aggregate of the outstanding principal amount or value (together with interest accrued thereon) of all Transferred Assets; and

"B" means the euro equivalent of the outstanding principal amount (together with Interest Amount accrued thereon) in respect of all Series of Covered Bonds then outstanding.

The Administrator (or the Substitute Administrator) acting on behalf of the Issuer will offer the Selected Assets for sale to potential buyers for the best price reasonably available but in any event for an amount not less than the Adjusted Required Redemption Amount.

If the Selected Assets have not been sold or refinanced (in whole or in part) in an amount equal to the Adjusted Required Redemption Amount by the date which is six (6) months prior to the Final Maturity Date of the Series of Covered Bonds maturing after the SARA Relevant Date (after taking into account all payments, provisions and credits to be made in priority thereto), then the Administrator (or the Substitute Administrator) acting on behalf of the Issuer will (i) offer the Selected Assets for sale for the best price reasonably available or (ii) seek to refinance the Selected Assets on the best terms reasonably available, notwithstanding that such amount may be less than the Adjusted Required Redemption Amount.

For the purpose hereof, the Administrator (or the Substitute Administrator) acting on behalf of the Issuer may through a tender process appoint a portfolio manager of recognised standing on a basis intended to incite the portfolio manager to achieve the best price for the sale or refinancing of the relevant Home Loans, related Home Loan Security and the relevant Substitution Assets (if such terms are commercially available in the market) and to advise it in relation to the sale or refinancing of the same to potential buyers.

In respect of any sale or refinancing of the Selected Assets, the Administrator (or the Substitute Administrator) acting on behalf of the Issuer shall use all reasonable endeavours to procure that the same are sold as quickly as reasonably practicable (in accordance, as the case may be, with the recommendations of the portfolio manager) taking into account the market conditions at that time.

For such purposes, "**Permitted Investments**" means:

- (a) Euro denominated government securities, Euro demand or time deposits, certificates of deposit and short term debt obligations (including commercial paper) provided that in all cases such investments have a remaining maturity date of thirty (30) days or less and mature on or before the next following Payment Date and the short term unsecured, unguaranteed and unsubordinated debt obligations of the issuing or guaranteeing entity or the entity with which the demand or time deposits are made are rated at least A-1 (short term) or A (long term) by S&P, F1 (short term) by Fitch and P-1 (short term) by Moody's;
- (b) Euro denominated government securities, Euro demand or time deposits, certificates of deposit and short term debt obligations (including commercial paper) provided that in all cases such investments have a remaining maturity date of three hundred and sixty-four (364) days or less and the short term unsecured, unguaranteed and unsubordinated debt obligations of the issuing or guaranteeing entity or the entity with which the demand or time deposits are made are rated at least A-1+ (short term) or AA- (long term) by S&P, F1+ (short term) by Fitch and P-1 by Moody's; and
- (c) Euro denominated government securities, Euro demand or time deposits, certificates of deposit which have a remaining maturity date of more than three hundred and sixty-four (364) days and the long term unsecured, unguaranteed and unsubordinated debt obligations of the issuing or guaranteeing entity or the entity with which the demand or time deposits are made are rated at least AAA by S&P, AAA by Fitch and Aaa by Moody's.

Substitution and Agency

The Administrator may not assign its rights and obligations under the Administrative Agreement but will have the right to be assisted by, to appoint or to substitute for itself any third party in the performance of certain or all its tasks under the Administrative Agreement provided that:

- (a) the Administrator has given written notice of the exercise of that right to the Issuer;

- (b) the Administrator remains liable to the Issuer for the proper performance of those tasks and, with respect to the Issuer only, the relevant third party has expressly waived any right to any contractual claim against the Issuer; and

Resignation of the Administrator

The Administrator will not resign from the duties and obligations imposed on it as Administrator pursuant to the Administrative Agreement, except:

- (a) upon a determination that the performance of its duties under the Administrative Agreement will no longer be permissible under applicable law; and
- (b) in the case where the Issuer does not comply with any of its material obligations under the Administrative Agreement and fails to remedy the situation within one hundred and eighty days (180) days from the receipt by the Issuer of a notice from the Administrator,

such resignation being effective on the date upon which (i) the event in paragraph (a) above occurs; or (ii) one hundred and eighty (180) days after the date of delivery of the notice referred to in paragraph (b) above and the date upon which the Administrator becomes unable to act as Administrator.

Administrator's Defaults

Each of the following events shall constitute an Administrator's Default:

- (a) any material representation or warranty made by the Administrator is or proves to have been incorrect or misleading in any material respect when made, and the same is not remedied (if capable of remedy) within sixty (60) Business Days after the Issuer has given notice thereof to the Administrator or (if sooner) the Administrator has knowledge of the same, provided that the Issuer, at its discretion, certifies that it is prejudicial to the interests of the holders of the relevant Covered Bonds;
- (b) the Administrator fails to comply with any of its material obligations under the Administrative Agreement unless such breach is capable of remedy and is remedied within sixty (60) Business Days after the Issuer has given notice thereof to the Administrator or (if sooner) the Administrator has knowledge of the same, provided that the Issuer, at its discretion, certifies that it is prejudicial to the interests of the holders of the relevant Covered Bonds;
- (c) an Insolvency Event occurs in respect of the Administrator; or

- (d) at any time it is or becomes unlawful for the Administrator to perform or comply with any or all of its material obligations under the Administrative Agreement or any or all of its material obligations under the Administrative Agreement are not, or cease to be, legal, valid and binding.

For such purposes, "**Insolvency Event**" means the occurrence of any of the following events:

- (a) the relevant entity is, or is deemed or declared for the purposes of any law to be, unable to pay its debts as they fall due or to be insolvent, including without limitation, *en état de cessation des paiements*, or admits in writing its inability to pay its debts as they fall due;

Administrator Rating Trigger Event

If an Administrator Rating Trigger Event occurs, the Administrator will notify the Issuer in writing of the occurrence of the Administrator Rating Trigger Event within five (5) Business Days from the date upon which it becomes aware of such event and this will constitute a termination event under the Administrative Agreement.

For such purposes, "**Administrator Rating Trigger Event**" means the event in which the long-term senior unsecured, unsubordinated and unguaranteed debt obligations of the Administrator become rated below BBB by S&P, or Baa2 by Moody's or BBB by Fitch.

Guarantee

Subject to customary legal limitation under French law, the Borrower, as guarantor (in such capacity, the "**Guarantor**") irrevocably and unconditionally, (i) jointly and severally guarantees (*caution solidaire*) to the Lender the due and punctual observance and performance of the terms, conditions and covenants under each Affiliate Facility Agreement (as described in "The Affiliates, the Affiliate Facility Agreements and the Affiliate Collateral Security") on the part of each relevant Affiliate (as described in "The Affiliates, the Affiliate Facility Agreements and the Affiliate Collateral Security") (other than an Excluded Affiliate), including the payment of the Guaranteed Liabilities, and agrees to pay from time to time on demand of the Administrator any and every sum or sums of money which is at any time payable to the Lender in respect of the Guaranteed Liabilities, and (ii) agrees as a primary obligation to indemnify the Lender from time to time on demand of the Administrator from and against any loss incurred by the Lender as a result of any of the obligations of any Affiliate (other than an Excluded Affiliate) under or pursuant to the Programme Documents being or becoming void, voidable, unenforceable or ineffective as against such Affiliate for any reason whatsoever, whether or not known to the Lender or any other person, the amount of such loss being the amount which the Lender would otherwise have been entitled to recover from such Affiliate.

Borrower Secured Liabilities

The Borrower Collateral Security Agreement sets forth the terms and conditions upon which the Borrower shall grant "Eligible Assets" as collateral security (*garantie financière*) (the "**Borrower Collateral Security**") for the benefit of the Lender in order to secure, as they become due and payable, the payments of all and any amounts owed by the Borrower under the Borrower Facility, whether present or future and whether in its capacity as "Borrower" or "Guarantor" (the "**Borrower Secured Liabilities**").

The "**Home Loan Eligibility Criteria**" include the following cumulative eligibility criteria:

- (a) prior to the date upon which the Home Loan has been made available to the borrower thereof, all scoring, lending criteria and conditions precedent as applied by the originator of the Home Loan pursuant to its customary lending procedures were satisfied;

If it is confirmed that a Home Loan ceases to comply with one (1) or several of the above Home Loan Eligibility Criteria (each, an "**Ineligible Home Loan**"), any Home Loan Receivables granted as Borrower Collateral Security under such Ineligible Home Loan shall account for zero for the purpose of calculation of the Asset Cover Test on the relevant Asset Cover Test Date (see "Asset Monitoring - Asset Cover Test"). In addition, the Borrower may request that such Ineligible Home Loan Receivables be released from the scope of the Borrower Collateral Security.

The Home Loan Eligibility Criteria may be amended from time to time subject to prior Rating Affirmation.

"**Substitution Assets**" means:

- (a) Euro or other Specified Currency demand or time deposits, certificates of deposit, long-term debt obligations and short-term debt obligations (including commercial paper) provided that in all cases

Borrower Collateral Security Assets

Eligible Assets shall be validly granted as Borrower Collateral Security and shall qualify as "**Borrower Collateral Security Assets**" for the purposes of the Borrower Collateral Security Agreement only upon satisfaction of numerous conditions precedents, including in particular that the same shall have been duly identified in the Borrower's IT systems.

Creation and Perfection

The Borrower Collateral Security shall be created in accordance with articles L. 211-36 *et seq.* (formerly articles L. 431-7 *et seq.*) of the French Monetary and Financial Code (*Code monétaire et financier*). The Borrower Collateral Security shall not entail any transfer of title with respect to the relevant Eligible Assets until enforcement.

The Borrower Collateral Security shall be perfected pursuant to paragraphs I and II, 1°) and II, 2°) of article L. 211-38 of the French Monetary and Financial Code (*Code monétaire et financier*).

The perfection of each security shall not be conditional upon any formality other than the identification of the assets subject to the Borrower Collateral Security.

Asset Monitoring and Asset Cover Test

The Borrower shall monitor the Borrower Collateral Security Assets so as to at all times comply with the Asset Cover Test (as further described in "Asset Monitoring – The Asset Cover Test").

In particular, the Borrower may at any time add, substitute or release Borrower Collateral Security Assets (including Home Loan Receivables arising from Ineligible Home Loans) from the scope of the Borrower Collateral Security. However, any such addition, substitution and/or release shall be effective only subject to confirmation by the Issuer Calculation Agent that a Non Compliance with Asset Cover Test would not occur as a result of such addition, substitution and/or release. For such purpose, the Issuer Calculation Agent shall re calculate the Asset Percentage (as defined in "Asset Monitoring – The Asset Cover Test") that would be applicable following such addition, substitution and/or release each time any such addition, substitution or release is requested by the Borrower.

Upon non compliance with the Asset Cover Test on any applicable test date, the Borrower shall cure such non compliance by:

- (a) granting sufficient additional or substitute Eligible Assets as Borrower Collateral Security (or cause the Affiliates to grant additional or substitute Eligible Assets as Affiliate Collateral Security pursuant to the relevant terms of the relevant Affiliate Collateral Security Agreement); and/or
- (b) requesting that sufficient Borrower Collateral Security Assets be released from the scope of the Borrower Collateral Security (or cause the Affiliates to release Affiliate Collateral Security Assets from the Affiliate Collateral Security pursuant to the relevant terms of the relevant Affiliate Collateral Security Agreement),

A failure to cure a non compliance with the Asset Cover Test which has occurred on any Asset Cover Test Date prior to the next following Asset Cover Test Date shall constitute a "**Breach of Asset Cover Test**" under the Borrower Collateral Security Agreement. Any Breach of Asset Cover Test shall be deemed the occurrence of a "Borrower Event of Default" under the Borrower Facility Agreement.

Asset Servicing

The Borrower shall perform the servicing of the Borrower Collateral Security Assets in accordance with applicable laws and its customary servicing procedures (the "**Servicing Procedures**"), using the degree of skill, care and attention as for the servicing of its assets for its own account, without interfering with the Issuer's material rights under the Borrower Collateral Security Agreement.

The Borrower shall provide the Issuer with: (i) on each Asset Cover Test Date, an asset report (the "**Asset Report**") up-to-date as at the last Business Day of the calendar month immediately preceding such Asset Cover Test Date, and (if different from an Asset Cover Test Date) on each date upon which a Borrower Collateral Security Assets is selected by the Borrower for inclusion in the scope of the Borrower Collateral Security. Each Asset Report shall include the relevant data and information with respect to the relevant assets.

The Borrower shall furthermore, in accordance with the Servicing Procedures, establish, maintain or cause to be maintained and furthermore administer at all times accurate, complete and up-to-date records with respect to the Borrower Collateral Security Assets.

For the purpose of satisfying itself as to whether the Borrower Collateral Security Assets remain Eligible Assets or control Asset Reports, the Issuer (or any agent acting on its behalf) is granted the access to the Borrower's premises or to premises where the Asset Records are located, in order to inspect or audit such Asset Records (such right of inspection or audit including taking copies of all or any document or data).

