Fixed Income Presentation
Asia - Sept 2013
Disclaimer

Figures included in this presentation are unaudited. On 18 April 2013, BNP Paribas issued a restatement of its quarterly results for 2012 reflecting, in particular, (i) the amendment to IAS 19 “Employee Benefits” which has the effect of increasing the Group’s 2012 pre-tax income by €7m; this adjustment has been re-allocated to the relevant division and business line operating expenses (ii) the allocation between the divisions and business lines of items which had temporarily been allocated to the Corporate Centre. In these restated results, data pertaining to 2012 has been represented as though the transactions had occurred on 1st January 2012. This presentation is based on the restated 2012 quarterly data.

This presentation includes forward-looking statements based on current beliefs and expectations about future events. Forward-looking statements include financial projections and estimates and their underlying assumptions, statements regarding plans, objectives and expectations with respect to future events, operations, products and services, and statements regarding future performance and synergies. Forward-looking statements are not guarantees of future performance and are subject to inherent risks, uncertainties and assumptions about BNP Paribas and its subsidiaries and investments, developments of BNP Paribas and its subsidiaries, banking industry trends, future capital expenditures and acquisitions, changes in economic conditions globally or in BNP Paribas’ principal local markets, the competitive market and regulatory factors. Those events are uncertain; their outcome may differ from current expectations which may in turn significantly affect expected results. Actual results may differ materially from those projected or implied in these forward looking statements. Any forward-looking statement contained in this presentation speaks as of the date of this presentation. BNP Paribas undertakes no obligation to publicly revise or update any forward-looking statements in light of new information or future events.

The information contained in this presentation as it relates to parties other than BNP Paribas or derived from external sources has not been independently verified and no representation or warranty expressed or implied is made as to, and no reliance should be placed on the fairness, accuracy, completeness or correctness of, the information or opinions contained herein.