If a Servicing Rating Trigger Event occurs, the Administrator will notify the Issuer in writing of the occurrence of such event and then within 30 Business Days of such occurrence, the Issuer and the Borrower will use reasonable endeavours to appoint a new servicer (whose long-term senior unsecured, unsubordinated and unguaranteed debt obligations (if rated) are rated at least BBB by S&P, Baa2 by Moody's or BBB- by Fitch), for the servicing of the Borrower Collateral Security Assets. For such purposes, "**Servicing Rating Trigger Event**" means the event in which the long-term senior unsecured, unsubordinated and unguaranteed debt obligations of the Borrower become rated below BBB by S&P, or Baa2 by Moody's or BBB- by Fitch.

For the purpose hereof:

"**Asset Records**" means

- (a) the computer and manual records, files, internal data, books and all other information (including information stored in information systems) related to the Borrower Collateral Security Assets or the Affiliate Collateral Security Assets, together with the underlying contracts and other documents evidencing title of the relevant entity to such assets (including, with respect to Home Loans, the related Home Loan Security); and
- (b) the records, files, internal data, computer systems and all other information related to the Collection Accounts and the operation of the same.

"**Collection Accounts**" means any and all bank accounts opened in the name of the Borrower and the Affiliates to collect interest and principal paid under the Home Loan Receivables granted as Borrower Collateral Security or (as appropriate) Affiliate Collateral Security, as specified from time to time to the Issuer Calculation Agent pursuant to the relevant terms of the Borrower Collateral Security Agreement or (as appropriate) the Affiliate Collateral Security Agreement.

Representations, warranties and undertakings

The Borrower has made customary representations, warranties and undertakings in favour of the Issuer, such representations and warranties being given on the execution date of the Borrower Collateral Security Agreement and continuing until satisfaction in full of the Borrower Secured Liabilities.

Collection Loss Trigger Event

All cash credited to the Collection Loss Reserve Account as described above shall be granted as Borrower Collateral Security subject to, and in accordance with, the relevant terms of the Borrower Collateral Security Agreement and shall secure the Borrower Secured Liabilities as they become due and payable. Failure by the Borrower to fund the Collection Loss Reserve Account up to the required amount within the required period following the occurrence date of the Collection Loss Trigger Event shall constitute a "**Breach of Collection Loss Reserve Funding Requirement**" within the meaning of the Borrower Collateral Security Agreement. A Breach of Collection Loss Reserve Funding Requirement shall result in the occurrence of a "**Borrower Event of Default**" under the Borrower Facility Agreement.

Affiliate Debt Commingling Trigger Event

Upon downgrading of the credit rating of the Borrower below A-1 (S&P) or F-1 (Fitch) or P-1 (Moody's) (or any other credit rating trigger which may be agreed with the Rating Agencies after the date hereof) (the "**Affiliate Debt Commingling Trigger Event**") and within sixty (60) Business Days from the occurrence of such Affiliate Debt Commingling Trigger Event:

- (a) the Borrower and each relevant Affiliate shall take all necessary steps so that all and any amounts owed by any Affiliates under any Affiliate Facility, are paid into the credit of a single dedicated bank account to be opened within such period in the name and in the books of the Borrower (the "**Affiliate Debt Commingling Account**"); and
- (b) the Borrower shall grant any cash amount standing on the credit of the Affiliate Debt Commingling Account as collateral security (*garantie financière*) for the benefit of the Lender so as to secure as they become due and payable the payments of all and any amounts owed by the Borrower under the Borrower Facility, whether present or future and whether in its capacity as "Borrower" or "Guarantor".

Enforcement

Upon the service of a Borrower Enforcement Notice subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement following the occurrence of a Borrower Event of Default which is continuing unremedied, the Issuer (represented by the Issuer Independent Representative or by the Administrator or the Substitute Administrator) shall be entitled to exercise all rights, actions and privileges with respect to the Borrower Collateral Security Assets as granted to a secured creditor in accordance with paragraph II, 3°) of article L. 211-38 of the French Monetary and Financial Code (*Code monétaire et financier*). In particular, with immediate effect as from the service to the Borrower of a Borrower Enforcement Notice:

- (a) the Borrower shall no longer be entitled to service the Borrower Collateral Security Assets and shall refrain from taking any action whatsoever in connection with the Borrower Collateral Security Assets or vis à vis the underlying debtors, except upon the written prior instructions of each of the Issuer or the Administrator (or the Substitute Administrator), or any of its representative, agent or expert acting on its behalf;

- (b) the Issuer shall be vested in all the rights of title, all discretions, benefits and all other rights of the Borrower with respect to any and all Borrower Collateral Security Assets, related Asset Records and related documents, including, without formality whatsoever, all rights of title, all discretions, benefits and all other rights in relation to any right, privilege, guarantee or security interest (*droit accessoire, privilège, garantie ou sûreté*) ancillary or as the case may be attached to the Borrower Collateral Security Assets (and, in particular, any and all relevant Home Loan Security); and
- (c) the Issuer (represented by the Administrator (or the Substitute Administrator) or any of its representative, agent or expert acting on its behalf) shall:
- take whatever action required in order to perfect, or any other action which it deems necessary for the purpose of perfecting, its rights of title, discretions, privileges, remedies and other rights with respect to any or all Borrower Collateral Security Assets and any related rights, privileges, guarantees and security interest ancillary or attached to any or all Borrower Collateral Security Assets; and/or
 - exercise all its rights, discretions, privileges and remedies under any or all Borrower Collateral Security Assets or any related documents; and/or
 - enforce all its rights, discretions, privileges and remedies under any or all Home Loan Security and the other guarantees and security interest ancillary or attached to any or all Borrower Collateral Security Assets; and/or
 - serve a notice to any or all the debtors and all other relevant entities under any or all Borrower Collateral Security Assets, mentioning the new payment instructions to be observed by the same with respect to the payment of sums due under the Borrower Collateral Security Assets and/or the related Asset Contractual Documentation.

After transfer of title with respect to any or all Borrower Collateral Security Assets, the Issuer (represented by the Administrator (or the Substitute Administrator) or any of its representative, agent or expert acting on its behalf) may dispose of, transfer, sale or cause to be sold, any or all the Borrower Collateral Security Assets to any third party or refinance the same (by way of securitisation or otherwise).

For the purpose hereof:

"Asset Contractual Documentation" means, in relation to any and all Borrower Collateral Security Assets or Affiliate Collateral Security Assets, all originals or executive or true copies (*copies exécutoires*) of any contract, instrument or other document (such as riders, waivers and amendments) providing for the terms and conditions of, and/or evidencing title and benefit to, such Borrower Collateral Security Assets or Affiliate Collateral Security Assets and any right, privilege, guarantee or security interest (*droit accessoire, privilège, garantie ou sûreté*) ancillary or as the case may be attached thereto (and, in particular, any and all relevant Home Loan Security).

Conditions of enforcement

Enforcement requires no other formality whatsoever (including the necessity to obtain a court order or conduct an auction), any notification requirements (to the Borrower or any other person) nor any other procedures.

Pursuant to article L. 211-40 of the French Monetary and Financial Code (*Code monétaire et financier*), no right of the Issuer to enforce the Borrower Collateral Security shall be in any manner affected or limited by any insolvency proceedings mentioned under the sixth book of the French Commercial Code (*Livre VI du Code de commerce*) which would have been opened with respect to the Borrower or any of its assets.

Borrower's obligations upon enforcement

With immediate effect as from the service to the Borrower of a Borrower Enforcement Notice and upon the instructions of each of the Issuer, the Administrator (or the Substitute Administrator) or any of its representative, agent or expert acting on its behalf (each, an **"Enforcing Party"**), the Borrower shall:

- (a) execute any document, take whatever action and do all such things required in order to perfect, or any other action that the Enforcing Party deems necessary for the purpose of perfecting, the Issuer's rights of title, discretions, privileges, remedies and other rights in relation to any or all Borrower

Collateral Security Assets and any related rights, privileges, guarantees and security interest ancillary or attached thereto;

- (b) deliver such Asset Records and related documents to the Enforcing Party to such place as the same may reasonably designate;
- (c) allow to the Enforcing Party reasonable access to its facilities, premises, computer and/or software systems;

Subject to the discharge in full of all the Borrower Secured Liabilities, the Borrower shall have the right to claim against the Issuer for repayment (*créance de restitution*) of the portion of the Enforcement Proceeds received by the Issuer and not applied to the satisfaction of the Borrower Secured Liabilities. Such repayment by the Issuer to the Borrower shall be made as soon as reasonably practicable following the day upon which all sums due under any and all the Tranches and Series of Covered Bonds shall have been repaid in full.

Limited Recourse – Non Petition

The Borrower Collateral Security Agreement includes "Limited Recourse" and "Non petition" provisions, as described in "Issuer's Activities – Limited Recourse" and "Issuer's Activities - Non-Petition".

Amendment

No amendment, modification, alteration or supplement shall be made to the Borrower Collateral Security Agreement without prior Rating Affirmation if the same materially and adversely affects the interest of the Issuer or the Bondholders.

For the avoidance of doubt, the Borrower Collateral Security Agreement may be amended, modified, altered or supplemented without prior Rating Affirmation:

The parties to the Borrower Collateral Security Agreement have agreed to submit any dispute that may arise in connection with the Borrower Collateral Security Agreement to the jurisdiction of the competent court of Paris.

Creation and Perfection

Any Cash Collateral shall be created upon credit of the corresponding sums into the Cash Collateral Account.

The perfection of each Cash Collateral shall not be conditional upon any formality. Each Cash Collateral shall entail the transfer of title in favour of the Issuer with respect to the relevant cash funded into the Cash Collateral Account.

Cash at any time standing to the credit of the Cash Collateral Account may be invested only in Permitted Investments whose maturity is earlier than the Final Maturity Date of the relevant Series of Covered Bonds.

Pre-Maturity Test

The Cash Collateral Provider shall be requested to fund the Cash Collateral Account with the relevant Cash Collateral and up to the required amount upon non compliance by the Borrower of certain pre-maturity ratings levels following the occurrence date of such non-compliance and during a certain pre-maturity test period (as further described in "Asset Monitoring – The Pre-Maturity Test").

Failure by the Cash Collateral Provider to fund the Cash Collateral Account with the relevant Cash Collateral and up to the required amount within the required period following any non-compliance with the relevant pre-maturity ratings levels and on any relevant test date following such non-compliance shall constitute a "**Breach of Pre-Maturity Test**" under the Cash Collateral Agreement which breach shall in turn result in the occurrence of a "**Borrower Event of Default**" under the Borrower Facility Agreement.

Representations, warranties and undertakings

The Cash Collateral Provider has made the customary representations and warranties and undertakings to the Issuer, the representations and warranties being given on the execution date of the Cash Collateral Agreement and continuing until satisfaction in full of the Borrower Secured Liabilities.

Enforcement

Upon the service of a Borrower Enforcement Notice subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement following the occurrence of a Borrower Event of Default which is continuing, the Issuer (represented by the Issuer Independent Representative or by the Administrator or Substitute Administrator) shall be entitled to apply all sums standing to the credit of the Cash Collateral Account in satisfaction of all the Borrower Secured Liabilities.

Any sum remaining to the credit of the Cash Collateral Account after satisfaction in full of the Borrower Secured Liabilities shall be promptly repaid to the Borrower.

Conditions of enforcement

Enforcement requires no other formality whatsoever (including the necessity to obtain a court order or conduct an auction), any notification requirements (to the Borrower, the Cash Collateral Provider or any other person) nor any other procedures .

No right of the Issuer to enforce its rights under the Cash Collateral Agreement shall be in any manner affected or limited by any insolvency proceedings with respect to the Borrower.

Limited Recourse – Non Petition

The Cash Collateral Agreement includes "Limited Recourse" and "Non petition" provisions, as described in "Issuer's Activities – Limited Recourse" and "Issuer's Activities - Non-Petition".

Amendment

No amendment, modification, alteration or supplement shall be made to the Cash Collateral Agreement without prior Rating Affirmation if the same materially and adversely affects the interest of the Issuer or the Bondholders.

For the avoidance of doubt, the Cash Collateral Agreement may be amended, modified, altered or supplemented without prior Rating Affirmation:

- (a) to cure any ambiguity, omission, defect or inconsistency;
- (b) to evidence or effect the transition of any party to the Cash Collateral Agreement to any successor;
- (c) to add to the undertakings and other obligations of the Cash Collateral Provider under the Cash Collateral Agreement; or
- (d) to comply with any mandatory requirements of applicable laws and regulations.

Governing Law – Jurisdiction

The Cash Collateral Agreement shall be governed by, and construed in accordance with, French law. The Issuer and the Cash Collateral Provider have agreed to submit any dispute that may arise in connection with the Cash Collateral Agreement to the jurisdiction of the competent court of Paris.

THE AFFILIATES, THE AFFILIATE FACILITY AGREEMENTS AND THE AFFILIATE COLLATERAL SECURITY

The Affiliates

- (h) no Issuer Event of Default has occurred and is continuing and the accession of the Affiliate will not or is not likely to trigger the occurrence of an Issuer Event of Default.

The Affiliate Facility Agreements

Background

Prior to its accession to the Programme, each relevant Affiliate enters into an Affiliate Facility agreement (each, an "**Affiliate Facility Agreement**") with BNP Paribas, as "Affiliate Lender" (the "**Affiliate Lender**") in order to determine the terms and conditions according to which the Affiliate Lender shall grant such Affiliate with advances under an Affiliate Facility (each, an "**Affiliate Advance**").

The Affiliate Lender may fund each Affiliate advance to be made available to the relevant Affiliate (i) with the proceeds of a Borrower Advance made available under the Borrower Facility or (ii) out of its own resources.

Affiliate Facility

Each Affiliate Facility shall be made available to the Affiliate in an aggregate maximum amount to be determined by the relevant Affiliate and the Affiliate Lender (the "**Affiliate Facility Commitment**"), it being provided that the aggregated amounts of all the Affiliate Facility Commitments shall not exceed € 25,000,000,000. Each Affiliate Facility shall be made available for the purpose of financing the general financial needs of the relevant Affiliate.

Principal and interest amounts

The terms and conditions of an Affiliate Advance may not mirror those of the Borrower Advance funding such Affiliate Advance. Any amounts repaid or prepaid under any Affiliate Advance may be re-borrowed.

Representations, warranties and undertakings

The relevant Affiliate has made the customary representations and warranties and undertakings to the Affiliate Lender, the representations and warranties being given on the execution date of the relevant Affiliate Facility Agreement and continuing until all sums due by the Affiliate under the relevant Affiliate Facility Agreement shall have been repaid in full.

Main other terms

Each Affiliate Facility Agreement also provides for:

- (a) customary tax gross-up provisions relating to payments to be made by the Affiliate to the Affiliate Lender under the relevant Affiliate Facility Agreement;
- (b) customary tax indemnity provisions relating to any payment to be made by the Affiliate Lender on account of tax on or in relation to any sum received or receivable under the relevant Affiliate Facility Agreement by the Affiliate Lender from the Affiliate or any liability in respect of any such payment is asserted, imposed, levied or assessed against the Affiliate Lender;
- (c) customary "increased costs" provisions;
- (d) general financial information covenants and other customary covenants of the Affiliate.

Affiliate Event of Default

Each of the following constitute an Affiliate event of default for the purposes of the relevant Affiliate Facility Agreement (each, an "**Affiliate Event of Default**"):

- (a) the relevant Affiliate fails to pay any sum due under the Affiliate Facility when due, in the currency and in the manner specified herein; provided, however, that where such non-payment is due to an administrative error or the failure of continuing external payment systems or clearing systems reasonably used by the Affiliate and such payment is made by the Affiliate within three (3) Business Days of such non-payment, such non-payment shall not constitute an Affiliate Event of Default;
- (b) any material representation or warranty made by the Affiliate, in the relevant Affiliate Facility Agreement or in any notice or other document, certificate or statement delivered by it pursuant hereto or in connection herewith is or proves to have been incorrect or misleading in any material respect when made, and the same is not remedied (if capable of remedy) within sixty (60) Business Days after the Affiliate Lender has given notice thereof to the Affiliate or (if sooner) the Affiliate has knowledge of the same;
- (c) the Affiliate fails to comply with any of its material obligations under the Affiliate Facility Agreement unless such breach is capable of remedy and is remedied within sixty (60) Business Days after the Affiliate Lender has given notice thereof to the Affiliate or (if sooner) the Affiliate has knowledge of the same;
- (d) as regards the Affiliate, an Insolvency Event occurs;
- (e) any effect, event or matter (regardless of its nature, cause or origin and in particular the commencement of any legal, administrative or other proceedings against the Affiliate) occurs which is or could be reasonably expected to be materially adverse to (i) the financial or legal situation, assets, business or operations of the Affiliate and (ii) the ability of the Affiliate to perform its payment obligations or the financial covenants under any of the Programme Documents; or
- (f) at any time it is or becomes unlawful for the Affiliate to perform or comply with any or all of its material obligations under the Affiliate Facility Agreement or any of the material obligations of the Affiliate under the Affiliate Facility Agreement are not or cease to be legal, valid and binding.

Upon the occurrence of an Affiliate Event of Default, the Affiliate Lender may, by written notice (such notice to constitute a *mise en demeure*) to the relevant Affiliate, (i) declare that no more Affiliate Advances shall be made under the relevant Affiliate Facility, (ii) declare that the relevant Affiliate Facility shall be cancelled, and (iii) declare that the relevant Affiliate Advances shall immediately become due and payable

and enforce its rights under the relevant Affiliate Collateral Security Agreement (an "**Affiliate Enforcement Notice**").

Affiliate Facility early amortisation upon Borrower Event of Default

Any Affiliate Facility will be accelerated upon the occurrence of a Borrower Event of Default. For such purposes, upon the occurrence of a Borrower Event of Default, the Administrator, duly mandated by the Affiliate Lender for such purposes, shall, by written notice (such notice to constitute a *mise en demeure*) to the relevant Affiliate, (i) declare that no more Affiliate Advances shall be made under the relevant Affiliate Facility, (ii) declare that the Affiliate Facility shall be cancelled, and (iii) declare that the Affiliate Advances shall immediately become due and payable and enforce its rights under the relevant Affiliate Collateral Security Agreement (a "**Cross-Acceleration Enforcement Notice**").

For such purposes, "**Insolvency Event**" means the occurrence of any of the following events:

- (a) the relevant entity is, or is deemed or declared for the purposes of any law to be, unable to pay its debts as they fall due or to be insolvent, including without limitation, en *état de cessation des paiements*, or admits in writing its inability to pay its debts as they fall due;

- (c) a meeting of the shareholders of the relevant entity is convened for the purpose of considering any resolution for (or to petition for) its winding-up or its administration or any such resolution is passed;
- (d) any person presents a petition for the winding-up or for the administration or for the bankruptcy of the relevant entity and the petition is not discharged within thirty (30) days;
- (e) any order for the winding-up or administration of the relevant entity is issued;
- (f) a judgment is issued for the judicial liquidation ("*liquidation judiciaire*"), the safeguard of the relevant entity ("*procédure de sauvegarde*"), the rescheduling of the debt of the relevant entity ("*redressement judiciaire*") or the transfer of the whole or part of the business of the relevant entity ("*cession de l'entreprise*") pursuant to articles L. 620-1 *et seq.* of the French Commercial Code (*Code de commerce*); or
- (g) any liquidator, trustee in bankruptcy, receiver, administrative receiver, administrator or the like (including, without limitation, any "*mandataire ad hoc*", "*administrateur judiciaire*", "*administrateur provisoire*", "*conciliateur*" or "*mandataire liquidateur*") is appointed in respect of the relevant entity or any substantial or material part of the assets or the directors of the relevant entity request such appointment.

Guarantee

Subject to customary legal limitations under French law and up to the maximum amount that may be owed by each Affiliate under the relevant Affiliate Facility Agreement, each Affiliate, as guarantor (in such capacity, the "**Affiliate Guarantor**") irrevocably and unconditionally and jointly and severally:

- (i) guarantees to the Lender the due and punctual observance and performance of the terms, conditions and covenants under the Borrower Facility Agreement (as described in "The Borrower and the Borrower Facility Agreement") on the part of the Borrower, including the payment of the Guaranteed Liabilities (as defined herein), and agrees to pay from time to time on demand of the Administrator any and every sum or sums of money which is at any time payable to the Lender in respect of the Guaranteed Liabilities (as defined herein); and
- (ii) agrees as a primary obligation to indemnify the Lender from time to time on demand of the Administrator from and against any loss incurred by the Lender as a result of any of the obligations of the Borrower under or pursuant to the Programme Documents being or becoming void, voidable, unenforceable or ineffective as against the Borrower for any reason whatsoever, whether or not

known to the Lender or any other person, the amount of such loss being the amount which the Lender would otherwise have been entitled to recover from the Borrower.

For such purposes,

"Guaranteed Liabilities" means all present and future payment obligations (whether actual or contingent and whether owed jointly or severally or in any other capacity whatsoever) of the Borrower under the Borrower Facility Agreement.

Limited Recourse – Non Petition

Any Affiliate Facility Agreement includes "Limited Recourse" and "Non petition" provisions, as described in "Issuer's Activities – Limited Recourse" and "Issuer's Activities - Non-Petition".

Amendment

No amendment, modification, alteration or supplement shall be made to any Affiliate Facility Agreement without prior Rating Affirmation if the same materially and adversely affects the interest of the Issuer or the Bondholders.

For the avoidance of doubt, any Affiliate Facility Agreement may be amended, modified, altered or supplemented without prior Rating Affirmation:

- (a) to cure any ambiguity, omission, defect or inconsistency;
- (b) to evidence or effect the transition of any party to such Affiliate Facility Agreement to any successor;
- (c) to add to the undertakings and other obligations of the relevant Affiliate under such Affiliate Facility Agreement; or
- (d) to comply with any mandatory requirements of applicable laws and regulations.

Governing Law – Jurisdiction

The Affiliate Facility Agreement shall be governed by, and construed in accordance with, French law. The Affiliate Lender and the relevant Affiliate have agreed to submit any dispute that may arise in connection with the Affiliate Facility Agreement to the jurisdiction of the competent court of Paris.

Affiliate not incorporated in France

Variations to the above described terms of any Affiliate Facility Agreement may be agreed between the Affiliate Lender and any Affiliate not incorporated in France if required under the law of the jurisdiction where the relevant Affiliate is incorporated or the law governing the Home Loans and/or the Affiliate Collateral Security. Other variations to the above described terms of any Affiliate Facility Agreement can only be agreed subject to prior Rating Affirmation.

The Affiliate Collateral Security Agreements

Background

An Affiliate Collateral Security Agreement refers to any agreement made between (i) any Affiliate which has concluded an Affiliate Facility Agreement, and (ii) BNP Paribas in its capacity as "Affiliate Lender", "Administrator" and "Issuer Calculation Agent" (each an "**Affiliate Collateral Security Agreement**").

Affiliate Secured Liabilities

Each Affiliate Collateral Security Agreement sets forth the terms and conditions upon which the relevant Affiliate shall grant "Eligible Assets" as collateral security (*garantie financière*) (the "**Affiliate Collateral Security**") for the benefit of the Affiliate Lender so as to secure as they become due and payable the payments of all and any amounts owed by the Affiliate under the relevant Affiliate Facility, whether present or future and whether in its capacity as "Affiliate" or "Affiliate Guarantor" (the "**Affiliate Secured Liabilities**").

Eligible Assets

For the purposes of each Affiliate Collateral Security Agreement, an "**Eligible Asset**" means any Home Loans receivables that comply to the "Home Loans Eligibility Criteria" and any Substitution Asset.

The "**Home Loans Eligibility Criteria**" are those described in "The Borrower Collateral Security – the Borrower Collateral Security Agreement".

The "**Substitution Assets**" are those described in "The Borrower Collateral Security – the Borrower Collateral Security Agreement".

Affiliate Collateral Security Assets

Eligible Assets shall be validly granted as Affiliate Collateral Security and shall qualify as "**Affiliate Collateral Security Assets**" for the purposes of the relevant Affiliate Collateral Security Agreement only upon satisfaction of numerous conditions precedents, including in particular that the same shall have been duly identified in the Affiliate's IT systems.

Creation and Perfection

The creation and perfection of each Affiliate Collateral Security with respect to each Affiliate which is incorporated in France shall be created and perfected subject to the same requirements as that applicable to the creation and perfection of the Borrower Collateral Security.

The creation and perfection of each Affiliate Collateral Security with respect to each Affiliate which is not incorporated in France will depend on the applicable law and will be subject to prior Rating Affirmation.

Top up requirements

Under each Affiliate Security Agreement and in order to preserve the value of its security thereunder, the Affiliate Lender will have the discretion to request from the relevant Affiliate to grant additional or substitute Eligible Assets as Affiliate Collateral Security upon conditions to be agreed on a case by case basis.

The Affiliate Lender will have also the right to accept or refuse any release from the scope of an Affiliate Collateral Security that may have been requested by the relevant Affiliate.

Asset Servicing

Each Affiliate shall perform the servicing of the Affiliate Collateral Security Assets in accordance with applicable laws, its customary servicing procedures, using the degree of skill, care and attention as for servicing of its assets for its own account.

Each Affiliate shall regularly provide the Affiliate Lender with an asset report on terms to be agreed between each Affiliate and the Affiliate Lender.

Each Affiliate shall furthermore, in accordance with its servicing procedures, establish, maintain or cause to be maintained and furthermore administer at all times accurate, complete and up-to-date records with respect to the relevant Affiliate Collateral Security Assets.

For the purpose of satisfying itself as to whether such Affiliate Collateral Security Assets remain Eligible Assets or control assets reports, the Affiliate Lender is granted the access to each Affiliate's premises or to premises where the asset records are located, in order to inspect, audit such assets records (including taking copies of all or any document or data). In addition, the Affiliate Lender shall cause each Affiliate to grant access to each Affiliate's premises to the Issuer (or any agent acting on its behalf).

If an Affiliate Servicing Rating Trigger Event occurs, the Administrator will notify the Issuer in writing of the occurrence of such event and then within 30 Business Days of such occurrence, the Issuer, the Borrower and the relevant Affiliate will use reasonable endeavours to appoint a new servicer (whose long-term senior unsecured, unsubordinated and unguaranteed debt obligations (if rated) are rated at least BBB by S&P, Baa2 by Moody's or BBB- by Fitch), for the servicing of the relevant Affiliate Collateral Security Assets. For such purposes, "**Affiliate Servicing Rating Trigger Event**" means, as regards an Affiliate, the event in which the long-term senior unsecured, unsubordinated and unguaranteed debt obligations of this Affiliate (or if long-term senior unsecured, unsubordinated and unguaranteed debt obligations of this Affiliate are not rated, the long-term senior unsecured, unsubordinated and unguaranteed debt obligations of the Borrower) become rated below BBB by S&P, or Baa2 by Moody's or BBB- by Fitch.

Representations, warranties and undertakings

Each Affiliate shall make the customary representations and warranties and undertakings to the Affiliate Lender, the representations and warranties being given on the execution date of the Affiliate Collateral Security Agreement and continuing until satisfaction in full of the relevant Affiliate Secured Liabilities.

Enforcement

Upon the service of an Affiliate Enforcement Notice subject to, and in accordance with, the relevant terms of the relevant Affiliate Facility Agreement following the occurrence of an Affiliate Event of Default which is continuing, the Affiliate Lender shall be entitled to, at its discretion, exercise all rights, actions and privileges on the Affiliate Collateral Security Assets as granted to a secured creditor in accordance with applicable laws. Upon enforcement of an Affiliate Collateral Security pursuant to the terms of the relevant Affiliate Collateral Security Agreement, the Affiliate Lender undertakes to grant the relevant Affiliate Collateral Security Assets, title to which will have then been transferred to it, as Borrower Collateral Security in accordance with the relevant terms of the Borrower Collateral Security Agreement.

Conditions of enforcement

Conditions of enforcement of an Affiliate Collateral Security granted by an Affiliate which is incorporated in France will be those applicable to the enforcement of the Borrower Collateral Security.

Conditions of enforcement of an Affiliate Collateral Security granted by an Affiliate which is not incorporated in France will be those applicable under the relevant local laws.

Amendment

No amendment, modification, alteration or supplement shall be made to any Affiliate Collateral Security Agreement without prior Rating Affirmation if the same materially and adversely affects the interest of the Issuer or the Bondholders.

For the avoidance of doubt, any Affiliate Collateral Security Agreement may be amended, modified, altered or supplemented without prior Rating Affirmation:

- (a) to cure any ambiguity, omission, defect or inconsistency;
- (b) to evidence or effect the transition of any party to such Affiliate Collateral Security Agreement to any successor;
- (c) to add to the undertakings and other obligations of the relevant Affiliate under such Affiliate Collateral Security Agreement; or
- (d) to comply with any mandatory requirements of applicable laws and regulations.

Governing Law – Jurisdiction

The Affiliate Collateral Security Agreement shall be governed by, and construed in accordance with, French law. The Affiliate Lender and the relevant Affiliate have agreed to submit any dispute that may arise in connection with the Affiliate Collateral Security Agreement to the jurisdiction of the competent court of Paris.

Affiliate not incorporated in France

Variations to the above described terms of any Affiliate Collateral Security Agreement may be agreed between the Affiliate Lender and any Affiliate not incorporated in France if required under the law of the jurisdiction where the relevant Affiliate is incorporated or the law governing the Home Loans and/or the Affiliate Collateral Security. Other variations to the above described terms of any Affiliate Facility Agreement can only be agreed subject to prior Rating Affirmation.

ASSET MONITORING

Under the Borrower Collateral Security Agreement and for so long as no Borrower Event of Default has occurred and been enforced subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement, the Borrower shall monitor the Borrower Collateral Security Assets and cause each Affiliate to monitor the relevant Affiliate Collateral Security Assets so as to ensure compliance with an asset cover test (the "**Asset Cover Test**").

Under the Cash Collateral Agreement and for so long as no Borrower Event of Default has occurred and been enforced subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement, the Borrower shall fund the Cash Collateral Account up to an amount sufficient so as to ensure compliance with a pre-maturity test (the "**Pre-Maturity Test**").

Under Condition 5 (f) and following the enforcement of a Borrower Event of Default subject to, and in accordance with, the relevant terms of the Borrower Facility Agreement, the Issuer shall ensure compliance with an amortisation test (the "**Amortisation Test**").

The Asset Cover Test

The following terms shall have the following definitions:

"**Asset Cover Test Date**" means the twentieth (20th) day of each calendar month and each issuance date of a Series or a Tranche of Covered Bonds. The first Asset Cover Test Date was on 20 December 2006.

"**Asset Cover Test Calculation Period**" means, in relation to any Asset Cover Test Date, each period starting on, and including, the immediately preceding Asset Cover Test Date, and ending on, and excluding such Asset Cover Test Date.

Compliance with the Asset Cover Test requires compliance with the asset cover ratio R specified below (the "**Asset Cover Ratio**"). Such compliance is tested by the Issuer Calculation Agent from time to time subject to, and in accordance with, the relevant terms of the Borrower Collateral Security Agreement and the Calculation Services Agreement.

The Asset Cover Ratio (R)

"**R**" means the following ratio which shall be at least equal to one (1) at each Asset Cover Test Date:

$$R = \left[\frac{\text{Adjusted Aggregate Asset Amount (AAAA)}}{\text{Aggregate Covered Bond Outstanding Principal Amount}} \right]$$

whereby:

"**Aggregate Covered Bond Outstanding Principal Amount**" means, at any Asset Cover Test Date, the aggregate amount of principal (in euro or euro equivalent with respect to Covered Bonds denominated in a Specified Currency) outstanding at such date under all Covered Bonds.

"**Adjusted Aggregate Asset Amount (AAAA)**" means, at any Asset Cover Test Date:

$$(AAAA) = A + B + C + D - (Y + Z)$$

whereby:

"**A**" means the lower of "A1" and "A2".

"A1" is equal to the sum of all "Adjusted Home Loan Outstanding Principal Amounts" of all Home Loans granted as Borrower Collateral Security or Affiliate Collateral Security and excluding the Home Loans which have become Ineligible Home Loans (see "The Borrower Collateral Security" for a description of the Home Loans Eligibility Criteria) during the applicable Asset Cover Test Calculation Period (the "**Relevant Home Loans**"), as such "Adjusted Home Loan Outstanding Principal Amounts under Borrower Facility" will be calculated on the relevant Asset Cover Test Date, whereby:

"**Adjusted Home Loan Outstanding Principal Amount**" means, with respect to each Relevant Home Loan granted as Borrower Collateral Security or Affiliate Collateral Security, the lower of:

- (i) the Home Loan Outstanding Principal Amount of such Relevant Home Loan minus the Applicable Deemed Reductions; and
- (ii) the LTV Cut-Off Percentage of the Indexed Valuation relating to such Relevant Home Loan minus the Applicable Deemed Reductions;

it being provided that the "Adjusted Home Loan Outstanding Principal" of each Home Loan granted as Affiliate Collateral Security by any Affiliate shall account for zero if the Borrower, at its discretion, elects not to enforce such Affiliate Collateral Security in its favour following the service by it of an Affiliate Enforcement Notice to such Affiliate in accordance with the relevant terms of the relevant Affiliate Facility Agreement.

"**Applicable Deemed Reductions**" means the aggregate sum of the financial losses incurred by the Borrower or (as appropriate) any Affiliate with respect to the Relevant Home Loans to the extent that such financial losses have been incurred as a direct result of a material breach of the Servicing Procedures by the Borrower or (as appropriate) such Affiliate during the applicable Asset Cover Test Calculation Period (see "The Borrower Collateral Security Agreement – Asset Servicing " for a description of the Servicing Procedures).

"**Home Loan Outstanding Principal Amount**" means, with respect to each Relevant Home Loan, the amount of principal outstanding at the relevant Asset Cover Test Date under such Relevant Home Loan.

"**LTV Cut-Off Percentage**" means:

- (i) eighty per cent. (80%) for each Relevant Home Loan secured by a Mortgage;
- (ii) eighty per cent. (80%) for each Relevant Home Loan secured by a Home Loan Guarantee issued by *Crédit Logement*;
- (iii) a percentage which will be agreed with the Rating Agencies from time to time for each Relevant Home Loan that has the benefit of an insurance policy with an acceptable insurer or guarantee with an acceptable financial institution, insuring the credit risk under such Relevant Home Loan; and
- (iv) a percentage which will be agreed with the Rating Agencies from time to time for each Relevant Home Loan not mentioned under (i) to (iii) above.

"**Index**" means the index of increases of house prices issued by INSEE in relation to residential properties in France.

"**Indexed Valuation**" means at any date in relation to any Relevant Home Loan secured over any Property:

- (i) where the Original Market Value of that Property is equal to or greater than the Price Indexed Valuation as at that date, the Price Indexed Valuation; or
- (ii) where the Original Market Value of that Property is less than the Price Indexed Valuation as at that date, the Original Market Value plus eighty per cent. (80%) of the difference between the Price Indexed Valuation and the Original Market Value.

"Original Foreclosure Value" in relation to any Property means the purchase price of such Property or (as applicable) the most recent valuation of such Property, as disclosed to the Borrower or the relevant Affiliate by the relevant debtor under the related Relevant Home Loan.

"Original Market Value" in relation to any Property means the Original Foreclosure Value divided by 1.

"Price Indexed Valuation" in relation to any Property at any date means the Original Market Value of that Property increased or decreased as appropriate by the increase or decrease in the Index since the date of the Original Market Value.

"A2" is equal to the sum of all unadjusted "Home Loan Outstanding Principal Amounts" of all Relevant Home Loans minus the Applicable Deemed Reductions (as defined above) multiplied by the applicable Asset Percentage, whereby:

"Asset Percentage" means (i) 92.5 per cent. (92.5%) or (ii) such percentage figure as is determined on quarterly basis by the Issuer Calculation Agent pursuant to the relevant terms of the Borrower Collateral Security Agreement.

For the purpose of the calculation of the Asset Percentage referred to in (ii) above, the Issuer Calculation Agent will calculate, on a quarterly basis, the Weighted Average Foreclosure Frequency ("**WAFF**") and the Weighted Average Loss Severity ("**WALS**") (and/or such figures calculated in accordance with such alternative methodologies as agreed with S&P and Fitch) for all Relevant Home Loans or for a random sample of the same or as otherwise agreed by S&P and Fitch. The WAFF and WALS (or other relevant figures) so calculated will be incorporated by the Issuer Calculation Agent into one (1) or more cash flow models approved by S&P and Fitch. Such models, which test the credit enhancement required in various cash flow scenarios, will indicate, on the basis of the latest WAFF and WALS figures (or other agreed relevant figures), the Asset Percentage needed in order to provide credit enhancement to cover all such cash flow scenarios. Save where otherwise agreed with S&P and Fitch, the Asset Percentage will be adjusted in accordance with the various methodologies prescribed by S&P and Fitch provided that the Asset Percentage may not, at any time, exceed 92.5 per cent. (92.5%).

"B" is equal to the aggregate amount of cash standing to the credit of the Cash Collateral Account, as reported by the Borrower in the relevant Asset Report.

"C" is equal to the aggregate value outstanding under all Substitution Assets (the "**Aggregate Substitution Asset Amount (ASAA)**") granted as Borrower Collateral Security or Affiliate Collateral Security provided that, the amount of the Aggregate Substitution Asset Amount (ASAA) (whatever such amount is at any Asset Cover Test date) shall in any event account only for up to twenty per cent. (20%) of the Adjusted Aggregate Asset Amount (AAAA) for the purposes hereof. The Aggregate Substitution Asset Amount (ASAA) shall be reported by the Borrower in the relevant Asset Report. Substitution Assets will be valued on the last Business Day of the calendar month immediately preceding each Asset Cover Test Date and be taken into account for their mark-to-market value at a discount based on a methodology agreed with the Rating Agencies.

"D" is equal to the aggregate value outstanding under all Permitted Investments, as determined by the Issuer Accounts Bank (or the Administrator on its behalf) and reported to the Issuer Calculation Agent pursuant to the Issuer Accounts Bank Agreement. Permitted Investments will be valued on the last Business Day of the calendar month immediately preceding each Asset Cover Test Date and be taken into account for their mark-to-market value at a discount based on a methodology agreed with the Rating Agencies.

"Y" is equal to (i) zero before any Issuer Hedging Agreement shall be entered into by the Issuer subject to, and in accordance with, the Hedging Strategy and (ii) otherwise, an amount equal to the payments due under the Issuer Hedging Agreements (plus interest thereon) within the period of α plus two (2) months preceding the relevant Asset Cover Test Date where α means the period between two (2) interest payment dates (first day of such period included and last day of such period excluded) under the relevant Issuer Hedging Agreements.

"Z" is equal to: $WAM * \text{Covered Bond Outstanding Principal Amount} * 1.00 \text{ per cent. (1\%)}$, or any other amount as agreed between the Issuer and the Cash Collateral Provider, subject to prior Rating Affirmation, whereby:

"WAM" means the greater of (i) the weighted average maturity of Series of Covered Bonds outstanding as at the relevant Asset Cover Test Date, and (ii) one (1) year.

"Covered Bond Outstanding Principal Amount" means, at any Asset Cover Test Date, the aggregate amount of principal (in euro or euro equivalent with respect to Covered Bonds denominated in a Specified Currency) outstanding at such date under all Series of Covered Bonds.

Calculation of the Asset Cover Ratio (R)

On each Asset Cover Test Date, the Asset Cover Ratio (R) shall be calculated by the Issuer Calculation Agent according to the terms, definitions and calculation formula set forth above.

No later than three (3) Business Days following any Asset Cover Test Date, the Issuer Calculation Agent shall inform the Issuer and the Borrower (with a copy to the Rating Agencies and to the Asset Monitor) of its calculation of the Asset Cover Ratio (R).

Non Compliance with Asset Cover Test

Non compliance with the Asset Cover Test (the "**Non Compliance with Asset Cover Test**") would result from the Asset Cover Test Ratio (R) being less than one (1).

Remedies

Upon Non Compliance with Asset Cover Test on any Asset Cover Test Date, the Borrower shall (or, at its sole discretion and subject to the relevant terms of, the Affiliate Collateral Security Agreements, shall procure that the Affiliates):

- (i) grant additional or substitute Eligible Assets as Borrower Collateral Security or (as appropriate) as Affiliate Collateral Security; and/or
- (ii) request a release of Eligible Assets from the Borrower Collateral Security or (as appropriate) the relevant Affiliate Collateral Security;

in each case, as necessary to cure such Non Compliance with Asset Cover Test.

A Non Compliance with Asset Cover Test will not constitute an Issuer Event of Default or a Borrower Event of Default. However, it will prevent the Issuer from issuing any further Series as long as it remains unremedied.

Breach of Asset Cover Test

The failure by the Borrower to cure a Non Compliance with Asset Cover Test occurred on any Asset Cover Test Date prior to the next following Asset Cover Test Date shall constitute a "**Breach of Asset Cover Test**" within the meaning of the Borrower Collateral Security Agreement. The Issuer Calculation Agent will inform promptly the Issuer and the Borrower (with a copy to the Rating Agencies and to the Asset Monitor) of the occurrence of a Breach of Asset Cover Test.

A Breach of Asset Cover Test will result in a Borrower Event of Default within the meaning of, and subject to, the relevant terms of the Borrower Facility Agreement.

A Breach of Asset Cover Test will not constitute an Issuer Event of Default but will prevent the Issuer from issuing any further Series.

The Pre-Maturity Test

Compliance with the Pre-Maturity Test requires compliance with the ratings specified below with respect to the Borrower within each relevant Pre-Maturity Test Period.

For the purpose hereof:

"Pre-Maturity Test Period" means the period starting from, and including, the one hundred and eightieth (180th) Business Day preceding the Final Maturity Date of each Series of Covered Bonds and ending on, and excluding, such Final Maturity Date.

Pre-Maturity Ratings Required Levels

The required ratings with respect to the Borrower (together, the **"Pre-Maturity Ratings Required Levels"**) are the following credit ratings from any of S&P, Moody's or Fitch respectively at least A-1+ (short-term) (S&P), P-1 (short-term) (Moody's) or F1+ (short-term) (Fitch).

Pre-Maturity Test

The Issuer Calculation Agent shall test compliance or non compliance by the Borrower with the Pre-Maturity Ratings Required Level subject to, and in accordance with, the relevant terms of the Calculation Services Agreement.

Non Compliance with Pre-Maturity Test

Upon downgrading of the Borrower below any of the Pre-Maturity Ratings Required Levels within a Pre-Maturity Test Period, the Issuer Calculation Agent shall inform the Cash Collateral Provider of the same within three (3) Business Days from such downgrading by written notice (the **"Non Compliance Notice"**) delivered to the Cash Collateral Provider subject to, and in accordance with, the relevant terms of the Cash Collateral Agreement.

The downgrading of the Borrower below any of the Pre-Maturity Ratings Required Levels will not constitute an Issuer Event of Default nor a Borrower Event of Default.

Remedies

If a Non Compliance Notice is received by the Cash Collateral Provider within a Pre-Maturity Test Period, the Cash Collateral Provider shall fund the Cash Collateral Account up to an amount (the **"Cash Collateral Required Funding Amount (CCRFA)"**) calculated by the Issuer Calculation Agent as being the amount of cash to be funded by the Cash Collateral Provider into the Cash Collateral Account with respect to the relevant Series of Covered Bonds so as to ensure that the total amount of cash funded by the Cash Collateral Provider into the Cash Collateral Account with respect to such Series of Covered Bonds (the **"Cash Collateral Required Total Amount (CCRTA)"**) is equal to:

$$\text{CCRTA} = (\text{Covered Bond Principal Amount} + \text{Costs})$$

whereby:

"Costs" means the aggregate amount of fees, costs, expenses, taxes and other ancillary sums (excluding interest and principal amounts) scheduled to be payable by the Issuer within the relevant Pre-Maturity Test Period under the relevant Series of Covered Bonds.

"Covered Bond Principal Amount" means the aggregate amount of principal (in euro or euro equivalent with respect to Covered Bonds denominated in a Specified Currency) scheduled to be redeemed at the Final Maturity Date of the relevant Series of Covered Bonds.

The Cash Collateral Provider shall fund the CCRFA in full within thirty (30) Business Days from the receipt of the Non Compliance Notice.

Breach of Pre-Maturity Test

The failure by the Cash Collateral Provider to fund into the Cash Collateral Account the relevant Cash Collateral Required Funding Amount (CCFRA) subject to, and in accordance with, the above described conditions shall constitute a "**Breach of Pre-Maturity Test**" within the meaning of the Cash Collateral Agreement.

A Breach of Pre-Maturity Test will result in a Borrower Event of Default within the meaning of, and subject to, the relevant terms of the Borrower Facility Agreement. A Breach of Pre-Maturity Test will not constitute an Issuer Event of Default.

The Amortisation Test

The following terms shall have the following definitions:

"**Amortisation Test Date**" means the twentieth (20th) day of each calendar month following the enforcement of a Borrower Event of Default.

"**Amortisation Test Calculation Period**" means, in relation to any Amortisation Test Date, each period starting on, and including, the immediately preceding Amortisation Test Date, and ending on, and excluding such Amortisation Test Date.

Compliance with the Amortisation Test requires compliance with the amortisation ratio RA specified below (the "**Amortisation Ratio (RA)**"). Such compliance is tested by the Issuer Calculation Agent from time to time throughout the period following the enforcement of a Borrower Event of Default subject to, and in accordance with the Condition 5 (f) and the Calculation Services Agreement.

The Amortisation Ratio

"**RA**" means the following ratio which shall be at least equal to one (1) at each Amortisation Test Date:

$$RA = \left[\frac{TAAA'}{ACBOPA} \right]$$

whereby:

"**Aggregate Covered Bond Outstanding Principal Amount (ACBOPA)**" means, at any Amortisation Test Date, the aggregate amount of principal (in euro or euro equivalent with respect to Covered Bonds denominated in a Specified Currency) outstanding at such date under all Covered Bonds.

"**Transferred Aggregate Asset Amount (TAAA')**" means, at any Amortisation Test Date:

$$(TAAA') = A' + B + C + D + E - Z$$

whereby:

"**A'**" is equal to the sum of all "Transferred Home Loan Outstanding Principal Amounts" of all Home Loans title to which has been transferred to the Issuer upon enforcement of the Borrower Collateral Security and the Affiliate Collateral Security following the enforcement of a Borrower Event of Default (each, a "**Relevant Home Loan**"), as such "Adjusted Home Loan Outstanding Principal Amounts" will be calculated on the relevant Amortisation Test Date, whereby:

"**Transferred Home Loan Outstanding Principal Amount**" means, with respect to each Relevant Home Loan, the Home Loan Outstanding Principal Amount of such Relevant Home Loan multiplied by M, where for all the Relevant Home Loans that are less than three (3) months in arrears, M = 1 and for all the Relevant Home Loans that are three (3) months or more in arrears, M = 0.7.

"Home Loan Outstanding Principal Amount" means, with respect to each Relevant Home Loan, the amount of principal outstanding at the relevant Amortisation Test Date under such Relevant Home Loan.

"B", "C", "D" and "Z" have the meaning ascribed to such terms, and shall be determined, on each relevant Amortisation Test Date, subject to, and in accordance with, the terms and formula described in **"The Asset Cover Test"** above.

"E" is equal to the aggregate amount of principal and interest payments, distributions, indemnities, insurance and other proceeds, payments under any Home Loan Security and other sums received during the applicable Amortisation Test Calculation Period by the Issuer from the debtors or other relevant entities under the Borrower Collateral Security Assets and Affiliate Collateral Security Assets whose title has been transferred to the Issuer following enforcement of the Borrower Collateral Security and each Affiliate Collateral Security, as the same shall be reported by the Issuer Calculation Agent on each Amortisation Test Date subject to, and in accordance with, the relevant terms of the Calculation Services Agreement.

Calculation of the Amortisation Ratio

On each Amortisation Test Date, the Amortisation Ratio (RA) shall be calculated by the Issuer Calculation Agent according to the terms, definitions and calculation formula set forth above.

No later than three (3) Business Days following any Amortisation Test Date, the Issuer Calculation Agent shall inform the Issuer (with a copy to the Rating Agencies and to the Asset Monitor) of its calculation of the Amortisation Ratio (RA).

Non Compliance with Amortisation Test

A **"Non Compliance with Amortisation Test"** will result from the Amortisation Ratio (RA) being less than one (1).

A Non Compliance with Amortisation Test will not constitute an Issuer Event of Default. However, it will prevent the Issuer from issuing any further Series.

Breach of Amortisation Test

The failure by the Issuer to cure a Non Compliance with Amortisation Test occurred on any Amortisation Test Date prior to the next following Amortisation Test Date shall constitute a **"Breach of Amortisation Test"**. The Issuer Calculation Agent will inform promptly the Issuer, each relevant Representative and the Issuer Security Agent (with a copy to the Rating Agencies and to the Asset Monitor) of the occurrence of a Breach of Amortisation Test.

A Breach of Amortisation Test will result in an Issuer Event of Default within the meaning of the Terms and Conditions.

Issuer Calculation Agent Rating Trigger Event

If an Issuer Calculation Agent Rating Trigger Event occurs, the Issuer Calculation Agent will notify the Issuer in writing of the occurrence of the Issuer Calculation Agent Rating Trigger Event within five (5) Business Days from the date upon which it becomes aware of such event and this will constitute a termination event under the Calculation Services Agreement.

For such purposes, "**Issuer Calculation Agent Rating Trigger Event**" means the event in which the long-term senior unsecured, unsubordinated and unguaranteed debt obligations of the Administrator become rated below BBB by S&P, or Baa2 by Moody's or BBB by Fitch.

Services of the Asset Monitor

If the Asset Cover Test Date immediately preceding an anniversary of the Programme Date falls prior to the occurrence of a Borrower Event of Default, and subject to receipt of the information to be provided to it by the Issuer Calculation Agent in relation to the calculations performed by the Issuer Calculation Agent regarding the relevant Asset Cover Test, the Asset Monitor will test the arithmetic accuracy of the calculations performed by the Issuer Calculation Agent in relation to the Asset Cover Test on the Asset Cover Test Date immediately preceding an anniversary of the Programme Date, as applicable, with a view to reporting on the arithmetic accuracy or otherwise of such calculations.

On each Amortisation Test Date (it being provided that the first Amortisation Test Date shall be the 20th day of the calendar month immediately following the enforcement of a Borrower Event of Default) and subject to receipt of the information to be provided to it by the Issuer Calculation Agent in relation to the calculations performed by the Issuer Calculation Agent regarding the relevant Amortisation Test, the Asset Monitor will test the arithmetic accuracy of the calculations performed by the Issuer Calculation Agent in

- the Asset Cover Test had been failed on the relevant Asset Cover Test Date (where the Issuer Calculation Agent had recorded it as being satisfied); or
- the Amortisation Test had been failed on the relevant Amortisation Test Date (where the Issuer Calculation Agent had recorded it as being satisfied);

and subject to receipt of the information to be provided to the Asset Monitor, for a period of six (6) months thereafter, the Asset Monitor shall conduct the tests of the Issuer Calculation Agent's calculations referred to above, in respect of every Asset Cover Test Date or each Amortisation Test Date, as applicable, occurring during such six (6) month period.

The Asset Monitor shall notify, on a confidential basis, the parties to the Asset Monitor Agreement (with copy to the Rating Agencies), in writing, of the relevant calculations performed by the Issuer Calculation Agent and of the results of its tests of the accuracy of the Issuer Calculation Agent's calculations. If the calculations performed by the Administrator have not been performed correctly, the Asset Monitor will report the correct calculation of the Asset Cover Test or Amortisation Test, as applicable.

The Asset Monitor is entitled, in the absence of manifest error, to assume that all information provided to the Asset Monitor is true and correct and is complete and not misleading and is not required to conduct an audit or other similar examination in respect of or otherwise take steps to verify the accuracy or completeness of such information.

The Issuer may, at any time but only with the prior written consent of the Issuer Security Agent, terminate the appointment of the Asset Monitor hereunder upon providing the Asset Monitor with sixty (60) days' prior written notice, provided that such termination may not be effected unless and until a replacement has been found by the Issuer (such replacement to be approved by the Issuer Security Agent unless the replacement is an accountancy firm of national standing) which agrees to perform the duties (or substantially similar duties) of the Asset Monitor set out in this Agreement.

The Asset Monitor may, at any time, resign from its appointment under the Asset Monitor Agreement upon providing the Issuer and the Issuer Security Agent (copied to the Rating Agencies) with sixty (60) days' prior written notice. If a replacement asset monitor has not been found by the Issuer within sixty (60) days of notice of resignation by the Asset Monitor, the Asset Monitor shall immediately use its best endeavours to appoint a replacement (such replacement to be approved by the Issuer Security Agent if the replacement is an accountancy firm of international standing) which agrees to perform the duties (or substantially similar duties) of the Asset Monitor set out in the Asset Monitor Agreement.

Fees

Under the terms of the Asset Monitor Agreement, the Issuer will pay to the Asset Monitor a fee for the tests to be performed by the Asset Monitor.

Limited Recourse – Non Petition

Accelerated Post-Enforcement Priority Payment Order

In the event of service by the relevant Administrative of an Issuer Enforcement Notice and thereafter (whether a Borrower Enforcement Notice shall have been served to the Borrower by the Administrator or not), the Administrator (on behalf of the Issuer) will promptly and no later than three (3) Business Days after receipt by the Issuer of such Issuer Enforcement Notice give the appropriate instructions to the Issuer Accounts Bank to debit all the Issuer Accounts (other than the Issuer General Account) from the cash that shall constitute the Available Funds of the Issuer on such date and shall credit the same into the Issuer

General Account. The Administrator (on behalf of the Issuer) shall then give the appropriate instructions on such date to the Issuer Accounts Bank and the Paying Agent to apply the Available Funds of the Issuer to the following payments owed by the Issuer on such date, in the following Accelerated Post-Enforcement Priority Payment Order:

- (i) **first**, in or towards payment or discharge *pari passu, pro rata* and in full of all Senior Administrative and Tax Costs then due and payable by the Issuer and remaining unpaid at such date;
- (ii) **secondly**, after and subject to the full repayment of any and all sums referred to in (i) above, in or towards payment or discharge *pari passu, pro rata* and in full of any and all sums then due and payable by the Issuer, if any, under the Issuer Hedging Agreements and the Borrower Hedging Agreements (other than Hedging Termination Costs) and remaining unpaid at such date;

- (v) **fifthly**, after and subject to the full repayment of any and all sums referred to in (i) to (iv) above, in or towards payment or discharge *pari passu, pro rata* and in full of any and all Hedging Termination Costs then due and payable by the Issuer and remaining unpaid at such date; and
- (vi) **sixthly**, after and subject to the full repayment of any and all sums referred to in (i) to (v) above, (a) as applicable, in or towards payment *pari passu* and *pro rata* of any and all amounts then due and payable by the Issuer with respect to any and all enforcement proceeds surplus amounts remaining after enforcement of the Borrower Collateral Security subject to, and in accordance with, the relevant terms of the Borrower Collateral Security Agreement; and (b) only after and subject to the full repayment of any sums referred to in (a) above, in or towards payment *pari passu* and *pro rata* of any and all amounts then due and payable by the Issuer to any third parties (with respect to any dividend already voted and to be then distributed to the Issuer's shareholders, and interest, principal and other payments then due and payable under the Subordinated Loans).

ORIGINATION OF THE HOME LOANS

The large majority of home loans originated by salespersons within BNP Paribas are originated pursuant to a so called "Sesame" procedure which makes it possible, in real time and through computerised means, to (i) deal with requests in the client's presence, (ii) register the loan agreement, (iii) validate the technical and back-office aspects of the requests, (iv) open loan accounts and (v) prepare the various documents necessary for the successful completion of the transaction.

For home loans which do not comply with underwriting criteria, a so-called "Non-Sesame" procedure is implemented which, although partially computerised, is essentially manual (see below).

Pre Acceptance Controls

Prior to acceptance of a home loan, information on the client is collected from the French *Fichier des Incidents de Remboursement des Crédits aux Particuliers* (central administration for consumer loans) and the French *Fichier Central des Chèques* (central administration for checks). If it appears that the client is registered as a defaulting borrower, the application of such client for a home loan is immediately declined.

Under his sole responsibility, the relevant salesperson shall also collect information from a general information system within BNP Paribas (*Système Général d'Information*). The salesperson is also responsible for the completion of the loan file and collection of all necessary relevant documents (tax profile of the client, ownership of the property, insurance policies, etc.).

When a home loan guarantee is requested from *Crédit Logement*, the pre acceptance process is coupled with the acceptance process run by *Crédit Logement* via an exchange of electronic data system which operates in real time.

Scoring through the Sesame procedure

Through the Sesame procedure, two (2) scores are established, namely:

- (a) a rating score (*score de taux*) which provides the salesperson with a "recommended rate" based on the client's potential and the risk associated with the application; and
- (b) an acceptance score (*score d'octroi*).

Two (2) scoring matrices have been set up and are used depending on whether or not the home loan is requested by a client of the bank.

The scoring process take account of various criteria such as the existing indebtedness of the client, the valuation of the property, the maximum amount of the home loan, the assets and revenues of the client, the age and profession of the client, etc.

The scoring is a recommendation to the salesperson as to whether the home loan request may be immediately accepted or not.

Under the "Non-Sesame" procedure, no automatic scoring is established and the file form is prepared manually by the relevant salesperson.

Acceptance

Depending on the level of delegated responsibility of the relevant salesperson (in terms of acceptance of maximum amounts, negotiation of margins and fees, etc.), the relevant salesperson will be authorised to accept the home loan request on its own or not. If not, directors take the responsibility for the acceptance.

No home loan for a maximum principal amount exceeding one million (1,000,000) euro may be accepted by a salesperson alone but necessarily by directors. Only directors are authorised to accept home loans which have been originated through the Non-Sesame procedure.

Pre-Funding Controls

Once accepted, the home loan request file (in both its electronic and physical format) is transmitted to the one (1) of the eight (8) central agencies which are responsible within BNP Paribas for the commercial support for consumer loans (*Agence de Production et d'Appui Commercial Financement des Particuliers*).

The persons in charge at such agencies check that (i) all of the documents necessary for the funding of the home loan have been provided, (ii) the home loan complies applicable laws and (iii) information provided on the client or the property is consistent. In the event that any documents are missing or are not compliant, the home loan funding process is put on hold.

During this phase, the persons in charge at such agencies are responsible for liaising with all relevant third parties (*Crédit Logement*, notary public, etc.). The home loan offer and home loan documentation may only be issued to the client once all of the required documents have been obtained and the required conditions have been met.

Upon the return of an offer by a client, the persons in charge at such agencies check the validity of the acceptance by the client (annotations, signatures, dates, etc.) and proceed with the funding of the home loan.

Servicing

The servicing of the home loans is carried out by the servicers at the relevant *Agence de Production et d'Appui Commercial Financement des Particuliers*.

Responsibilities of the servicers include in particular:

- (a) acceptance of full or partial early repayment;
- (b) renegotiations of rates;
- (c) rescheduling;
- (d) waivers;
- (e) substitution of borrower or guarantees.

Since the beginning of 2003, home loan files have been archived in one (1) single location. Home Loan files originated between 1999 and 2002 which were formerly archived in the local branches of BNP Paribas have now been moved to this single location.

The archiving is carried out by loan category and by frequency of instalments through electronic systems.

True copies of mortgage agreements (*copies exécutoires*) are filed separately from the corresponding home loan file using a specific electronic system called ARCHIVAL.

The BOOMERANG electronic system makes it possible to request the return of home loan files or of "true copies" recorded in the ARCHIVAL system.

Arrears management

As soon as a client experiences financial difficulties and, at the latest, upon the payment default, a specialised advisor within one (1) of the forty-nine (49) commercial negotiation agencies of BNP Paribas (*Agence de Négociation Commerciale*) becomes responsible of the servicing and collection with respect to the relevant home. This advisor examines all amicable solutions, aiming to avoid possible or further payment defaults.

If an amicable solution cannot be implemented and provided that three months of instalment remains unpaid, the responsibility for the servicing and collection of the home loan is handed over to a collection agency.

As from the third month of non-payment, with respect to a home loan guaranteed by *Crédit Logement*, the guarantee is drawn in favour of BNP Paribas. *Crédit Logement* must start paying the relevant guaranteed amounts within one (1) month of receipt of the relevant drawing notice. Upon payment by *Crédit Logement*, the latter becomes responsible for the servicing of the home loan for a maximum duration of 24 months. *Crédit Logement* shall make its best efforts to reach an amicable solution with the client. During such 24 month period, *Crédit Logement* can opt either to reimburse to BNP Paribas only the guaranteed amounts which are due or immediately accelerate the payment of all guaranteed amounts. *Crédit Logement* is committed to accelerate the payment of all the guaranteed amounts at the end of the above mentioned 24 month period. At this point, it becomes solely responsible for the servicing of the home loan.

Five (5) interregional litigation departments within BNP Paribas (*services contentieux interrégionaux*) are responsible for collecting proceeds by enforcing the mortgages, insurance and other security and guarantees (other than the guarantees from *Crédit Logement*) securing the repayment of the home loan.

THE HEDGING STRATEGY

The present section describes the hedging strategy (the "**Hedging Strategy**") to be implemented from time to time, by the Issuer upon the occurrence of a Hedging Rating Trigger Event (as defined below) and/or any Borrower Event of Default (as defined under the Conditions 5 (g) of the Terms and Conditions), as applicable.

Hedging strategy before the occurrence of a Hedging Rating Trigger Event and/or any Borrower Event of Default

The Covered Bonds issued under the Programme may be Fixed Rate Covered Bonds, Floating Rate Covered Bonds, Index Linked Covered Bonds (but subject to Prior Rating Affirmation) or Zero Coupon Covered Bonds. Each Series of Covered Bonds will be denominated in any Specified Currency and may be Dual Currency Covered Bonds (see "Terms and Conditions of the Covered Bonds").

The proceeds from the issuance of the Covered Bonds under the Programme will be used by the Issuer to fund Borrower Advances to be made available to the Borrower under the Borrower Facility. The terms and conditions regarding the calculation and the payment of principal and interest under a Borrower Advance shall mirror the equivalent terms and conditions of the Covered Bonds funding such Borrower Advance, as further described hereunder and in the relevant Final Terms of the Borrower Advance (see "The Borrower Facility Agreement").

The Issuer is therefore not exposed to any risk of an interest rate or currency mismatch arising between the payments received on the Borrower Advances and the payments to be made under the Covered Bonds. As a consequence, in the absence of any Hedging Rating Trigger Event (as defined below) and of any Borrower Event of Default, the Issuer will have no obligation to hedge any interest rate or currency risk.

The determination of the currency and of the interest rate of each Series of Covered Bonds, as specified in each applicable Final Terms, shall be made by the Issuer regardless of the currencies in which the Borrower Collateral Security Assets are denominated and the interest rate conditions applicable, as the case may be, to such Borrower Collateral Security Assets (see "The Borrower Collateral Security").

Before the enforcement of the Borrower Collateral Security, the Borrower retains any interest rate or currency risk linked to the mismatch between the Borrower Collateral Security Assets and the Borrower Debt. Thus until and unless such enforcement occurs, the Borrower will hedge these risks according to its usual and current strategies and practices.

Upon enforcement of the Borrower Collateral Security and of the Affiliate Collateral Security (if any) following the occurrence of a Borrower Event of Default, and the transfer of the title to the Borrower Collateral Security Assets and of the Affiliate Collateral Security Assets to the Issuer, the Issuer would need to have in place appropriate derivative transactions to hedge the currency and interest rate risks arising from such Home Loans and Homes Loans Security.

Hedging Strategy upon the occurrence of a Hedging Rating Trigger Event

Provisions common to the Issuer Hedging Agreements and to the Borrower Hedging Agreements

Upon the issuance of each Series of Notes, the Issuer Calculation Agent shall communicate to the Issuer (with copy to the Borrower, the Administrator and the Rating Agencies) the margin (relative to Euribor (one (1) month)) to be paid by the Borrower when hedging the interest and principal payable by the Issuer under such Series in the relevant Specified Currency, into variable rate flows denominated in Euros and indexed to Euribor (one (1) month) (the "**Notes Hedging Margin**").

At the end of each three (3) calendar months' period as from the Programme Date and before the occurrence of a Hedging Rating Trigger Event, the Issuer Calculation Agent shall communicate to the Issuer (with copy to the

Borrower, the Administrator and the Rating Agencies) the average margin (relative to Euribor (one (1) month)) to be received by the Issuer when hedging the interest and principal payable under the Borrower Collateral Security Assets in each relevant currency, into variable rate flows denominated in Euros and indexed to Euribor (one (1) month) (the "**Assets Hedging Margin**").

Upon the occurrence of a Hedging Rating Trigger Event, the Issuer (or the Administrator on its behalf) will enter into:

- (a) derivative agreement(s) with Eligible Hedging Providers (as defined below) (the "**Issuer Hedging Agreement(s)**");
- (b) a back-to-back derivative agreement concluded with BNPP Paribas (the "**Borrower Hedging Agreement**" and together with the Issuer Hedging Agreement(s), the "**Hedging Agreements**").

These Hedging Agreements will hedge both:

- the amount of interest and principal payable by the Issuer under the relevant Series, in the relevant Specified Currency; and
- the amount corresponding to the interest and principal payable under the Borrower Collateral Security Assets and the Affiliate Collateral Security Assets, in each relevant currency,

into variable rate flows denominated in Euros and indexed to Euribor (one (1) month) or, subject to prior Rating Affirmation, to any other index (the "**Permitted Index**"). The financial conditions of these Hedging Agreements shall be determined so that (a) the margin payable by the Issuer under the Hedging Agreement related to a Series of Notes is no more than the Notes Hedging Margin calculated for such Series and (b) the margin received by the Issuer under the Hedging Agreement related to the Borrower Collateral Security Assets is at least as much as the last communicated Assets Hedging Margin.

Upon the occurrence of a Hedging Rating Trigger Event, a failure by the Issuer (or the Administrator on its behalf) to enter into any Issuer Hedging Agreement with any relevant Eligible Hedging Provider or into any Borrower Hedging Agreement with BNP Paribas within thirty (30) calendar days from the occurrence date of such Hedging Rating Trigger Event, as described under the Hedging Strategy, will constitute an Issuer Event of Default (see "Terms and Conditions of the Covered Bonds").

Each Hedging Agreement shall be in Approved Form (as defined below).

Each Hedging Agreement will provide that all amounts to be paid by the Issuer under such Hedging Agreement will be paid according to the relevant Priority Payment Order, as described in Condition 15 of the Terms and Conditions.

Any costs and expenses to be born by the Issuer when negotiating and/or entering into any Hedging Agreement (including, in particular, any sums to be paid to allow the Hedging Agreements to be transacted at the Notes Hedging Margin and the Assets Hedging Margin, given the market conditions prevailing at the time the Hedging Agreements are transacted (*soulte*)) shall be paid by BNP Paribas.

In particular, upon the termination of a Hedging Agreement, the Issuer or BNP Paribas or any relevant Eligible Hedging Provider(s), as applicable, may be liable to make a termination payment to the other party in accordance with the provisions of the relevant Hedging Agreement (the "**Hedging Termination Costs**"). Such Hedging Termination Costs, when to be paid by the Issuer and provided that the amount of such costs has not been reduced to zero (0) in accordance with the provisions of the relevant Hedging Agreement, shall be subordinated to payments under the Covered Bonds, as described in Condition 15 of the Terms and Conditions (see also "Cash Flow – The Issuer Priority Orders of Payments").

Pursuant to the terms of the Hedging Agreements, in the event that the relevant ratings of the Eligible Hedging Provider(s) (or its respective guarantor, as applicable) (the "**Hedging Provider**") is or are downgraded by a Rating Agency below the required ratings specified in the relevant Hedging Agreement and, where applicable, as a result of such downgrade, the then current ratings of any outstanding Covered Bonds would be adversely affected, the relevant Hedging Provider will, in accordance with and pursuant to the terms of the relevant Hedging Agreement, be required to take certain remedial measures which may include one (1) or more of the following: (i) providing collateral for its obligations under the relevant Hedging Agreement; (ii) arranging for its obligations under the relevant Hedging Agreement to be transferred to a replacement hedging provider with the ratings required by the Rating Agencies (as specified in the relevant Hedging Agreement); (iii) procuring another entity with the ratings required by the relevant Rating Agency (as specified in the relevant Hedging Agreement) to become co-obligor in respect of its obligations under the relevant Hedging Agreement; and/or (iv) taking such other actions as the relevant Hedging Provider may agree with the relevant Rating Agency.

The Issuer Hedging Agreement(s)

The Issuer Hedging Agreement(s) will be used to hedge mismatches between the Borrower Collateral Security Assets and the Covered Bonds in the following manner.

The interest rate payable by the Issuer with respect to a Series may be calculated in various manners, depending on the type of Covered Bonds (Fixed Rate Covered Bonds, Floating Rate Covered Bonds, Index Linked Covered Bonds or Zero Coupon Covered Bonds). Each Series of Covered Bonds may be denominated in any Specified Currency or may be Dual Currency Covered Bonds. To provide a hedge between:

- the amount of interest and principal payable by the Issuer under the relevant Series, in the relevant Specified Currency; and
- the amount corresponding to the interest and principal payable under the Borrower Collateral Security Assets and the Affiliate Collateral Security Assets, in each relevant currency,

each relevant Eligible Hedging Provider (where applicable with the appropriate collateralisation requirements), and the Issuer will enter into interest rate and/or currency derivative transactions (each, a "**Hedging Transaction**") in relation to each relevant Series in Approved Form and in substance acceptable to the Rating Agencies, upon the occurrence of a Hedging Rating Trigger Event.

Each Issuer Hedging Agreement may be terminated in accordance with certain termination events and events of default. An Issuer Event of Default will not constitute a termination event under any Issuer Hedging Agreement.

The Borrower Hedging Agreement

The Borrower Hedging Agreement will be used to hedge mismatches between the Borrower Collateral Security Assets and the Borrower Advances, and as such, the purpose of the Borrower Hedging Agreement will be to transfer to the Borrower the benefit of the Issuer Hedging Agreement(s).

The terms and conditions regarding the calculation and the payment of principal and interest under a Borrower Advance shall mirror the equivalent terms and conditions of the Covered Bonds funding such Borrower Advance. As a consequence, the interest rate payable by the Borrower with respect to a Borrower Advance may be calculated in various manners, depending on the type of Covered Bonds funding such Borrower Advance (Fixed Rate Covered Bonds, Floating Rate Covered Bonds, Index Linked Covered Bonds or Zero Coupon Covered Bonds). Moreover, each Borrower Advance may be denominated in one (1) or two (2) Specified Currencies. To provide a hedge between:

- the amount of interest and principal payable by the Borrower under the relevant Borrower Advance, in the relevant Specified Currencies (which shall be equivalent to the amount of interest and principal payable by the Issuer under the Covered Bonds funding such relevant Borrower Advance); and
- the amount of interest and principal payable to the Borrower under the Borrower Collateral Security Assets and the Affiliate Collateral Security Assets, in each relevant currency,

BNP Paribas and the Issuer will enter into interest rate and/or currency derivative transactions (each, a "**Borrower Hedging Transaction**") in relation to each relevant Series in form and substance acceptable to the Rating Agencies, upon the occurrence of a Hedging Rating Trigger Event.

The Borrower Hedging Agreement may be terminated in accordance with certain termination events and events of default. In particular, a Borrower Event of Default will constitute a termination event under the Borrower Hedging Agreement but shall not constitute a termination event under the Issuer Hedging Agreement(s).

Hedging Strategy upon the occurrence of a Borrower Event of Default

Upon the occurrence of a Borrower Event of Default, and the subsequent transfer in favour of the Issuer of title to the Home Loans (and related Home Loans Security) following an enforcement of the Borrower Collateral Security and of the Affiliate Collateral Security (in any):

- (a) the Issuer will maintain its rights and obligations under the existing Issuer Hedging Agreement(s);
- (b) the Issuer will immediately terminate the Borrower Hedging Agreement.

ANNEX

- (1) The Rate of Interest will be determined by the Calculation Agent on the following basis:

On the fifth Business Day before each Interest Payment Date (an "**Interest Determination Date**") the Calculation Agent will calculate the Inflation Index Ratio.

The "**Inflation Index Ratio**" or "**IIR**" is the ratio between (i) the Daily Inflation Reference Index (as defined below) applicable upon any Interest Payment Date or the redemption date, as the case may be and (ii) the base reference defined as the Daily Inflation Reference Index (as defined below) applicable on [●] (the "**Base Reference**", amounting to: [●]). The IIR will be rounded off, if necessary to the fifth decimal place.

"**Daily Inflation Reference Index**" means (A) in relation to the first day of any given month, the CPI Monthly Reference Index of the third month preceding such month, and (B) in relation to a day (D) (other than the first day) in any given month (M), the linear interpolation of the CPI Monthly Reference Index pertaining respectively to the third month preceding such month (M - 3) and the second month preceding such month (M - 2) calculated in accordance with the following formula:

Daily Inflation Reference Index =

$$\text{CPI Monthly Reference Index}_{M-3} + \frac{D-1}{\text{ND}_M} \times (\text{CPI Monthly Reference Index}_{M-2} - \text{CPI Monthly Reference Index}_{M-3})$$

With:

ND_M: number of days in the relevant month M and, in the case of payment of principal and interest, shall be equal to 31 ;

D: actual day of payment in the relevant month M and, in the case of payment of principal and interest, shall be equal to 25 ;

CPI Monthly Reference Index_{M-2} : price index of month M - 2 ;

CPI Monthly Reference Index_{M-3} : price index of month M - 3.

The Daily Inflation Reference Index will be rounded off to the fifth decimal place.

For information purposes, such Daily Inflation Reference Index appears on the *Agence Française du Trésor* Reuters page OATINFLATION01 or on Bloomberg TRESOR <GO> pages and on the website "www.aft.gouv.fr". In the case of doubt in the interpretation of the methods used to calculate the Inflation Index Ratio, such methods shall be interpreted by reference to the procedures selected by the French *Trésor* for its *obligations assimilables du Trésor indexées sur l'inflation*.

CPI Monthly Reference Index refers to the definitive consumer price index excluding tobacco for all households in metropolitan France, as calculated and published monthly by the *Institut National de la Statistique et des Etudes Economiques* ("**INSEE**") as such index may be adjusted or replaced from time to time as provided herein.

- (2) The calculation method described below is based on the recommendation issued by the Notes Normalisation Committee (*Comité de Normalisation Obligataire*) in its September 1998 Paper entitled "**Inflation Indexed Notes**". In the case of any conflict between the calculation method provided below and the calculation method provided by the Normalisation Committee (*Comité de Normalisation Obligataire*), the calculation method provided by the Normalisation Committee (*Comité de Normalisation Obligataire*) shall prevail.

The rate of interest applicable from time to time in respect of the Notes for each Interest Period ("**Rate of Interest**") will be equal to [1.85] per cent. per annum multiplied by the Inflation Index Ratio (as defined above).

- (3)
- (i) If the CPI Monthly Reference Index is not published in a timely manner, a substitute CPI Monthly Reference Index (the "**Substitute CPI Monthly Reference Index**") shall be determined by the Calculation Agent in accordance with the following provisions:

- (x) If a provisional CPI Monthly Reference Index (*indice provisoire*) has already been published, such index shall automatically be used as the Substitute CPI Monthly Reference Index. Such provisional CPI Monthly Reference Index would be published under the heading "*indice de substitution*". Once the definitive CPI Monthly Reference Index is released, it would automatically apply from the day following its release to all calculations taking place from this date.
- (y) If no provisional CPI Monthly Reference Index is available, a substitute index shall be calculated on the basis of the most recently published figure adjusted as set out in the following formula:

Substitute CPI Monthly Reference Index $_M =$

$$\text{CPI Monthly Reference Index}_{M-1} \times \left(\frac{\text{CPI Monthly Reference Index}_{M-1}}{\text{CPI Monthly Reference Index}_{M-13}} \right)^{\frac{1}{12}}$$

- (ii) In the event INSEE decides to proceed with one or more base changes for the purpose of calculating the CPI Monthly Reference Index, the two CPI Monthly Reference Indexes which have been calculated on a different basis will be chained on the basis of the December CPI Monthly Reference Index of the last year of joint publications, which corresponds to the Daily Inflation Reference Index for 1st March of the following year. Such chaining will be carried out in accordance with the following equation:

$$\text{Key} = \frac{\text{CPI Monthly Reference Index}_{\text{pertaining to December calculated on the new basis}}}{\text{CPI Monthly Reference Index}_{\text{pertaining to December calculated on the previous basis}}}$$

Such that:

$$\text{CPI Monthly Reference Index}_{\text{New basis}}^{\text{Date D}} = \text{CPI Monthly Reference Index}_{\text{Previous basis}}^{\text{Date D}} \times \text{Key}$$

(4)

- (i) Calculation of Interest Amount

The Calculation Agent will, as soon as practicable after 12:00 p.m. (Paris time) on the Interest Determination Date in relation to each Interest Payment Date, calculate the amount of interest (the "**Interest Amount**") payable in respect of each Note for such Interest Period. The Interest Amount will be calculated by applying the Rate of Interest for such Interest Payment Date to the principal amount of such Note, and rounding the resulting figure, if necessary, to the nearest cent (half a cent being rounded upwards).

When any interest is required to be calculated, it will be calculated on the basis of the Day Count Fraction defined in paragraph 18 (xii).

- (ii) Determinations etc.

All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of these Final Terms by the Calculation Agent will (in the absence of manifest error) be binding on the Issuer, the Paying Agents, the Noteholders and (subject as aforesaid) no liability to any such person will attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions for such purposes.

- (iv) Calculation Agent

The Issuer will procure that, so long as any of the Notes remains outstanding, it will at all times maintain a Calculation Agent for the purposes of the Notes. Subject as provided herein, the Issuer reserves the right at any time to vary or terminate the appointment of the Calculation Agent. Notice of any change of Calculation Agent or any change in its specified office will be published in accordance with Condition 17 of the Base Prospectus.

TAXATION

The following is a summary limited to certain tax considerations in France and in Luxembourg relating to the payments made in respect of the Covered Bonds that may be issued under the Programme and specifically contains information on taxes on the income from the securities withheld at source. This summary is based on the laws in force in France and in the Grand Duchy of Luxembourg as of the date of this Base Prospectus and as applied by the tax authorities, all of which are subject to changes or to different interpretation. It does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to purchase, own or dispose of the Covered Bonds. Each prospective holder or beneficial owner of Covered Bonds should consult its tax advisor as to the tax consequences of any investment in or ownership and disposal of the Covered Bonds in light of its particular circumstances.

EU Savings Directive

On 3 June 2003, the European Union adopted the Directive 2003/48/EC regarding the taxation of savings income in the form of interest payments (the "Directive"). The Directive requires Member States as from 1 July 2005 to provide to the tax authorities of other Member States details of payments of interest and other similar income within the meaning of the Directive made by a paying agent within its jurisdiction to (or under circumstances to the benefit of) an individual resident in another Member State, except that Belgium, Luxembourg and Austria will instead impose a withholding system for a transitional period unless the beneficiary of interest payment elects for the exchange of information.

If a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of tax were to be withheld from that payment, neither the Issuer nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Covered Bond as a result of the imposition of such withholding tax. If a withholding tax is imposed on payment made by a Paying Agent, the Issuer will be required to maintain a Paying Agent in a Member State that will not be obliged to withhold or deduct tax pursuant to the Directive.

On 15 September 2008 the European Commission issued a report to the Council of the European Union on the operation of the Directive, which included the Commission's advice on the need for changes to the Directive. On 13 November 2008, the European Commission published a detailed proposal for amendments to the Directive, which included a number of suggested changes. The European Parliament approved an amended version of this proposal on 24 April 2009. If any of those proposed changes are made in relation to the Directive they may amend or broaden the scope of the requirements described above.

French Withholding Tax

The following is a summary limited to the French withholding tax considerations relating to the payments in respect of the Covered Bonds made to a beneficial holder of Covered Bonds which (i) is not a French resident for tax purposes, (ii) does not hold the Covered Bonds in connection with a permanent establishment or a fixed base in France and (iii) does not hold shares of the Issuer and is not otherwise affiliated with the Issuer (such holder being hereafter referred to as a "Non-French tax resident").

The Directive has been implemented in French law by Article 242 ter of the French *Code général des impôts* and Articles 49 I ter to 49 I sexies of the Schedule III to French *Code général des impôts*. Article 242 ter of the French *Code général des impôts*, imposes on paying agents based in France an obligation to report to the French tax authorities certain information with respect to interest payments made to beneficial owners domiciled in another Member State, including, among other things, the identity and address of the beneficial owner and a detailed list of the different categories of interest paid to that beneficial owner.

Pursuant to article 131 *quater* of the French General Tax Code (*Code général des impôts*), as construed by administrative circular no. 5 I-11-98 dated 30 September 1998 and rulings (*rescrits*) no. 2007/59 (FP) dated 8 January 2008 and no. 2009/23 (FP) dated 7 April 2009, all issued by the French tax authorities, payments of interest and other similar revenues to be made by the Issuer to Non-French tax residents in respect of Covered Bonds constituting obligations or debt instruments (*titres de créances*) assimilated thereto for French tax purposes benefit from the exemption from deduction of tax at source which would otherwise be applicable under article 125 A III of the French General Tax Code (*Code général des impôts*).

The tax regime applicable to Covered Bonds which do not constitute *obligations* or debt instruments (*titres de créances*) assimilated thereto for French tax purposes will be set out in the relevant Final Terms.

Luxembourg Withholding Tax

The Directive has been implemented in Luxembourg law by Act of 21 June 2005.

Individuals

Luxembourg residents

A ten per cent. (10%) withholding tax has been introduced, as from 1 January 2006, on interest payments made by Luxembourg paying agents (defined in the same way as in the Directive) to Luxembourg individual residents. Only interest accrued after 1 July 2005 falls within the scope of this withholding tax. Income (other than interest) from investment funds and from current accounts provided that the interest rate is not higher than 0.75% are exempt from the withholding tax. Furthermore, interest which is accrued once a year on savings accounts (short and long term) and which does not exceed €250 per person and per paying agent is exempted from the withholding tax.

This withholding tax represents the final tax liability for the Luxembourg individual resident taxpayers.

Luxembourg non-residents

Subject to the application of the Directive and the applicable laws, there is no withholding tax on payments of interest (including accrued but unpaid interest) made to Luxembourg non-resident Bondholders.

Under the Directive and the applicable laws, a Luxembourg based paying agent (within the meaning of the Directive) is required since 1 July 2005 to withhold tax on interest and other similar income paid by it to (or under certain circumstances, to the benefit of) an individual resident in another Member State unless the beneficiary of the interest payments elects for the exchange of information. The same regime applies to payments to individuals or Residual Entities resident in certain dependent territories.

The withholding tax rate was initially fifteen per cent. (15%) until 30 June 2008, increasing steadily to twenty per cent. (20%) as from 1 July 2008 and to thirty-five per cent. (35%) as from 1 July 2011. The withholding tax system will only apply during a transitional period, the ending of which depends on the conclusion of certain agreements relating to information exchange with certain other countries.

Corporations

There is no withholding tax for Luxembourg resident and non-resident corporations holders of the Covered Bonds on payments of interest (including accrued but unpaid interest).

SUBSCRIPTION AND SALE

Subject to the terms and on the conditions contained in an amended and restated dealer agreement dated 16 July 2009 between the Issuer, the Arranger and the Permanent Dealer (the "Dealer Agreement"), the Covered Bonds will be offered by the Issuer to the Permanent Dealers. However, the Issuer has reserved the right to sell Covered Bonds directly on its own behalf to Dealers that are not Permanent Dealers. The Covered Bonds may be resold at prevailing market prices, or at prices related thereto, at the time of such resale, as determined by the relevant Dealer. The Covered Bonds may also be sold by the Issuer through the Dealers, acting as agents of the Issuer. The Dealer Agreement also provides for Covered Bonds to be issued in syndicated Tranches that are jointly and severally underwritten by two (2) or more Dealers.

The Issuer will pay each relevant Dealer a commission as agreed between them in respect of Covered Bonds subscribed by it. The Issuer has agreed to reimburse the Arranger for its expenses incurred in connection with the Programme and the Dealers for certain of their activities in connection with the Programme.

The Issuer has agreed to indemnify the Dealers against certain liabilities in connection with the offer and sale of the Covered Bonds. The Dealers have agreed to indemnify the Issuer against certain liabilities in connection with the offer and sale of the Covered Bonds. The Dealer Agreement entitles the Dealers to terminate any agreement that they make to subscribe Covered Bonds in certain circumstances prior to payment for such Covered Bonds being made to the Issuer.

Selling Restrictions

General

These selling restrictions may be modified by the agreement of the Issuer and the Dealers in particular following a change in a relevant law, regulation or directive. Any such modification will be set out in the Final Terms issued in respect of the issue of Covered Bonds to which it relates or in a supplement to this Base Prospectus.

Each Dealer shall, to the best of its knowledge, comply with all relevant laws, regulations and directives in each jurisdiction in which it purchases, offers, sells or delivers Covered Bonds or has in its possession or distributes the Base Prospectus, any other offering material or any Final Terms and neither the Issuer nor any other Dealer shall have responsibility therefore.

United States of America

The Covered Bonds have not been and will not be registered under the Securities Act, and subject to certain exceptions, may not be offered or sold within the United States or to, or for the account or benefit of U.S. persons as defined under Regulation S. Each Dealer has agreed, and each further Dealer appointed under the Programme will be required to agree, that it will not offer or sell the Covered Bonds of any identifiable Tranche within the United States, except as permitted by the Dealer Agreement.

Materialised Covered Bonds having a maturity of more than one (1) year are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. tax regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986 and regulations thereunder.

In addition, until forty (40) days after the commencement of the offering of any identifiable Tranche, an offer or sale of Covered Bonds within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act.

This Base Prospectus has been prepared by the Issuer for use in connection with the offer and sale of the Covered Bonds outside the United States. The Issuer and the Dealers reserve the right to reject any offer to purchase the Covered Bonds, in whole or in part, for any reason. This Base Prospectus does not constitute an offer to any person in the United States. Distribution of this Base Prospectus by any non-U.S. person outside the United States to any U.S. person or to any other person within the United States is unauthorised and any disclosure without the prior written consent of the Issuer of any of its contents to any such U.S. person or other person within the United States is prohibited.

Japan

The Covered Bonds have not been and will not be registered under the Financial Instruments and Exchange Law of Japan (Law No. 25 of 1948, as amended: the "FIEL") and each of the Dealers has agreed that it will not, directly or indirectly, offer or sell any Covered Bonds in Japan or to, or for the benefit of, any resident of Japan (which term as used herein means any person resident in Japan, including any corporation or other entity organised under the laws of Japan), or to others for re-offering or resale, directly or indirectly, in Japan or to a resident in Japan except pursuant to an exemption from the registration requirements of, and otherwise in compliance with the FIEL and any other applicable laws, regulations and ministerial guidelines of Japan.

European Economic Area

In relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each, a **Relevant Member State**), each of the Dealers and the Issuer have represented and agreed that with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the **Relevant Implementation Date**) it has not made and will not make an offer of Covered Bonds which are the subject of the offering contemplated by this Base Prospectus as completed by the final terms in relation thereto to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of such Covered Bonds to the public in that Relevant Member State:

- (a) at any time to legal entities which are authorised or regulated to operate in the financial markets or, if not so authorised or regulated, whose corporate purpose is solely to invest in securities;
- (b) at any time to any legal entity which has two or more of (1) an average of at least 250 employees during the last financial year; (2) a total balance sheet of more than €43,000,000; and (3) an annual net turnover of more than €50,000,000, as shown in its last annual or consolidated accounts;
- (c) at any time to fewer than 100 natural or legal persons (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (d) at any time in any other circumstances falling within Article 3(2) of the Prospectus Directive,

provided that no such offer of Covered Bonds referred to in (a) to (d) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision, the expression an **offer of Covered Bonds to the public** in relation to any Covered Bonds in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Covered Bonds to be offered so as to enable an investor to decide to purchase or subscribe the Covered Bonds, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression **Prospectus Directive** means Directive 2003/71/EC and includes any relevant implementing measure in each Relevant Member State.

France

Each of the Dealers and the Issuer has represented and agreed that it has not offered or sold and will not offer or sell, directly or indirectly, any Covered Bonds to the public in France and it has not distributed or caused to be distributed and will not distribute or cause to be distributed to the public in France, the Base Prospectus, the relevant Final Terms or any other offering material relating to the Covered Bonds and such offers, sales and distributions have been and will be made in France only to (a) providers of investment services relating to portfolio management for the account of third parties (*personnes fournissant le service d'investissement de gestion de portefeuille pour compte de tiers*), and/or (b) qualified investors (*investisseurs qualifiés*), all as defined in, and in accordance with, articles L. 411-1, L. 411-2 and D. 411-1 to D. 411-3 of the French Monetary and Financial Code (*Code monétaire et financier*).

These selling restrictions may be amended in the relevant Final Terms.

- (b) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received by it in connection with the issue or sale of any Covered Bonds in circumstances in which section 21(1) of the FSMA does not apply to the Issuer; and
- (c) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any Covered Bonds in, from or otherwise involving the United Kingdom.
